Psychic Healer:

THE SCIENCE OF PSYCHIC HEALING William Walker Atkinson, Yogi Ramacharaka, 2017-07-06 This book is intended to be a practical presentation of the various forms of Psychic Healing Very little about theory although giving a general outline of the underlying theories that the healer may understand the nature of the work he is doing and have tried to make the book tell how to do the work In introducing the subject we wish to say that we have not tried to make a religion of Psychic Healing for this seems a folly to us We do not see why Psychic Healing should be made into a religion any more than should Drug Healing Massage Osteopathy or any other form of healing All true healing results from an application of perfectly natural laws and the power employed is as much a natural law as is electricity For that matter all natural laws are of divine religion and are equally worthy of respect and reverence William Walker Atkinson Yogi Ramacharaka 1862 1932 was a prolific writer His works treat themes related to the mental world occultism divination psychic reality and mankind s nature They constitute a basis for what Atkinson called New Psychology or New Thought *Psychic Healing* John Weldon, Zola Levitt, 2013-02-13 You might expect this book to ridicule the whole idea of psychic healing surgery without anesthesia instantly closed wounds and other bizarre phenomena relating to this occult science Rather than labeling psychic healing quackery or trickery or cheap magic the authors verify the fact that psychic healing is very real and the ramifications are horrifying Normal people cannot heal psychically Only occultists can In genuine psychic healing demonic energy is employed Eyewitness accounts of weird operations dematerializing flesh and other mind boggling evidences abound in this text More than just one of the strangest and most disturbing books you may ever read this is a carefully researched heavily documented expos of an alarming otherworld practice *The Psychic Healing Phenomenon in the Philippines and in Other Countries* Ernesto A.
