Swindoll, 2012-08-01 One of Christianity s most beloved pastors walks readers through the book of Psalms helping them to live its comfort and promises in the face of life s relentless daily grind We all have those days when little problems become crises when doubt begins to overwhelm belief when exhaustion hits and happiness escapes And the book of Psalms offers words of strength and comfort for those troublesome times In this remarkably down to earth study of selections from Psalms one of Christianity s foremost pastors and authors explores such pressing themes as fear of the unknown discouragement and worry how to handle difficult people and what to do when God is silent Combining his trademark illustrations and insights with favorite passages from this beloved Bible book Charles Swindoll offers up a work that will help readers live the Psalms as never before Here is practical inspiration and victorious affirmation to get anyone through life s daily grind Drawn from previous best selling works adapted for the 21st century reader      **Psalm 23** Kyle Burkholder, 2016-02-04 Psalm 23 is almost surely the most famous chapter in the Bible The trees of both Christianity and Judaism are existentially planted on the banks of the still waters where peace overtakes anxiety at the crest of rolling green pasture where shaded restoration is available to the depleted pilgrims of the age And while so many understand the basic idea of God as a Shepherd there are far too many weary aching exhausted sheep to show any evidence that we have collectively allowed our lives to be restored in any meaningful way by the all too familiar Shepherd This devotional intends to provide a path for us the sheep to find our way back into the restorative arms of the Good Shepherd My prayer is that many will approach familiar words and find the deep rest renewal and restoration that only the True Shepherd can provide      *Psalm 23* David Roper, 1996 Roper looks at this restful Christian image from the perspective

of twentieth century restlessness He gives portrayals of the contented follower in an age of dissatisfaction the trusting follower in an age of doubt and deceit and the restful follower in an age of activism **Psalms for Devotion** Jeanie Maxwell,2008 Even though Psalms was written thousands of years ago it is still an encouragement for us today In Psalms for Devotion Author Jeanie Maxwell has written a daily devotional book that will truly be a source of inspiration and encouragement to you throughout your day In this special book Jeanie has taken at least one verse from every one of the 150 chapters of Psalms to write a daily meditation for thought Date with Destiny Devotional Joseph W.
