

Prudery Passion Sexuality In Victorian

Richard S. Randall

Prudery Passion Sexuality In Victorian:

Prudery and Passion Milton Rugoff, 1971 Traces the evolution of America's sexual code from its Puritan origins focusing on the mores of the nineteenth century

The Response to Prostitution in the Progressive Era Mark Thomas Connelly, 2018-06-15 During the opening decades of the twentieth century highly visible red light districts occupied entire sections of many American cities Prostitution still euphemistically referred to as the social evil became one of the dominant social issues of the progressive era Mark Thomas Connelly places the response to prostitution during those years within its complete social and cultural context He shows how the antiprostitution movement became a focus for many of the anxieties and social tensions of the period For many prostitution seemed ominously linked to the changing status of women the emergence of permissive sexual morals uncontrolled immigration the rampant spread of venereal disease the decline of rural and small town values and urban political and moral corruption Indeed prostitution became a symbol and code word for a host of unsettling issues and social changes Connelly probes the complex relationship between prostitution and the other major social issues of the time He shows that the response to prostitution was ambiguous It was forward looking in that it violated a traditional taboo by openly discussing an important aspect of sexual behavior but it was also one of the last efforts to rebuttress traditional Victorian beliefs about the proper role and position of women in American society Combining the techniques of social cultural and intellectual history Connelly interprets every major aspect of his subject the relationship between prostitution and the issue of independent mobile women in the cities the obsession with clandestine prostitution the belief in a direct relationship between prostitution and immigration the problem of venereal disease the urban Vice Commission reports on the extent of commercialized sex in the cities the white slavery issue and the belief that a conspiracy was afoot to debauch native American womanhood and the concern about prostitution in connection with the last great issue of the progressive years the mobilization for World War I The Response to Prostitution in the Progressive Era shows that great tension anxiety and doubt were important aspects of the profound reorientation in American society that gives the progressive era its distinctiveness as a historical period Connelly reasserts their historical importance in this study of a major social and cultural episode in American history Originally published in 1980 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Sex Radicals and the Quest for Women's Equality Joanne Ellen Passet, 2003 Passet shows that the majority of correspondents who participated in the sex radical movement resided in the Midwest and the Great Plains states where ideas of individual freedom and sovereignty resonated particularly strongly

Gold Diggers and Silver Miners Marion S. Goldman, 2025-08-14 In 1859 high grade silver bullion was discovered on the Comstock Lode In a twinkling Virginia City was transformed into a brawling boom town perched on a mountain of silver

Twenty years later it virtually disappeared leaving behind played out mines tumbled down shanties and memories of those who sought their fortunes on the lode The fortune seekers were many miners and madams confidence men and dance hall girls The fast life was as stratified as any proper community ranging from expensively kept women to prostitutes living in cribs Laura Fair an elite member of the demimonde shot her protector and after a spectacular trial retired to live modestly in San Francisco Jessie Lester made a small fortune as a madam while middle rank prostitutes such as Julia Bulette died in debt At the lowest end of scale were celestial damsels nameless slave women brought from China to minister to the needs of Chinese workers Chronicling it all was the cynical and lascivious pen of Alf Doten writer editor and bon vivant In *Gold Diggers and Silver Miners* sociologist Marion S Goldman provides a detailed account of prostitution on the Comstock Lode By considering sexual commerce in a community limited in space and time she explores general relationships between prostitution and society shedding light on sociological questions of importance today **Affect and Power** David J. Libby, Paul Spickard, Susan Ditto, 2009-09-18 In 1968 Winthrop D Jordan published his groundbreaking work *White Over Black* American Attitudes toward the Negro 1550 1812 and opened up new avenues for thinking about sex slavery race and religion in American culture Over the course of a forty year career at the University of California and the University of Mississippi he continued to write about these issues and to train others to think in new ways about interactions of race gender faith and power Written by former students of Jordan these essays are a tribute to the career of one of America's great thinkers and perhaps the most influential American historian of his generation The book visits historical locales from Puritan New England and French Louisiana to nineteenth century New York and Mississippi all the way to Harlem swing clubs and college campuses in the twentieth century In the process authors listen to the voices of abolitionists and white supremacists preachers and politicians white farm women and black sorority sisters slaves and jazz musicians Each essay represents an important contribution to the collection's larger themes and at the same time illustrates the impact Jordan exerted on the scholarly life of each author Collectively these pieces demonstrate the attentiveness to detail and sensitivity to sources that are hallmarks of Jordan's own work Domesticity And Dirt Phyllis Palmer, 2010-09-23 Examining the cultural norms of women after Suffrage to define labor based on color **Pornography and Sexual Representation** Joseph W. Slade, 2001 A three volume reference guide to the available literature concerning pornography and sexual representation in America **Routledge Revivals: Homosexuality: A Research Guide (1987)** Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of

interest to students of sociology **Intimate Matters** John D'Emilio, Estelle B. Freedman, 1997 The first full length study of the history of sexuality in America Intimate Matters offers trenchant insights into the sexual behavior of Americans from colonial times to today D Emilio and Freedman give us a deeper understanding of how sexuality has dramatically influenced politics and culture throughout our history The book John D Emilio co wrote with Estelle B Freedman Intimate Matters was cited by Supreme Court Justice Anthony Kennedy when writing for a majority of court on July 26 he and his colleagues struck down a Texas law criminalizing sodomy The decision was widely hailed as a victory for gay rights and it derived in part according to Kennedy s written comments from the information he gleaned from D Emilio s book which traces the history of American perspectives on sexual relationships from the nation s founding through the present day The justice mentioned Intimate Matters specifically in the court s decision Julia Keller Chicago Tribune Fascinating D Emilio and Freedman marshall their material to chart a gradual but decisive shift in the way Americans have understood sex and its meaning in their lives Barbara Ehrenreich New York Times Book Review With comprehensiveness and care D Emilio and Freedman have surveyed the sexual patterns for an entire nation across four centuries Martin Bauml Duberman Nation Intimate Matters is comprehensive meticulous and intelligent Jonathan Yardley Washington Post Book World This book is remarkable Intimate Matters is bound to become the definitive survey of American sexual history for years to come Roy Porter Journal of the History of the Behavioral Sciences *Urban Reform and Sexual Vice in Progressive-Era Philadelphia* James H. Adams, 2015-07-01 This book examines the intersection and interplay between Progressive Era rhetoric regarding commercialized vice and the realities of prostitution in early twentieth century Philadelphia Arguing that any study of commercial sexual vice in a historical context is difficult given the paucity of evidence this work instead focuses on reformers construction of a cultural view of prostitution which Adams argues was based more upon their perceptions of the trade than on reality itself Looking at the urban core of the city Progressive reformers saw vice immorality and decay but as they frequently had little face to face interaction with prostitutes plying their trade they were forced to construct culturally fueled archetypes to explain what they believed they saw Ultimately reformers in Philadelphia were battling against a rhetorical creation of their own design and any study of anti vice reform in the early twentieth century tells us more about the relationship between activists and the government than it does about vice itself Education of the Senses Peter Gay, 1999 The most learned as well as the wittiest survey of human sexuality ever to be published New York Times **Woman's Place In The Novels Of Henry James** Elizabeth E Allen, 1984-06-21 **Difference and Pathology** Sander L. Gilman, 1985 A collection of essays dealing with stereotypes in language and in literary texts especially those associating race with sexuality and pathology organic disease or madness The introduction pp 15 38 gives a psychological explanation of the need to create stereotypes of the Other and give them mythic negative characteristics in order to categorize and control the world Negative stereotypes of Jews are discussed in ch 6 pp 150 162 The Madness of the Jews ch 7 pp 162 174 Race and Madness in I J

Singer's *The Family Carnovsky* ch 8 pp 175-190 Sigmund Freud and the Jewish Joke **Women at Cornell** Charlotte Williams Conable, 1977 Estudio historico sobre la universidad de cornell pionera en la educacion de la mujer Expone como este centro fue una de las primeras instituciones de estados unidos que adopto y desarrollo la coeducacion entre hombres y mujeres *Histories of Sexuality* Stephen Garton, 2014-12-18 This book presents the first assessment of one of the most rapidly expanding fields of research the history of sexuality From the early efforts of historians to work out a model for sexual history to the extraordinary impact of French philosopher Michel Foucault to the vigorous debates about essentialism and social constructionism to the emergence of contemporary debates about historicism queer theory embodiment gender and cultural history we now have vast and diverse historical scholarship on sex and sexuality *Histories of Sexuality* highlights the key historical moments and issues pederasty and cultures of male passivity in ancient Greece and Rome the impact of early Christianity and ideals of renunciation on the sexual cultures of late antiquity the sustained existence of homosexual cultures in medieval and renaissance Europe the invention of homosexuality and heterosexuality in eighteenth century Europe and America the truth behind Victorian sexual repression the work of reformers and scientists such as Havelock Ellis Marie Stopes Stella Browne Margaret Sanger Alfred Kinsey William Masters and Virginia Johnson **Angels of Art** Bailey Van Hook, 2004-06-11 Images of women were ubiquitous in America at the turn of the last century In painting and sculpture they took on a bewildering variety of identities from Venus Ariadne and Diana to Law Justice the Arts and Commerce Bailey Van Hook argues here that the artists' concepts of art coincided with the construction of gender in American culture She finds that certain characteristics such as ideal beautiful decorative and pure both describe this art and define the perceived role of women in American society at the time Most late nineteenth century American artists had trained in Paris where they learned to use female imagery as a pictorial language of provocative sensuality Van Hook first places the American artists in an international context by discussing the works of their French teachers including Jean LeGonme and Alexandre Cabanel She goes on to explore why they soon had to distance themselves from that context primarily because their art was perceived as either openly sensual or too obliquely foreign by American audiences Van Hook delineates the modes of representation the American painters chose which ranged from the more traditional allegorical or mythological subjects to a decorative figure painting indebted to Whistler Changing American culture ultimately rejected these idealized female images as too genteel and eventually too academic and European *Angels of Art* is the first study to discuss the predominance of images of women across stylistic boundaries and within the wider context of European art It relies heavily on contemporary sources both to document critical responses and to find intersecting patterns in attitudes toward women and art **Angels of Art: Women and Art in American Society, 1876-1914** , *Freedom and Taboo* Richard S. Randall, 1989 Richard Randall reinterprets pornography both as a part of the human psyche and a public policy issue He explores the pornographic imagination in art and literature offers a wide ranging assessment of major empirical findings on the effects of pornography and draws on

historical and anthropological data to show how social rules and institutions have mirrored the ambivalence we feel toward sexual expression Freedom and Taboo argues that pornography is likely to be a major continuing public issue for democratic society

Hidden Intercourse Wouter J. Hanegraaff, Jeffrey Kripal, 2008-12-31 From rumours about gnostic orgies in antiquity to the explicit erotic symbolism of alchemical texts from the subtly coded eroticism of medieval kabbalah to the sexual magic practiced by contemporary occultists and countercultural translations of Asian Tantra the history of Western esotericism is rich in references to the domains of eros and sexuality This volume which brings together an impressive array of top level specialists is the first to analyze the eroticism of the esoteric without sensationalism or cheap generalizations but on the basis of expert scholarship and attention to textual and historical detail While there are few other domains where the imagination may so easily run wild the various contributions seek to distinguish fact from fiction only to find that historical realities are sometimes even stranger than the fantasies In doing so they reveal the outlines of a largely unknown history spanning more than twenty centuries

The Oxford Handbook of Victorian Literary Culture Juliet John, 2016-06-30 The Oxford Handbook of Victorian Literary Culture is a major contribution to the dynamic field of Victorian studies This collection of 37 original chapters by leading international Victorian scholars offers new approaches to familiar themes including science religion and gender and gives space to newer and emerging topics including old age fair play and economics Structured around three broad sections Ways of Being Identity and Ideology Ways of Understanding Knowledge and Belief and Ways of Communicating Print and Other Cultures the volume is sub divided into nine sub sections each with its own lead essay on subjectivity politics gender and sexuality place and race religion science material and mass culture aesthetics and visual culture and theatrical culture The collection like today s Victorian studies is thoroughly interdisciplinary and yet its substantial Introduction explores a concern which is evident both implicitly and explicitly in the volume s essays that is the nature and status of literary culture and the literary from the Victorian period to the present The diverse and wide ranging essays present original scholarship framed accessibly for a mixed readership of advanced undergraduates graduate students and established scholars

Prudery Passion Sexuality In Victorian Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **Prudery Passion Sexuality In Victorian**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
