Shaw,1957 **American Military Heritage** William W. Hartzog,1971 The Service of British Regiments in Canada and North America Charles Herbert Stewart,Canada. Dept. of National Defence. Headquarters Library,1964 Auchinleck Philip Warner,2006-06-01 Field Marshal Sir Claude Auchinleck was born in India and raised in conditions of near poverty Yet his talent ensured his career flourished despite his Indian Army background and he was the first Commander of 8th Army in North Africa Despite great political interference he stopped Rommel s Afrika Corps at 1st Alamein only to be sacked by Churchill After a spell in the wilderness he became C in C India during the dark period of Partition and ironically had to preside over the destruction of his beloved Indian Army A private man of great humour and integrity he refused to be drawn into discussing or criticising his tormentors be they Churchill Montgomery or Mountbatten He always argued that history would be his judge This is a super piece of military biography by one of the most respected post war military historians *Gaelic Cape Breton Step-Dancing* John G. Gibson,2017-07-04 The step dancing of the Scotch Gaels in Nova Scotia is the last living example of a form of dance that waned following the great emigrations to Canada that ended in 1845 The Scotch Gael has been reported as loving dance but step dancing in Scotland had all but disappeared by 1945 One must look to Gaelic Nova Scotia Cape Breton and Antigonish County to find this tradition Gaelic Cape Breton Step

Dancing the first study of its kind gives this art form and the people and culture associated with it the prominence they have long deserved Gaelic Scotland's cultural record is by and large pre-literate and references to dance have had to be sought in Gaelic songs many of which were transcribed on paper by those who knew their culture might be lost with the decline of their language The improved Scottish culture depended proudly on the teaching of dancing and the literate learning and transmission of music in accompaniment Relying on fieldwork in Nova Scotia and on mentions of dance in Gaelic song and verse in Scotland and Nova Scotia John Gibson traces the historical roots of step dancing particularly the older forms of dancing originating in the Gaelic speaking Scottish Highlands He also places the current tradition as a development and part of the much larger British and European percussive dance tradition With insight collected through written sources tales songs manuscripts book references interviews and conversations Gaelic Cape Breton Step Dancing brings an important aspect of Gaelic history to the forefront of cultural debate
