Psalms Reading And Studying The Of Praises:

Psalms W. H. Bellinger, 1990 Readers will find a great richness of scholarship here set out in vigorous and exciting language to make plain that the Psalter retains a powerful challenge for the present day Ronald E Clements King's College University of London **Old Testament Introduction** Mark Mangano, 2005 *A Hermeneutic of Curiosity and Readings of Psalm 61* W. H. Bellinger, 1995 **A Canonical Exegesis of the Eighth Psalm** Hubert James Keener, 2013-11-07 Since Brevard Childs first introduced it as a fresh approach in the late 1960s canonical exegesis has grown into a widely discussed and developed program virtually a school of biblical interpretation with many scholars carrying forward an approach to theological exegesis that emphasizes the role of canon as the central context for interpretation of the Christian Scriptures In this study Keener takes a twofold approach 1 he demonstrates that a canonical exegesis is tenable if the task is approached with clarity regarding its core theological foundation and 2 he applies the approach to the interpretation of the often thorny questions surrounding the understanding of Psalm 8 This is useful in that Psalm 8 touches upon several questions germane to the successful implementation of canonical exegesis due to the many intertextual connections it shares with the rest of the Bible Keener concludes that Psalm 8 in the Old Testament represents the intersection of two trajectories 1 the reversal motif in which YHWH maintains the created order through the exaltation of the weak and the humble and 2 the motif of the conflicted and conflicting human in which humans are shown as beset by trials often failing and even occupying the role of the enemies of YHWH A third trajectory becomes visible in the context of the New Testament that of the redeeming Christ this third trajectory intersects with the two Old Testament trajectories and makes possible the redemption of conflicted humanity giving the ultimate answer to the psalmist's question What is the human Psalms William H. Bellinger (Jr.), 1990 Bellinger has created an excellent primer for the Psalms I like his use of examples in each section and his references in each chapter to what has gone before Victor Matthews Professor of Religious Studies Southwest Missouri State University

Disciple IV Under the Tree of Life: Study Manual

Various, 2010-09-01. Participants in Disciple IV Under the Tree of Life will recognize the familiar rhythm and requirements of daily Scripture reading and note taking in preparation for the discussion in the weekly group meeting. The study manual guides daily study of the biblical text and calls for written responses that become grist for discussion in the weekly group meeting. Two new elements in the study manual format represent special emphases in this study: the Psalm of the week and the radical disciple. The Psalm of the week will lead people into a deeper life of prayer using Psalms as a guide. It is to be prayed aloud both daily and weekly in the study group session. Study manual suggestions on experiencing the Psalm of the week pay attention to feelings as well as words. The radical disciple focuses on thoughts or actions relevant to the weekly theme. Whether praying or taking steps toward radical discipleship, participants know they are not alone; the community is there. Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual research and study-related activities. Space is provided for taking notes while reading Scripture for recording thoughts and questions arising out of daily study and for notes during the weekly group session. The titles of the sessions along with theme words and theme verses and major persons, events, and topics will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. Disciple IV Under the Tree of Life is the final study in the four-phase DISCIPLE program. The study concentrates on Old Testament Writings, the Gospel of John, the Epistles of John, James, Jude, and finally Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads naturally to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion toward the climax of the message and the promise extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures. The word "under" in the title is meant to convey invitation, welcome, sheltering security, and rest home at last. Commitment and Time Involved: 32-week study, Three and one-half to four hours of independent study each week, 40 minutes daily for leaders and 30 minutes daily for group members in preparation for weekly group meetings. Attendance at weekly 2.5-hour meetings.
