Prosperity The Choice Is Yours:

Prosperity--The Choice Is Yours Kenneth Copeland,1985 Is prosperity truly Gods plan for you Claim the physical and spiritual riches that are yours Once you understand the plan of abundance God has designed youll never again accept anything less Through this scriptural study by Kenneth Copeland you can be sure that when it comes to Prosperity The Choice Is Yours Prosperity the Choice Is Yours Avanzini John,2004-01-01 **The Facts on the Faith Movement** John Ankerberg,John Weldon,2011-04-22 The growing much publicized Faith Movement has captured literally millions of Christians with its seductive claims Christians are offered health wealth and prosperity if they say the right things and have the right frame of mind but is it biblical Authors answer key questions about the Movement its leaders What are the basic teachings of the Faith Movement How powerful is the Faith Movement why has it been so successful What characteristics of the Faith Movement concern people Do the Faith teachers misinterpret Scripture This book carefully separates fact from fiction regarding the Faith Movement s disturbing presence in Christianity **The Patriot's Path** James Schrader,2009-06-05 Sequel to the hit thriller When Truth and Justice Die While the United States reels in the wake of anarchy unleashed by Tymax and the amoral masses the lives of Ferguson Bauer Isaac and their fellow patriots are transformed by a mysterious set of documents Tyranny gains a foothold and spreads like a disease across the land The angel and the prophet strengthen the patriots will and confirm the direction they must travel but the enemy of freedom does not rest The tyrant and his vassals grope for riches and power and strike a massive blow but the patriots fight on carrying the torch of freedom and striving to rescue our nation from the growing wave of oppression Where will the patriot s path lead and what will the outcome be The destiny of freedom lies in the balance as the dwindling flame of patriotism ignites a journey of faith a race against time treachery and the demon of human greed **The Worldview of the Word of Faith Movement: Eden Redeemed** Mikael Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism *The Power of Choice* Angel de Luz,2017-11-18 The power of choice is the strength that comes from the depths of the heart It is never wrong and the result of the action must always be accepted Whether positive or negative the result should always be seen as a teaching

in the end the good and the bad case leads to learning The Power of Choice is subtle you must learn to listen to your intuition accompanied by the energy of the heart if you choose what you most want to do you are on the path of Love if you do not enter a path full of obstacles because you so wished never blame others for your state because you are solely responsible for your actions

Christianity and Politics in Doe's Liberia Paul Gifford,2002-05-16 This study examines the role of Christianity in Liberia under the corrupt regime of Samuel K Doe 1980 1990 Paul Gifford shows that in general Liberian Christianity far from being a force for justice and human advancement diverted attention from the cause of Liberia s ills left change to God s miraculous intervention encouraged obedience and acceptance of the status quo and thus served to entrench Doe s power This Christianity devised in and controlled from the United States thus furthered regional American economic and political objectives which were designed to support Doe s rule

A Theology of Hope Sang Yun Lee,2019-01-03 Lee advocates a theology of hope essentially different from the Moltmann version on which the idea is developed Lee shows how Cho s message particularly in its promise of a saved healthy happy and prosperous life the Threefold Blessing was the antidote to the events that had ravaged the Korean peninsula in the 1950s At the same time Asian Pentecostal scholars might also need a greater appreciation for both the diversity and richness of their cultural and religious past They have found both culturally and biblically acceptable alternatives to and adaptations from the practices of their ancient religions and are seeking to provide answers to the needs of their own context Allan H Anderson University of Birmingham England From the Foreword

Providence Bruce R. Reichenbach, 2016-09-08 We ask God to involve himself providentially in our lives yet we cherish our freedom to choose and act Employing both theological reflection and philosophical analysis the author explores how to resolve the interesting and provocative puzzles arising from these seemingly conflicting desires He inquires what sovereignty means and how sovereigns balance their power and prerogatives with the free responses of their subjects Since we are physically embodied in a physical world we also need to ask how this is compatible with our being free agents Providence raises questions about God's fundamental attributes The author considers what it means to affirm God's goodness as logically contingent how being almighty interfaces with God's self limitation and the persistent problems that arise from claiming that God foreknows the future Discussion of these divine properties spills over into the related issues of why God allows or even causes pain and suffering why if God is all knowing we need to petition God repeatedly and encounter so many unanswered prayers and how miracles as ways God acts in the world are possible and knowable Throughout the author looks at Scripture and attends to how providence deepens our understanding of God and enriches our lives *Getting Yours* Bambi
