

Praise the Lord!
Praise God in his sanctuary;
praise him in his mighty heavens!
Praise him for his mighty deeds;
praise him according to his excellent greatness!

Praise him with trumpet sound;
praise him with lute and harp!
Praise him with tambourine and dance;
praise him with strings and pipe!
Praise him with sounding cymbals;
praise him with loud clashing cymbals!
Let everything that has breath praise the Lord!
Praise the Lord!

Inspiration and Authority in the Middle Ages Brian FitzGerald, 2017-10-06 Inspiration and Authority in the Middle Ages rethinks the role of prophecy in the Middle Ages by examining how professional theologians responded to new assertions of divine inspiration Drawing on fresh archival research and detailed study of unpublished manuscript sources from the twelfth to fourteenth centuries this volume argues that the task of defining prophetic authority became a crucial intellectual and cultural enterprise as university trained theologians confronted prophetic claims from lay mystics radical Franciscans and other unprecedented visionaries In the process these theologians redescribed their own activities as prophetic by locating inspiration not in special predictions or ecstatic visions but in natural forms of understanding and in the daily work of ecclesiastical teaching and ministry Instead of containing the spread of prophetic privilege however scholastic assessments of prophecy from Peter Lombard and Thomas Aquinas to Peter John Olivi and Nicholas Trevet opened space for claims of divine insight to proliferate beyond the control of theologians By the turn of the fourteenth century secular Italian humanists could lay claim to prophetic authority on the basis of their intellectual powers and literary practices From Hugh of St Victor to Albertino Mussato reflections on and debates over

and of the literary marketplace alongside the continued circulation of poetry in manuscript. It places John Milton, Andrew Marvell, Margaret Cavendish and Katherine Philips and other mid-century poets into the full century of specifically literary development. It traces continuity and change, imitation and innovation in the full-century trajectory of such poetic genres as sonnet, elegy, satire, georgic, epigram, ode, devotional lyric and epic. The volume's attention to poetic form builds on the current upswing in historicist formalism, allowing a close focus on poetry as an intensely aesthetic and social literary mode. Designed for maximum classroom utility, the organization is both thematic and in the authors' section, chronological. After a comprehensive Introduction, organizational sections focus on Transitions, Materiality, Production and Circulation, Poetics and Form, Genres and Poets.

Inspiration Gerald O'Collins, 2018-06-21 *Inspiration: Towards a Christian Interpretation of Biblical Inspiration* anchors its study of inspiration firmly in the Scriptures and examines the inspired nature of the Bible and its inspiring impact. Gerald O'Collins begins by examining the classical view of inspiration expounded by Karl Barth and Raymond Collins. He takes up the inspired origin of the Old Testament where earlier books helped to inspire later books, before moving to the New Testament which throughout shows the inspiring impact of the inherited Scriptures both in direct citations and in many echoes. The work then investigates the Bible's inspiring influence on Christian worship, preaching, teaching, the visual arts, literature and life. After a chapter that clarifies the interrelationship between divine revelation, tradition and inspiration, two chapters expound ten characteristics of biblical inspiration with special emphasis on the inspiring quality of the Bible. O'Collins explains a major consequence of inspiration: biblical truth and the grounds on which the Church canonized the Scriptures. After spelling out three approaches to biblical interpretation, the authorial intention, the role of readers and the primacy of the text itself, the book ends by setting out ten principles for engaging theologically with the Scriptures. An epilogue highlights two achievements of the book: By carefully distinguishing inspiration from divine revelation and biblical truth, it can deliver readers from false problems. This work also underlines the inspiring effects of the Scriptures as part of the Holy Spirit's work of inspiration.
