

PSALM 24

A PSALM OF DAVID

1 THE EARTH IS THE LORD'S, AND
THE FULNESS THEREOF; THE WORLD,
AND THEY THAT DWELL THEREIN.

2 FOR HE HATH FOUNDED IT UPON
THE SEAS, AND ESTABLISHED IT UPON
THE FLOODS.

3 WHO SHALL ASCEND INTO THE
HILL OF THE LORD? OR WHO SHALL
STAND IN HIS HOLY PLACE?

4 HE THAT HATH CLEAN HANDS, AND
A PURE HEART; WHO HATH NOT LIFTED
UP HIS SOUL UNTO VANITY, NOR
SWORN DECEITFULLY.

5 HE SHALL RECEIVE THE BLESSING
FROM THE LORD, AND
RIGHTEOUSNESS FROM THE GOD
OF HIS SALVATION.

6 THIS IS THE GENERATION OF THEM
THAT SEEK HIM, THAT SEEK THY FACE,
O JACOB. SELAH.

7 LIFT UP YOUR HEADS, O YE GATES;
AND BE YE LIFT UP, YE EVERLASTING
DOORS; AND THE KING OF GLORY
SHALL COME IN.

8 WHO IS THIS KING OF GLORY? THE
LORD STRONG AND MIGHTY, THE
LORD MIGHTY IN BATTLE.

9 LIFT UP YOUR HEADS, O YE
GATES; EVEN LIFT THEM UP, YE
EVERLASTING DOORS; AND THE KING
OF GLORY SHALL COME IN.

10 WHO IS THIS KING OF GLORY?
THE LORD OF HOSTS, HE IS THE KING
OF GLORY. SELAH.

Psaume Psalm 24:

The Psalms of the Tamid Service Peter Trudinger, 2003-12-01 This volume studies the seven psalms that were performed at the fundamental daily ritual of the Jerusalem Temple in the late Second Temple period Psalms 24 48 82 94 81 93 92 It is the first comprehensive and detailed study of this richly relevant liturgical collection The work centers around a literary poetic analysis of the collection as a whole focussing on unifying features such as connections between psalms overall structure theme and plot A review of the Tamid service and exegetical studies of each psalm are included Three innovative sections illustrate the importance of the Tamid Psalms in Second Temple studies topics include the formation of the Psalter the structure of liturgical texts and the performance of Temple worship **Psaume 24** Lili Boulanger, 1924

Psalms 45-100 Abraham Kuruvilla, 2024-03-29 This three volume commentary on the Psalms engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the psalms in the Psalter to craft effective sermons It unpacks the crucial link between Scripture and application the theology of each preaching text psalm what the author is doing with what he is saying in each psalm is explored and explicated While the primary goal of the commentary is to take the preacher from text to theology it also provides a sermon outline for each of the preaching units in the Psalms The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching from the Psalter with an emphasis on application *The Psalms* Samuel L. Terrien, 2003 In this monumental work his most ambitious undertaking the late Samuel Terrien brings together a lifetime of scholarship on Psalms long the wellspring of Jewish spirituality as well as the main hymnal of the Christian church The book's insightful and clearly written introduction treats such subjects as the longevity and ecumenicity of the psalms their Near Eastern background the Hebrew text and ancient versions their music their strophic structure their literary genre their theology and their relation to the New Testament In the commentary itself Terrien freshly elucidates the theological significance of these collected poems by putting readers in touch with the formal versatility and religious passion of the psalmists themselves While Terrien always engages in scientific exegesis before drawing theological conclusions he is careful to allow full expression to the theological and especially the doxological voice of these unmatched spiritual songs The result is a commentary that provides a link between the archaic language of Psalms and the intellectual demands of modern thinking and spirituality Throughout his exposition Terrien shows great respect for the scribal testimony of the Jewish tradition especially the consonants of the Masoretic text He likewise displays great care in finding the most accurate meaning for Hebrew words of obscure origin This meticulous work renders a translation of Psalms more reliable than those of Terrien's predecessors He also draws on many fruitful gains of structural analysis in discerning the strophic divisions within the Hebrew text Often he finds unity of composition where earlier critics denied it And for readers interested in specific aspects of translation and interpretation Terrien has appended bibliographical lists of modern works on each psalm *The Psalms* Leopold Sabourin, 2010-10-01 The

psalms the prayers of the chosen people the prayers of the people of God have a spontaneity and timeless pertinence which is unique They are an integral part of Christian liturgies yet they pose difficulties for many who sense that they have sprung from a cultural milieu which is totally alien to our own This problem can only be solved by a careful study of their origins their literary structures their content and their intent A vast literature has grown up around the psalter But modern biblical discoveries research and scholarship have opened the way to a greater understanding and finer appreciation of the inspired prayers The author one of the leading exegetes of our time has produced a monumental and comprehensive work which reflects his vast research and erudite judgment The scholar and the biblical student will find this thorough treatment invaluable And educated men of all religions who share a common invaluable scriptural tradition should also find it essentially helpful and enlightening This many faceted work clearly illustrates that biblical scholarship knows no denominational boundaries The psalter is a bridge of prayer in this ecumenical age and readers will find the author's insights and analyses most helpful in making the psalms more vital in their lives and a more unifying bond in man's search for God in our time

The Politics of Musical Identity Annegret Fauser, 2017-07-05 This volume explores the way in which composers performers and critics shaped individual and collective identities in music from Europe and the United States from the 1860s to the 1950s Selected essays and articles engage with works and their reception by Richard Wagner Georges Bizet in an American incarnation Lili and Nadia Boulanger William Grant Still and Aaron Copland and with performers such as Wanda Landowska and even Marilyn Monroe Ranging in context from the opera house through the concert hall to the salon and from establishment cultures to counter cultural products the main focus is how music permits new ways of considering issues of nationality class race and gender These essays three presented for the first time in English translation reflect the work in both musical and cultural studies of a distinguished scholar whose international career spans the Atlantic and beyond

Recherches Textuelles Sur Les Psaumes Et Les Évangiles Christian Amphoux, James Keith Elliott, Bernard Outtier, 2011-12-09 Fifteen essays discuss aspects of the textual history of the Greek Coptic Georgian and Armenian Psalter and Gospels La comparaison des versions anciennes de la Bible ici des Psaumes et des vangiles met en évidence la richesse et la variété de la tradition manuscrite Voici un ventail de contributions sur ces versions

Psalms Erhard S. Gerstenberger, 2001 **Seeing and Hearing God with the Psalms** Raymond Jacques Tournay, 1991-07-01 This investigation into the prophetic dimension of the Psalms shows how the postexilic period and especially the world of the Chronicler around 300 BCE provide the main setting for the Psalms even royal psalms The Levitical singers of the Second Temple made up for the silence of the classical prophets an idealized David musician and prophet is depicted as leader of the cultic prophets and of the entire inspired community In this way theophanic descriptions and oracular material in the style of the classical prophets were developed and preserved through the Psalms

Weathering the Psalms Steve A. Wiggins, 2014-12-03
The weather is all around us all the time From ancient times people have attributed the weather to the work of the gods Ancient Israel shared this perception The book of Psalms reflects theologically significant views on the weather that have not until now been fully explored In this meteorological survey of the Psalms whimsically called meteorotheology every reference to the weather is translated in accordance with the known climate and weather of ancient Israel Each verse is discussed with particular attention to the function of the weather in the hymnal of ancient Israel This book will be a resource for translators clergy and scholars with an interest in how the weather impacted religious outlooks in ancient Israel Readers will learn that some expected associations such as thunder and lightning did not influence Israelite views on the natural world in the same way that they do today Yahweh was God of the weather and the Psalms frequently use this paradigm as a reason for both praise and fear of the Lord

Has Psalm 156 Been Found? James H. Charlesworth, 2018-10-08 Jews and most Christians know about only 150 Psalms of David they were collected in the Davidic Psalter of the Masoretic Hebrew Bible or Old Testament Since about 200 BCE the Greek translation of the Davidic Psalter contained 151 Psalms of David Thanks to research on the Qumran Psalms Scroll and the early Syriac Bible most scholars know about 155 Psalms of David and they were included in the well known Old Testament Pseudepigrapha as Non Masoretic Psalms Virtually unknown to biblical scholars is Psalm 156 It is preserved in a medieval copy found in the Cairo Genizah as are other major early Jewish compositions notably the Damascus Document and the Testament of Levi Psalm 156 is extensive and almost as long as Psalm 119 It preserves visions attributed to David The work opens new windows for looking into the creative world of Second Temple Judaism

Portraits of the Righteous in the Psalms Daniel C. Owens, 2013-08-23 What have the Psalms to do with ethics Readers prize the Psalter for its richly theological prayers but into these prayers are woven a variety of ethical issues This book explores the ethics of the Psalter by examining the four portraits of the righteous person that punctuate Book I It begins by studying these psalms as individual compositions and then employs both the canonical approach and dialogic criticism to identify the complex relationship between the portraits vision of the righteous life and its outcome Does the righteous person enjoy security and the good life The answer may be surprising but joining the psalmist on the rocky path of the interface of faith and experience is certain to prove a formative experience

Nadia and Lili Boulanger Caroline Potter, 2016-04-29 Pioneers in their fields and two of the best known women in music in the twentieth century Nadia and Lili Boulanger have previously been considered in isolation from one another Yet as Caroline Potter's new book demonstrates their careers were closely linked during Lili Boulanger's short life 1893-1918 and there are several intriguing connections between their musical works This biography also provides the first full analysis of the Boulanger sisters' musical styles placing them within the context of French musical history Their lives are also a case study in the issues of gender which surround music making even to the present day Despite an unusually privileged upbringing Nadia and Lili Boulanger exemplify the struggle women experienced when attempting to enter the professional music world Lili became the first woman to win the Prix de Rome in 1913 and Nadia gained second place in 1908 Yet in spite of this initial success Nadia Boulanger was to give up composing in her thirties and devoted the remainder of her long life to

teaching Her pupils included several of the great composers of the century including Aaron Copland and Elliott Carter This book focusing on their musical careers is essential reading for anyone interested in French music of the twentieth century
