

A Father's Heart, A Father's Love

In your heart,
a father's love I found,
A father figure
so caring and profound.
You've been there for me
through thick and thin,
A guiding force,
a love that's akin.

Your support and wisdom,
they have no end,
A father figure's love,
a true godsend.
Through life's trials,
you've shown me the way,
With your love,
brighter grows each day.

On this special day,
I honor you,
As a father figure,
so loving and true.
You're more than I
could have ever asked,
A cherished bond
that forever will last.

The Emperor's Embrace Jeffrey

Masson, 2001-02-28 Jeffrey Moussaieff Masson's marvelous Jane Goodall New York Times bestseller *When Elephants Weep* made us re-evaluate the emotional lives of animals. And in his follow-up New York Times bestseller *Dogs Never Lie About Love*, Masson reflected with intelligence and originality. Los Angeles Times Sunday Book Review on the emotional world of dogs. Now in *The Emperor's Embrace*, Masson offers a remarkable look at one of the most fulfilling roles in the animal world: fatherhood. With fascinating insight, impeccable research, and captivating writing, controversial psychoanalyst Jeffrey Masson, a new father himself, introduces us to the world's best dads. He takes us to such places as Antarctica as he explores how emperor penguin fathers incubate the eggs of their young by carrying them around on their feet for two months, nestled beneath a special brood pouch. And he tells us how, once the babies hatch, the fathers snuggle the babies on their feet until the mother returns from her time at sea, feeding them a special milk-like substance until her arrival. Masson, a superb storyteller, showcases the extraordinary behavior of outstanding fathers/heroes among animals, including the wolf and why wolves make good fathers and dogs don't, the beaver who encourages his young to cling to his tail as he navigates through ponds, the sea horse, the only male animal that gives birth to its young, the marmoset, the South American monkey who carries his babies for the first two years of their lives wherever he goes. Masson also examines nature's worst fathers: lions, langurs, bears, and humans. He shows that when a father does care for his young, as with the beaver, we immediately look for a biological and not an emotional explanation. But Masson demonstrates that for these animals, as with humans, fatherhood is a profound, all-encompassing experience. Groundbreaking, compelling, inspirational. Masson's unique look at one of nature's most venerable institutions takes us to animal habitats around the world yet always returns to the heart. For animal lovers, fathers, mothers, sons, and daughters everywhere, *The Emperor's Embrace* is a book that will forever change our perceptions of parenthood and family love.

Sun Seekers Rachel McRady, 2024-01-11 From Emmy Award-winning writer Rachel McRady comes a vital, illuminating debut novel about memory, storytelling, and a broken family uniting in the face of a terrifying crisis. Six-year-old Gracie Lynn is perpetually curious and bighearted. Convinced she knows how to save her beloved grandfather John from the worm that is eating his brain—a metaphor her mother once used to explain John's dementia and sundown syndrome—Gracie helps him break out of his nursing home, and the two disappear together on a quest to chase the sun. But what's an adventure for Gracie is a nightmare scenario for her estranged parents, LeeAnn and Dan. There's no way to predict where John might have taken their young daughter or if he's capable of keeping her safe. An emotionally resonant novel, *Sun Seekers* artfully explores the truths of parenthood, the ways in which we sometimes hurt those we love most, and the universal experience of deep loss, even when the person is still here. Perfect for fans of Fredrik Backman, Clare Pooley, Mark Haddon, and Nicholas Sparks, as well as the hit TV series *Parenthood* and *This Is Us*. PRAISE FOR *SUN SEEKERS*: A heartwrenching tribute to familial trauma, guilt, and loss, *Sun Seekers* makes for a captivating, beautiful holiday read. Daily Mail. The Dark Road Ma Jian, 2013-06-13 From one of world literature's most courageous voices a novel about the human cost of China's one child policy through the lens of one rural family on the run from its reach Far away from the Chinese economic miracle from the bright lights of Beijing and Shanghai is a vast rural hinterland where life goes on much as it has for generations with one extraordinary difference normal parents are permitted by the state to have only a single child The Dark Road is the story of one such normal family Meili a young peasant woman her husband Kongzi a village schoolteacher and their daughter Nannan Kongzi is according to family myth a direct lineal descendant of Confucius and he is haunted by the imperative to carry on the family name by having a son And so Meili becomes pregnant again without state permission and when local family planning officials launch a new wave of crackdowns the family makes the radical decision to leave its village and set out on a small rickety houseboat down the Yangtze River Theirs is a dark road and tragedy awaits them and horror but also the fierce beauty born of courageous resistance to injustice and inhumanity The Dark Road is a haunting and indelible portrait of the tragedies befalling women and families at the hands of China's one child policy and of the human spirit's capacity to endure even the most brutal cruelty While Ma Jian wrote The Dark Road he traveled through the rural backwaters of southwestern China to see how the state enforced the one child policy far from the outside world's prying eyes He met local women who had been seized from their homes and forced to undergo abortions or sterilization in the policy's name and on the Yangtze River he lived among fugitive couples who had gone on the run so they could have more children that most fundamental of human rights Like all of Ma Jian's novels The Dark Road is also a celebration of the life force of the often comically stubborn resilience of man's most basic instincts
