Edward Eugene Wade Jr.,2006-08-05 This book grew out of a series of messages Pastor Wade preached from II Peter While he studied the passage to prepare the messages for the congregation his heart was touched in a special way He noticed that Peter had so much to say in so few words Pastor was introduced to a whole new way of viewing the practical working and spirit filled Christian life What he saw in this passage was that every Christian that lives the Spirit filled life is looked upon as a hero in God s eyes He noticed that what God attributed to heroism was very different than the human concept of what a hero looks like It s a good feeling to know what pleases God and to know that you can do it Pastor Wade felt a great need to share these practical principles of a hero s life with more than just his congregation This book takes the precept and idea of virtue in your life and separates it into bite size pieces easily digestible Each concept of the virtuous life is explained and Pastor Wade even entertains the reader with some real life threatening experiences he had while he was a firefighter These experiences relate to the concepts of the hero s life as you will see and the blessing is this After you read this book you too will be equipped with the insider information you need to live a pleasing to God Hero s Life In Christ
