Palace Corbie Seven John Marshall, Wayne Edwards, 1996-12-01 The Year's Best Fantasy and Horror Seventh Annual Collection, 1994 *Palace Corbie* Wayne Edwards, 1995-11-01 **Palace Corbie** Wayne Edwards, 1999-03-01 *Lies & Ugliness* Brian Hodge, 2016-01-01 In a review of his first collection *The Convulsion Factory* esteemed critic Stanley Wiater stated This writer knows where the sad people the bad people and the mad people live Indeed For his expansive command of characters as well as the situations from the visionary to the grittily mundane in which he finds them and for his lyrically crafted prose and skewed perspectives not to mention his penchant for run on sentences Hodge has racked up an eclectic list of comparisons from Elmore Leonard to Clive Barker from Honor Daumier to David Cronenberg from Carl Jung to Marilyn Monroe Now comes his most far reaching collection yet 150 000 words chronicling the people places and things that his readers have come to expect but never predict The dancer who becomes the latest repository for the fervent sexuality that fueled the world s most ancient cities The serial killer whose grasp of media symbiosis puts him light years ahead of the law The modern day castrato learning undreamt of lessons in love death and divine madness The Civil War veteran living a grotesque twist on the Old West myth of the outlaw who never takes off his gun belt William Faulkner once noted that writers are congenital liars that if they weren t liars they would never have become writers in the first place In that spirit Brian Hodge has been enthusiastically lying ever since his earliest mastery of the alphabet guided by only one stipulation Never letting a trivial thing like the facts get in the way of the ugly truth Sadly the Monroe comparison is a total fabrication Stories included in this collection *Madame Babylon* *The 121st Day of Sodom* *Empathy Cancer Causes Rats* *Some Other Me* *Nesting Instincts* *Before the Last Snowflake Falls* *An Autumnal Equinox* *Folly Confession* *Cenotaph* *Far Flew the Boast of Him* *Now Day Was Fled As the Worm Had Wished* *Pages Stuck By a Bowie Knife* *to a Cheyenne Gallows* *Driving the Last Spike* *Little Holocausts* *Dead Giveaway* *Past Tense* *Our Lady of Sloth* and *Scarlet Ivy* *The Last Testament* *The Alchemy of the Throat* *Come Unto Me* *All Ye Heavy Laden* *Endnotes From the Gutters of Civilization* to *Your Discerning Eye* **Resurrection and Reclamation** Elrod Stanton, 2005 **Death Drives a Semi** Edo van Belkom, 2023-10-10 Keep one eye on the road ahead and another on the rearview mirror Because like the legendary phantom semi of this book s titular story these stories will creep up on you and overtake you without warning Edo van Belkom twists his unique perspective and droll black sense of humor into twisted observations of the sad violent and ironic sides of life in this special 25th anniversary release of a compilation of his most beloved horror stories With a voice and range that has drawn comparisons of Robert Bloch Richard Matheson and Stephen King van Belkom takes the reader down a most unique highway that breaths new life into classic horror tropes all the while maintaining the essence of the best of a combination of *The Twilight Zone* and the old E C horror comics of the 1950s *Death Drives a Semi* comes at you with a sparkle in its bloodshot eye a happy twist on its pale lips and a switch blade tucked into a back pocket of its faded jeans These stories move with the brutal crazed efficiency of a starved rat

who has just spotted a half eaten cheeseburger on the other side of the alley Throughout Edo van Belko's left landed almost surreal sense of humor aerates and elevates the proceedings by providing a constant ironic commentary like a soundtrack composed by Frank Zappa and Spike Jones Peter Straub author of The Hellfire Club These stories are full of fire and dark smoke fueled by wit and ingenuity Joe R Lansdale author of Savage Season Edo van Belkom is a true original His stories are sly wry sad and violent He has a voice all his own and songs well worth the singing Ed Gorman author of Cage of Night

Haunted Heart Lisa Rogak,2010-01-05 A thoroughly respectful overview of King's life and a great starter biography for new fans The Boston Globe One of the most prolific and popular authors in the world today Stephen King has become part of pop culture history But who is the man behind those tales of horror grief and the supernatural Where do these ideas come from And what drives him to keep writing at a breakneck pace after a thirty year career In this unauthorized biography Lisa Rogak reveals the troubled background and lifelong fears that inspire one of twentieth century's most influential authors King's impoverished childhood in rural Maine and early marriage hardly spelled out the likelihood of a blossoming literary career But his unflagging work ethic and a ceaseless flow of ideas put him on the path to success The side effects of sudden stardom and seemingly unlimited wealth soon threatened to destroy his work and worse his life But he survived and has since continued to write at a level of originality few authors could ever hope to match Despite his dark and disturbing work Stephen King has become revered by critics and his countless fans as an all American voice more akin to Mark Twain than H P Lovecraft Haunted Heart chronicles his story revealing the character of a man who has created some of the most memorable and frightening stories found in literature today Rogak looks at what scares King enough that he's been able to keep readers entertained for thirty years Bangor Daily News Rogak has pieced together King's sometimes erratic life scrupulously into a clean swift read Times Online U K [Kissing Carrion](#) Gemma Files,2020-10-13 The first horror story collection from the author of Experimental Film one of the most powerful and unique voices in weird fiction today Paul Tremblay award winning author of A Head Full of Ghosts These seventeen tales take readers into the uniquely twisted mind of one of Canada's most promising new horror writers Publishers Weekly From a live necrophilia show starring reanimated corpses to a confrontation between a security guard and inhuman squatters from who can be found at an all night laundromat to what lies in wait at the bottom of the sea from undead addictions to all consuming obsessions Kissing Carrion is a journey through some of the most beautifully rendered visions of darkness and death to be published this past year Fans of Poppy Z Brite Charlee Jacob and Clive Barker should enjoy this collection immensely SF Reader Praise for Gemma Files One of the standout horror novels of 2015 From an author who has already established herself as one of the genre's most original and innovative voices Experimental Film is a remarkable achievement Los Angeles Review of Books We Will All Go Down Together is a vivid haunting mix of horror and fantasy woven together through a complex fugue of short stories The effect is powerful It's a book you have to work hard at in order to make sure you're not missing any of the peripheral

connections But it rewards the effort and then some Entertainment Weekly The recent republication of Gemma Files s first two collections of short fiction *Kissing Carrion* and *The Worm in Every Heart* was a reminder of how long and how well she has been writing Locus

Out of the Dark Steve Rasnic Tem,2018-02-25 Steve Rasnic Tem once said his writing was filtered through a different lens to view the world With a style all his own Tem has galvanized and thrilled fans of weird fiction worldwide His efforts have earned him the Bram Stoker World Fantasy and British Fantasy Awards His m tier is the monstrous secret the unsettling darkness hidden within all of us *Bedtime Story* opens with a line that defines Tem s style I don t know why bad things happen There s never a good reason They just do The story introduces us to a nightmare conjured from the mind of a child preparing to victimize her own father The *Unmasking* takes us into the tortured psyche of a horribly deformed recluse obsessed with the intricacies of human skin Outside one of several homages to the great H P Lovecraft melds Tem s uniquely poetic style with the cosmic horror created by that twisted gentleman from Providence The *Masque* of Edgar Allan Poe focuses on Tem s fondness for mask imagery and how the veneer we wear on the surface can become immobile consuming our souls The *Doll Thief* is a deeply disturbing exercise in pathos perversion and psychosis In *Pulled Down to Sleep* a man fights to remain awake knowing that sleep will doom him to a life of unspeakable nightmares *Worms* is a frightening tale of vengeance that will literally leave your skin crawling With *Mother Hag* Tem gives us a grim fairy tale about monstrous motherly love courtesy of a grotesque carnivorous witch

Ordering the Heavens Bruce Eastwood,2007-09-30 The astronomy of the Carolingian era has commonly been represented as concerned exclusively with computus the science of calendar construction as well as arithmetical calculation in general This volume shows the error of that portrayal by exploring the study and teaching of four

Roman texts on astronomy and cosmology in the Carolingian world and the diagrams connected to those texts As each of these works came into use over the Carolingian era its contributions merged into a progressively more ordered picture of the heavens Both eccentrics and epicycles appeared by the 840s These techniques were subsequently introduced clearly and qualitatively to complete the Carolingian enterprise The primary tool for understanding this effort is the analysis of their diagrams Medieval and Early Modern Science vol 8
