Psychic Phenomena Of Jamaica:

Psychic Phenomena of Jamaica Williams (S.J.),1934 **Psychio phenomena of Jamaica** Joseph John Williams, 1979 Psychic Phenomena of Jamaica Joseph J Williams, 2025-06-11 Psychic Phenomena of Jamaica by Joseph J Williams offers a detailed exploration of the cultural significance of psychic and supernatural phenomena in Jamaican society Phenomena of Jamaica Joseph Williams, 2019-10-04 The author spent time in Jamaica and gathered together the material for this book from unique sources such as contemporary newspapers legal archives and early accounts Chapters include Ashanti cultural influence in Jamaica Jamaican witchcraft applied magic ghosts poltergeists and funeral customs **Phenomena of Jamaica - Scholar's Choice Edition** Joseph J. Williams, 2015-02-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Religion and Society in Post-emancipation Iamaica Robert J. Stewart, 1992 What role did religion or the agents of religion both European and Afro Jamaican play in the conflicts that characterized the formation of a creole society in Jamaica after emancipation Beginning from this question Robert J Stewart has produced the most comprehensive available treatment of the religious social and cultural history of nineteenth century Jamaica This remarkable volume explores the interaction of two Christianities one European and the other African based It examines the organization presence politics and mission philosophy of the major Christian denominations as well as the creative responses of Afro Jamaicans to evangelization The ideological theological and racial assumptions embraced by the various denominations and missionaries prevented them from valuing Africanisms in the religious and cultural heritage of Afro Jamaicans and with Baptist exceptions from identifying with the latter's aspirations and social problems In consequence Afro Jamaican religion became a source of identity and resistance against European cultural hegemony in Jamaica Drawing on rich troves of documents unavailable in the United States Stewart develops major new accounts of the processes of syncretism and creolization His grasp of European intellectual history and deft critiques of prior scholarship add to the importance of this work An excellent raconteur the author also presents a vivid portrait gallery of both missionaries and Afro Jamaicans during this crucial period in the island s history Dictionary of Jamaican English Frederic G. Cassidy, Robert

Brock Le Page, 2002 Originally published by Cambridge University Press in 1967 and then revised as a second edition in 1980 this classic study has never before been available in a paperback edition This method and plan of the dictionary are basically those of the Oxford English Dictionary but oral sources have been extensively tapped in addition to detailed coverage of literature published in or about Jamaica since 1655 The dictionary is a mine of information about the Caribbean and its dialects about the history of English and its dialects and about Creole languages and general linguistic processes Entries give the pronunciation part of speech and usage labels spelling variants etymologies and dated citations as well as definitions Systematic indexing indicates the extent to which the lexis is shared with other Caribbean countries Suriname Guyana Trinidad Barbados Nicaragua and Belize Jamaica Genesis Diane J. Austin-Broos, 2012-06-12 How has Pentecostalism a decidedly American form of Christian revivalism managed to achieve such phenomenal religious ascendancy in a former British colony among people of predominately African descent According to Diane J Austin Broos Pentecostalism has flourished because it successfully mediates between two historically central yet often oppositional themes in Jamaican religious life the characteristically African striving for personal freedom and happiness and the Protestant struggle for atonement and salvation through rigorous ethical piety With its emphasis on the individual experience of grace and on the ritual efficacy of spiritual healing and with its vibrantly expressive worship Jamaican Pentecostalism has become a powerful and compelling vehicle for the negotiation of such fundamental issues as gender sexuality race and class Jamaica Genesis is a work of signal importance to all those concerned not simply with Caribbean studies but with the ongoing transformation of Jamaica in Slavery and Freedom Kathleen E. A. Monteith, Glen Richards, 2002 Jamaica s rich religion and culture history has been the subject of many books articles and papers This collection of eighteen original essays considers aspects of Jamaican history not covered in more general histories of the island and illuminates more recent developments in Jamaican and West Indian history Unique in its interdisciplinary approach the collection emphasizes the relevance of history to everyday life and the development of a national identity culture and economy. The essays are organized in three sections Historiography and Sources Society Culture and Heritage and Economy Labour and Politics with contributions from scholars in the Departments of History Literatures in English and Political Sciences and from the Main Library University of the West Indies Mona Jamaica Book Jacket The Sociology of Slavery Orlando Patterson, 2022-04-27 Orlando Patterson s classic study of slavery in Jamaica reveals slavery for what it was a highly repressive and destructive system of human exploitation which disregarded and distorted almost all of the basic prerequisites of normal social life What distinguishes Patterson s account is his detailed description of the lives and culture of slaves under this repressive regime He analyses the conditions of slave life and work on the plantations the psychological life of slaves and the patterns and meanings of life and death He shows that the real life situation of slaves and enslavers involved a complete breakdown of all major social institutions including the family gender relations religion trust and morality And yet despite the repressiveness and protracted genocide

of the regime slaves maintained some space of their own and their forced adjustment to white norms did not mean that they accepted them Slave culture was characterized by a persistent sense of resentment and injustice which underpinned the day to day resistance and large scale rebellions that were a constant feature of slave society the last and greatest of which partly accounts for its abolition This second edition includes a new introduction by Orlando Patterson which explains the origins of the book appraises subsequent works on Jamaican slavery and reflects on its enduring relevance Widely recognized as a foundational work on the social institution of slavery this book is an essential text for anyone interested in the role of slavery **Undercurrents of Power** Kevin in shaping the modern world Jamaica Great Britain. Colonial Office, 1963 Dawson, 2021-05-07 Kevin Dawson considers how enslaved Africans carried aquatic skills swimming diving boat making even surfing to the Americas Undercurrents of Power not only chronicles the experiences of enslaved maritime workers but also traverses the waters of the Atlantic repeatedly to trace and untangle cultural and social traditions **People (Volume 1)** Indiana Robinson, 2017-07-17 People Volume 1 Jamaican topics covered in the book include our slave fore fathers our national heroes our political and religious leaders our educators our youths our nurses and doctors our lawyers our journalists and authors our beauty queens our talented athletes our vendors and our Jamericans and JAGlobians Naturally our multi talented brothers and sisters are saluted including those still here and those who have since departed to the great beyond So dear readers enjoy the mind triggers and heart wrenching diggers you will find in this book honouring the 55th year of celebrating Jamaica's independence and the tantalizing trip down memory lane with this unofficial reference resource guide by your side Narratives of Obeah in West Indian Literature Janelle Rodrigues, 2019-04-05 This book explores representations of Obeah a name used in the English Creole speaking Caribbean to describe various African derived syncretic Caribbean religious practices across a range of prose fictions published in the twentieth century by West Indian authors In the Caribbean and its diasporas Obeah often manifests in the casting of spells the administration of baths and potions of various oils herbs roots and powders and sometimes spirit possession for the purposes of protection revenge health and well being In most Caribbean territories the practice and practices that may resemble it remains illegal Narratives of Obeah in West Indian Literature analyses fiction that employs Obeah as a marker of the Black folk aesthetics that are now constitutive of West Indian literary and cultural production either in resistance to colonial ideology or in service of the same These texts foreground Obeah as a social and cultural logic both integral to and troublesome within the creation of such a thing as West Indian literature and culture at once a product of and a foil to Caribbean plantation societies This book explores the presentation of Obeah as an unruly narrative subject one that not only subverts but signifies a lasting Afro folk sensibility within colonial and postcolonial writing of the West Indies Narratives of Obeah in West Indian Literature will be of interest to scholars and students of Caribbean Literature Diaspora Studies and African and Caribbean religious studies it will also contribute to dialogues of spirituality in the wider Black Atlantic Obeah and Other Powers Diana Paton, Maarit

Forde, 2012-04-13 This collection looks at Caribbean religious history from the late 18th century to the present including obeah vodou santeria candomble and brujeria The contributors examine how these religions have been affected by many forces including colonialism law race gender class state power media representation and the academy Social Life in the Caribbean, 1838-1938 Bridget Brereton, 1985 Provides a clear and readable account of a formative period in the history of the region The text is divided into two halves the first half looks at the structure of society and covers issues of race class and wealth while the second half looks at four particular aspects of community life religion the family education and festivals Rastafari Barry Chevannes, 2015-02-25 The first comprehensive work on the origins of the Jamaica based Rastafaris including interviews with some of the earliest members of the movement Rastafari is a valuable work with a rich historical and ethnographic approach that seeks to correct several misconceptions in existing literature the true origin of dreadlocks for instance It will interest religion scholars historians scholars of Black studies and a general audience interested in the movement and how Rastafarians settled in other countries Obi William Earle, 2005-07-27 Three Fingered Jack the protagonist of this 1800 novel is based on the escaped slave and Jamaican folk hero Jack Mansong who was believed to have gained his strength from the Afro Caribbean religion of obeah or obi His story told in an inventive mix of styles is a rousing and sympathetic account of an individual s attempt to combat slavery while defending family honour Historically significant for its portrayal of a slave rebellion and of the practice of obeah Obi is also a fast paced and lively novel blending religion politics and romance This Broadview edition includes a critical introduction and a selection of contemporary documents including historical and literary treatments of obeah and accounts of an eighteenth century slave rebellion Passages and Afterworlds Maarit Forde, Yanique Hume, 2018-11-15 The contributors to Passages and Afterworlds explore death and its rituals across the Caribbean drawing on ethnographic theories shaped by a deep understanding of the region s long history of violent encounters exploitation and cultural diversity Examining the relationship between living bodies and the spirits of the dead the contributors investigate the changes in cosmologies and rituals in the cultural sphere of death in relation to political developments state violence legislation policing and identity politics Contributors address topics that range from the ever evolving role of divinized spirits in Haiti and the contemporary mortuary practice of Indo Trinidadians to funerary ceremonies in rural Jamaica and ancestor cults in Maroon culture in Suriname Questions of alterity difference and hierarchy underlie these discussions of how racial cultural and class differences have been deployed in ritual practice and how such rituals have been governed in the colonial and postcolonial Caribbean Contributors Donald Cosentino Maarit Forde Yanique Hume Paul Christopher Johnson Aisha Khan Keith E McNeal George Mentore Richard Price Karen Richman Ineke Wilhelmina van Wetering Bonno H U E Thoden van Velzen "Toubab La!" Literary Representations of Mixed-Race Characters in the African Diaspora Ginette Curry, 2009-05-05 The book is an examination of mixed race characters from writers in the United States The French and British Caribbean islands Martinique Guadeloupe St Lucia and Jamaica Europe France and England

and Africa Burkina Faso South Africa Botswana and Senegal The objective of this study is to capture a realistic view of the literature of the African diaspora as it pertains to biracial and multiracial people For example the expression Toubab La as used in the title is from the Wolof ethnic group in Senegal West Africa It means This is a white person or This is a black person who looks or acts white It is used as a metaphor to illustrate multiethnic people's plight in many areas of the African diaspora and how it has evolved The analysis addresses the different ways multiracial characters look at the world and how the world looks at them These characters experience historical economic sociological and emotional realities in various environments from either white or black people Their lineage as both white and black determines a new self making them constantly search for their identity Each section of the manuscript provides an in depth analysis of specific authors novels that is a window into their true experiences The first section is a study of mixed race characters in three acclaimed contemporary novels from the United States James McBride's The Color of Water 1996 Danzy Senna's Caucasia 1998 and Rebecca Walker's Black White and Jewish 2001 reveal the conflicting dynamics of being biracial in today's American society The second section is an examination of mixed race characters in the following French Caribbean novels Mayotte Cap cia s I Am a Martinican Woman 1948 Mich le Lacrosil s Cajou 1961 and Ravines du Devant Jour 1993 by Rapha l Confiant Section three is about their literary representations in Derek Walcott's What the Twilight Says 1970 Another life 1973 Dream on Monkey Mountain 1967 and Michelle Cliff's Abeng 1995 from the British Caribbean islands Section four is an in depth analysis of their plight in novels written by contemporary mulatto writers from Europe such as Marie N Diaye s Among Family 1997 Zadie Smith s White Teeth 2000 and Bernardine Evaristo s Lara 1997 Finally the last section of the book is a study of novels from West African and South African writers The analysis of Monigue Ilboudo s Le Mal de Peau 2001 Bessie Head's A Woman Alone Autobiographical Writings 1990 and Abdoulaye Sadji's Nini Mul tresse du S n gal 1947 concludes this literary journey that takes the readers through several continents at different points in time Overall this comprehensive study of mixed race characters in the literature of the African diaspora reveals not only the old but also the new ways they decline contest and refuse racial clich's Likewise the book unveils how these characters resist create reappropriate and revise fixed forms of identity in the African diaspora of the 20th and 21st century Most importantly it is also an examination of how the authors themselves deal with the complex reality of a multiracial identity

Embracing the Track of Phrase: An Mental Symphony within Psychic Phenomena Of Jamaica

In a global used by displays and the ceaseless chatter of fast interaction, the melodic beauty and mental symphony created by the prepared word frequently diminish into the backdrop, eclipsed by the persistent sound and distractions that permeate our lives. Nevertheless, located within the pages of **Psychic Phenomena Of Jamaica** a stunning literary treasure full of raw feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, this interesting masterpiece conducts readers on a mental journey, skillfully unraveling the concealed tunes and profound impact resonating within each cautiously crafted phrase. Within the depths of this touching evaluation, we can explore the book is key harmonies, analyze their enthralling publishing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
