Protecting Children

Janet Kay

Protecting Children:

Protecting Children Featherstone, Brid, Gupta, Anna, 2018-09-19 The state is increasingly experienced as both intrusive and neglectful particularly by those living in poverty leading to loss of trust and widespread feelings of alienation and disconnection Against this tense background this innovative book argues that child protection policies and practices have become part of the problem rather than ensuring children's well being and safety Building on the ideas in the best selling *Reimagining child protection* and drawing together a wide range of social theorists and disciplines the book Challenges existing notions of child protection revealing their limits Ensures that the harms children and families experience are explored in a way that acknowledges the social and economic contexts in which they live Explains how the protective capacities within families and communities can be mobilised and practices of co production adopted Places ethics and human rights at the centre of everyday conversations and practices

Protecting Children Ben Whitney, 2004 Provides a comprehensive and practical guide to the role of educational professionals in safeguarding children

Protecting Children, Creating Citizens Katrin Križ, 2022-03 This book examines a participatory approach in child protection practices in Norway and the US It explores empowering children and child protection workers to negotiate complex boundaries of the inclusion of children in decision making

Protecting Children John Bates, Richard Pugh, Neil Thompson, 1997 Child protection is a complex and demanding area of practice which is constantly evolving with new challenges appearing with every change that occurs This important book presents a set of readings produced by a range of academics and practitioners each with a significant contribution to make to our understanding of the challenges and change that characterize contemporary practice The book is divided into three parts The first part addresses a number of key issues which are having an important impact on child protection services The second part is concerned with children who hurt children who have not only experienced abuse but who also go on to abuse others The final part concerns itself with issues of staffing supporting staff in the difficult changes they face

Protecting Children Kathleen Kufeldt, Barbara Fallon, Brad McKenzie, 2021-06-25 Focusing on children who are subject to welfare intervention *Protecting Children* addresses the challenges and issues of the child welfare system and provides foundational knowledge on the theoretical and practical aspects of the field This edited collection begins with a review of key concepts including child development attachment and resilience theories social policies family law and ethics Highlighting the translation of theory into practice the contributors discuss current services and the search for best practice internationally as well as explore Indigenous child welfare and offer conclusions and recommendations to promote positive outcomes for children and families involved in the system Scholars researchers and practitioners from across the globe provide insight on a wide range of timely issues such as the risk of reductionism limits to predictability pragmatic issues as well as the disproportional presence in the care system of minority groups including Indigenous children children of new immigrants and refugees children in LGBTQ communities and children of the poor This foundational volume is an important

resource for courses in social work and child welfare FEATURES includes contributions from researchers practitioners and scholars from Australia Canada New Zealand the United Kingdom and the United States highlights Indigenous authors and personal stories of service users and includes figures and tables throughout the text as well as section introductions and conclusions to situate main theories and concepts for students

Protecting Children in Military Families Ralph Blanchard,1995-06 Helps clarify the military's role in child protection Aims to strengthen the bridges between the military installation's child abuse prevention team and civilian agencies involved in each community's child protection efforts Glossary and bibliography

Protecting Children in Armed Conflict Shaheed Fatima KC,2018-09-20 In armed conflicts around the world children are being killed raped abducted and recruited to fight at a shocking scale In light of this continuing general failure to protect children in conflict it is questionable whether existing international law norms and institutions provide sufficient protection and accountability Consideration needs to be given to whether international law can do more practically and effectively when moral lines are crossed That is the purpose of this book It reviews the position of children in armed conflict by reference to the six grave violations as identified by the UN Security Council It analyses the protection offered by international humanitarian law international criminal law and international human rights law and also assesses the related adjudicative accountability mechanisms The analysis concludes with a number of recommendations and proposals for reform with a view to enhancing accountability and deterring future violations The book has been written by a team of lawyers headed by Shaheed Fatima QC and has drawn on the input of an expert advisory panel comprising leading academics policy makers and activists It has been written as part of the Inquiry on Protecting Children in Conflict The Inquiry has been sponsored by Save the Children and Theirworld and chaired by former UK Prime Minister Gordon Brown

Protecting Children Janet Kay,2003-01-22 This fully up dated second edition of *Protecting Children* provides the framework for understanding child abuse and child protection issues for people who work with children in a variety of professional and informal settings Written in Kay's characteristically lucid and approachable style the text brims with case studies points for reflection self assessment exercises and suggestions for developing readers own practices

Domestic Violence and Protecting Children Cathy Humphreys,Nicky Stanley,2015-08-21 In this volume the authors present an overview of the innovative work taking place in relation to domestic violence and child protection This book looks at new prevention initiatives and how interventions for children exposed to domestic violence have been developed It shows how services for abusive fathers have evolved and provides discussion and critique of a number of new initiatives in the field of interagency risk assessment With international perspectives and examples drawn from social care health care and voluntary sectors this book brings together established ideas with recent thinking to provide an authoritative summary of current domestic violence and child protection practice As a valuable source of guidance on how to work safely with children living with domestic violence this is a key reference for social workers health professionals and policy makers

Protecting

Children in Time Harry Ferguson, 2004-06-11 Protecting Children in Time provides a highly original analysis of the origins and development of the taken for granted notion that it is possible through social intervention to protect children from avoidable harm and even death to protect children in time By using case studies which span the past 120 years of modern practices and drawing on the work of leading social theorists of modernity and risk society it provides a new way of thinking about constructions of child abuse as a social problem and child protection as a late modern expert system and experience It proposes new ways of conceptualizing relationships between professionals children at risk and families and deepens our understanding of what effective interventions have to involve

Safeguarding and Protecting Children with Disabilities and SEN , Safeguarding and Protecting Children in the Early Years Steven Burton, James Reid, 2017-10-09 This new edition provides a comprehensive guide for safeguarding and child protection in the early years Aimed at both students and practitioners it offers clear insight and guidance into the legal and policy foundations for effective safeguarding practice together with both the historical context and also more contemporary developments in safeguarding practice in the early years sector This second edition has been fully updated to reflect current legislation and includes new material on interagency work supporting children s resilience and safeguarding all children Drawing on the everyday dilemmas and experiences of early years professionals it helps you to find solutions to both practical and moral issues in a context of legal duties and responsibilities The chapters consider the historical context of safeguarding and child protection the legislative framework around safeguarding and child protection safeguarding through inter professional and multidisciplinary work the identification of neglect in early years children the consequential abuse that can occur as a result of parental behaviours safeguarding children s health and wellbeing safeguarding as a member of a team and the importance of communication safeguarding against the misuse of technology Safeguarding and Protecting Children in the Early Years has been written by a multidisciplinary team of academics from a breadth of UK universities with a wealth of experience in safeguarding and child protection the EYFS health visiting social work the police and in leading and managing services for children and families This second edition is essential reading for anyone working with or aspiring to work with children in the early years

Re-Visioning Public Health Approaches for Protecting Children Bob Lonne, Deb Scott, Daryl Higgins, Todd I. Herrenkohl, 2019-04-26 This volume provides readers around the globe with a focused and comprehensive examination of how to prevent and respond to child maltreatment using evidence informed public health approaches and programs that meet the needs of vulnerable children and struggling families and communities It outlines the system failures of contemporary forensically driven child protection practice Detailed guidance is provided about how to re think earlier intervention strategies and establish stronger and more effective programs and services that prevent maltreatment at the population level Service user and stakeholder perspectives particularly from marginalized groups including Indigenous peoples highlight how public health approaches can better support families and keep children safe Case studies from

different countries grapple with the fraught nature of large system change and the various strategies needed to effect multi level reforms Presenting the reader with an array of innovative services used in different institutional and community context this volume confronts the complex challenges found in implementing successful prevention programs that are aligned with diverse cultural and political environments and community expectations

Protecting Children from Abuse and Neglect in Primary Care Michael J. Bannon,Yvonne H. Carter,2002-12-05 This book deals with child abuse and neglect as it presents itself in primary care All health professionals including those who work in primary care have an important role to play in the child protection process Inappropriate management of suspected instances of child abuse may result in serious implications for the child family and involved professionals Primary health care teams have specific and unmet training needs in this area and many general practitioners express anxiety regarding their involvement in child protection work The overall aim of this book is to enable members of the primary health care team to fulfil their responsibilities in the protection of children from the threat of abuse or neglect Readers are made aware of the skills required both to protect children and to subsequently maintain relationships with families The contents have been extended to include child protection issues in our multi cultural society along with comparison of different systems across Europe The book is primarily aimed at GPs and their teams social workers and health care managers will also benefit from its unique treatment of child protection issues in a primary care setting This book addresses these issues with sagacity and imagination The reader all primary care team members would benefit from it is offered facts skills attitudes and insights to help in this difficult area We can all do child protection better let us use this book to achieve that aim From the foreword by Professor Michael Pringle Immediate Past Chairman Council of Royal College of General Practitioners

Protecting Children's Privacy in an Electronic World United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Commerce, Manufacturing, and Trade,2012

Protecting Children in the Age of Outrage Radha Jagannathan,Michael J. Camasso,2013-03-21 Professionals in the Child Welfare System will find this book to be a radically different explanation on protecting children from harm Child maltreatment remains front and center in the collective consciousness of communities around the United States this book is a depiction of current events of social outrage

Protecting Children's Health in a Changing Environment World Health Organization. Regional Office for Europe,2010 The Fifth Ministerial Conference on Environment and Health organized by WHO Europe and hosted by Italy is the latest milestone in the European environment and health process now in its twentieth year Focused on protecting children s health in a changing environment the Conference set Europe s agenda on emerging environmental health challenges for the years to come The Parma Declaration is the first time bound outcome of the environment and health process The 53 Member States in the WHO European Region set clear targets to reduce the harm to health from environmental threats in the next decade Safe urban settings locally sourced food and use of ecomaterials contributed to the first ever low carbon footprint conference on environment and health organized by WHO Europe More than ever children s

health is at risk from a changing environment The health effects of environmental risk factors inadequate water and sanitation unsafe home and recreational environments lack of spatial planning for physical activity indoor and outdoor air pollution and hazardous chemicals are amplified by recent developments such as financial constraints broader socioeconomic and gender inequalities and more frequent extreme climate events They pose new challenges for health systems to reduce deaths and diseases through effective environmental health interventions

Protecting Children Introduction

In today's digital age, the availability of Protecting Children books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Protecting Children books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Protecting Children books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Protecting Children versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Protecting Children books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Protecting Children books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Protecting Children books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Protecting Children books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Protecting Children books and manuals for download and embark on your journey of knowledge?

FAQs About Protecting Children Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
