Written by an elder law attorney with over 23 years experience this book will help anyone with a family member faced with a long term stay in a nursing home who wishes to preserve at least some of their assets by qualifying for the Medicaid program. You don't have to be broke to qualify. For the first time ever the inside secrets of high priced estate planning and elder law attorneys are revealed. The book includes tips on how to title your home so you do not lose it to the state, how to make transfers to family members that won't disqualify you from Medicaid, how annuities make assets disappear, smart tricks for spending down your assets, what to change in your will to save thousands of dollars if your spouse ever needs nursing home care, avoiding the state's reimbursement claim following the nursing home resident's death, and much more.
