Principles, Promise and Power William Thompson,1998 [Twenty-one Positive Principles for a Powerful Twenty-first Century Church](#) Dennis A. Davis,2002-12 **The Meaning of Motherhood** Alexandra Jensen,2022-08-04 As a stay at home mom Alexandra used to wonder if her life really mattered She would wake up each morning as a sense of purposelessness washed over her That is until she washed her face opened up her Bible and heard what the Lord had to say The truth is she

didn't have to make a dent in the whole world just in the little worlds God had placed right in front of her children. Maybe you can relate. You may be a new mom or a more experienced mother still struggling with the same old question: What is my purpose? You may wonder. The Meaning of Motherhood will walk you through answering this larger-than-life question one baby step at a time. The Meaning of Motherhood is a blessing for moms who experience moments of discouragement. God's word is a guiding light, and learning how to lean in on Christ through the ups and downs of motherhood is essential to believers. The Meaning of Motherhood is an entertaining, spirit-filled book of empowerment for all who go by the name Mama.

Fighter Fugitive King Fraser Keay, 2021-12-03. Drawing on key biblical narratives from the early part of the dramatic life of King David, *Fighter Fugitive King* highlights David's flaws and God's grace to him as a developing leader. Threaded throughout is the application of biblical theology applicable to the workplace and Christian ministry today. Younger men and those mentoring men in spiritual leadership will find it an inspiring and practical read that points to another King, one greater than David. Includes reflection questions at the end of each chapter. Commendations and Reviews: There is a leadership crisis in the world today, and this book is a passionate appeal to Christian men to be leaders who lead like Jesus, seen through the lens of the life of David. It is clear, theological, challenging, and hugely practical. I would recommend this as a disciple-making tool for older men to disciple a younger generation. Guy Miller, Leader of Commission Network of Churches U.K. There are many good Bible teachers around. There are also plenty of people who can give wisdom about leadership. What is much more rare is finding somebody who can genuinely unlock the Bible and apply it spiritually and practically to Christian leadership today. Fraser Keay is one such person. In this book, his passion and experience for developing younger leaders shines through, but it shines through the biblical lens of the life of David and then onto Christ. If you want a book full of trendy leadership clichés, then this isn't for you, but if you want to grow as a leader and develop leaders yourself and want to do so trusting God and relying on Jesus, then read on. I've spent much time in my Christian ministry working with younger leaders, and my only criticism of this book is that Fraser didn't write it 30 years ago; my investment into younger leaders would've been so much stronger if he had. Rev. Nigel James, pastor in the Elim Pentecostal Church Movement based in Cardiff, Wales, U.K. and working in the USA with the Awakening Foundation and around the world in various mission partnerships. This is a great book showing the life of David in his leadership as a king and as a warrior, and how it points to the life of Christ in so many ways. I was encouraged by how this book showed King David's frailty and our own as well, and our deep need for a Savior. This is a perfect book for a group study or a mentorship group. The audiobook was so good. Fraser narrates his book, and him being from Scotland brings an extra bit of flavor to the book. Maybe I liked it so much because I'm from the States and we don't hear Scottish accents too much. Or possibly it felt like William Wallace was narrating this book, and I was inspired to fight the good fight just by hearing his accent. But either way, the book and the audiobook were great. T. Boyle on Goodreads, May 2023. Highly recommended book about King David. M. Randall on Goodreads, Feb 2024. **Study Guide: Proverbs Volume I**
