Without Jews? Magdalena Ruta,2017-06-19 Magdalena Ruta explores the virtually unknown area of Yiddish literature created in Poland after World War II She unravels before general readers and future researchers numerous texts and analyses them in a lucid and captivating manner The book should appeal to readers from various disciplines as well as to a non scholarly audience as it touches upon difficult and complex problems that only recently have become the subject of thorough research and that are still perceived as controversial such as Polish Jewish relations after the war or the fascination of a substantial number of Polish Jewish intellectuals with communism It is worth stressing that the author deals with this sensitive topic competently and objectively Prof Monika Adamczyk Garbowska **The Biographical Dictionary of the Jews from Lodz** Andrzej Kempa,Marek Szukalak,2006 Polish-Jewish History and Culture John P.
