Psychic Diaries Connecting With Who You Are Why You're Here And What Lies Beyond:

Suicide Jon Klimo, Pamela Rae Heath, 2006-06-12 This provocative study explores what happens to those who commit suicide Drawing on communications from the spirits of more than 100 successful suicides it offers an intriguing look at what the dead themselves say about suicide its repercussions and their experiences in the afterlife Bringing together the channeled messages of three types of suicide traditional suicide assisted suicide and the suicide mass murder adopted by terrorists the book covers a wide range of topics including why people commit suicide what it is like to cross over adjustment problems what suicides would say to those left behind and what they would tell others thinking of taking their own lives Additionally the book conveys powerful messages from suicide bombers warning potential terrorists of the serious karmic consequences that await them For anyone contemplating suicide or euthanasia the book offers profound sometimes unsettling insight into the ramifications of these acts

Suddenly Psychic Maureen Caudill, 2006-11-03 As she bent a metal spoon with her mind computer scientist Maureen Caudill knew she was witnessing a total violation of the laws of physics and that her understanding of reality would never be the same Letting go of the ultra rational skeptical perspective she had maintained over a twenty year scientific career Caudill joined the 50% of Americans who report having had psychic experiences National Science Foundation 2000 and began a firsthand exploration of phenomena like clairvoyance remote viewing out of body experiences channeling and mediumship In Suddenly Psychic she shares her new conviction that paranormal abilities are a normal part of human consciousness and anyone can learn them using her scientific background to validate and explain her experiences Combining vivid descriptions of altered states of consciousness with an in depth look at cutting edge scientific theories that are consistent with these phenomena Suddenly Psychic is a reader friendly bridge between the mysteries of the mind and hard science that speaks to skeptics and believers alike Caudill's compelling journey offers convincing evidence for the legitimacy of psychic phenomena and will inspire you to see for yourself what's possible

Handbook to the Afterlife Pamela Rae Heath, Jon Klimo, 2011-07-05 Two seasoned experts with decades of experience working with channeled material describe the various stages of life after death Just as life itself has different stages of growth and development so does the afterlife In this useful handbook authors Pamela Rae and Jon Klimo demonstrate how dying and rebirth are much like life continuous processes Beginning with the moment of death itself progressing through different transitional stages and ending with the return of spirits to the physical plane they define the purposes and pitfalls of each stage They look at the kinds of adjustment problems that occur in each phase and how spirits can be helped to move forward Questions of pain and emotional state at the time of death karma and reincarnation are sensitively addressed The book includes practical techniques for opening communication with those who have passed on to the other side While of interest to anyone seeking a general overview of the subject Handbook to the Afterlife is particularly useful for those dealing with spirits who have not moved on such as ghosts
