**Mirela Tushe**

**2024**

## **Abstract**

This paper explores the multifaceted challenges faced in psychiatric nursing care for children and adolescents today. It discusses prevalent mental health issues, including anxiety, depression, and behavioral disorders, and examines the critical roles played by psychiatric nurses, parents, and other stakeholders. The paper highlights the importance of a collaborative approach to address these challenges and improve mental health outcomes. Key strategies for effective psychiatric care and interdisciplinary collaboration are also discussed. Case studies are included to illustrate practical applications of these concepts.
