Prudent Match:

A Prudent Match Laura Matthews,2010-09-14 Prudence Stockworth inherited a considerable sum from her fianc and agreed to marry Baron Ledbetter knowing that he was in need of that money for his estate But Prudence had known Ledbetter during her London season and had been frightened by his obviously passionate nature Now she had to learn to trust this exciting impatient man and teach him the value of love Regency Romance by Laura Matthews originally published by Signet The Heroine Eaton Stannard Barrett,2021-05-18 Eaton Stannard Barrett s The Heroine is a pioneering work of Gothic literature that delves into the turbulent intersection of romance and moral duty in the context of early 19th century societal norms The novel employs a satirical and often ironic tone blending elements of horror and melodrama to critique the conventions surrounding female heroism and virtue Through the lens of its complex characters and their emotional upheavals Barrett examines the intricate dynamics of love sacrifice and personal agency making the text a rich source of analysis for both literary scholars and enthusiasts alike Barrett a contemporary of major Romantic poets was acutely aware of the cultural constraints imposed on women during his time His keen insights into gender roles as well as his own experiences within the literary world inspired him to explore the challenges faced by women in their quests for autonomy and identity This background informs the novel s dynamic portrayal of its female protagonist who navigates societal expectations while grappling with her own desires and moral dilemmas For readers seeking a thought provoking and engaging exploration of gender and heroism The Heroine stands as a compelling testament to Barrett s innovative storytelling Its layered narrative and incisive critique of societal norms make it essential reading for those interested in the evolution of women s roles in literature and the ongoing discourse surrounding femininity and power **Works** Henry Fielding,1766 **The Heroine** Eaton Barrett,2021-12-02 The Heroine by Eaton Stannard Barrett Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format The Works of Henry Fielding ... With the Life of the Author Henry Fielding,1776 The Works of Henry Fielding George Saintsbury,2020-07-25 Reproduction of the original The Works of Henry Fielding by George Saintsbury *The Complete Works of Henry Fielding, Esq: The history of the life of the late Mr.Jonathan Wild and A journey from this world to the next, &c* Henry Fielding,William Ernest Henley,1903 **The Works of Henry Fielding; Vol. I; A Journey from This World to the Next and a Voyage to Lisbon** Henry Fielding,2015-11-03 When it was determined to extend the present edition of Fielding not merely by the addition of Jonathan Wild to the three universally popular novels but by two volumes of Miscellanies there could be no doubt about at least one of the contents of these latter The Journal of a Voyage to Lisbon if it does not rank in my estimation anywhere near to Jonathan

Wild as an example of our author's genius is an invaluable and delightful document for his character and memory. It is indeed as has been pointed out in the General Introduction to this series our main source of indisputable information as to Fielding's nature and its value so far as it goes is of the very highest. The gentle and unaffected stoicism which the author displays under a disease which he knew well was probably if not certainly mortal and which whether mortal or not must cause him much actual pain and discomfort of a kind more intolerable than pain itself his affectionate care for his family even little personal touches less admirable but hardly less pleasant than these showing an Englishman's dislike to be done and an Englishman's determination to be treated with proper respect are scarcely less noticeable and important on the biographical side than the unimpaired brilliancy of his satiric and yet kindly observation of life and character is on the side of literature. Many of the earliest books particularly those dating back to the 1700s and before are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable high quality modern editions using the original text and artwork.
