Ames, 2023-06-09 Most people wouldn t consider having a two way conversation with God Even Christians think only special people prophets maybe can hear from God But what if this is not true What if anyone can And if you asked God questions what would He say Several years ago Barry embarked on a faith journey to do just that to ask God questions listen for the answers and journal this experience In Real Questions for a Real God Barry shares selected common questions he asked God and the answers he received by faith Barry encourages you to join him and go to the next

level in your relationship with God through Christ. This book is not just for the answers to these questions but rather to connect you to God in ways you never imagined possible. With God, all things are possible. *Is God Real?* Lee Strobel, 2023-10-31. Lee Strobel, former atheist and legal editor of the Chicago Tribune, weaves together the latest evidence from a range of brilliant scientific and philosophical minds to answer the most consequential question of all time: Is God real? More than two hundred times a second around the world, questions about God's existence are being typed into search engines. Google alone provides nearly 4 million results to that single question. The topic of the existence of a Creator has enormous implications on our lives, including whether or not we have free will, if there's any such thing as an afterlife, and whether or not there's any basis for human morality. In *Is God Real*, Lee Strobel, author of the New York Times bestselling book *The Case for Christ*, pulls together material from his previous books to create this updated rational exploration of the proof of God's existence and the basis of our hope. Writing to skeptics, believers, and anyone who's ever gone through or is going through periods of doubt and disillusionment, Lee turns his critical mind and expert interview skills to perennial questions such as: If God is real, why is there so much suffering? How do we know which God is real? If God is real, why does he seem so hidden? How do recent scientific findings support the claim that God is real? If God is real, what difference does it make? *Is God Real* is a life-changing exploration of the inquiry at the center of our being. *The Question of God's Perfection* Yoram Hazony, Dru Johnson, 2018-11-26. Philosophers have often described theism as the belief in the existence of a perfect being, a being that is said to possess all possible perfections so that it is all-powerful, all-knowing, immutable, perfectly good, perfectly simple, and necessarily existent among other qualities. But such a theology is difficult to reconcile with the God we find in the Bible and Talmud. *The Question of God's Perfection* brings together leading scholars from the Jewish and Christian traditions to critically examine the theology of perfect being in light of the Hebrew Bible and classical rabbinic sources. Contributors are James A. Diamond, Lenn E. Goodman, Edward C. Halper, Yoram Hazony, Dru Johnson, Brian Leftow, Berel Dov Lerner, Alan L. Mittleman, Heather C. O'Hanlon, Randy Ramal, Eleonore Stump, Alex Sztuden, and Joshua I. Weinstein.

Questions God Asks Us Trevor Hudson, 2020-03-01. Transformation comes from questions, not answers. We often look to the Bible as the book of answers. How often, though, do we consider the challenging questions God asks? Hudson notes that Jesus was asked 183 questions in the Gospels but directly only answered three. The Creator is teaching us as we teach children when they struggle with schoolwork: You learn more by doing than being fed an absolute answer. In *Questions God Asks Us*, we're encouraged to focus on the quest rather than a resolution. Such an approach leads to deeper dialogue and intimacy with the divine. This is a critical turning point in our journey with God, as it was for the author. I thought the Bible existed to give me solutions to my everyday concerns and dilemmas, writes Hudson. Then I realized I might be approaching God and the Bible from the wrong direction. It was as if God said to me, Trevor, rather than you always asking questions of me, start listening to the questions I have for you. Each of 10 questions Hudson excerpts from the Old and New Testaments serves

as a starting point for genuine conversation with the Creator He assures We re not starting the conversation with God from scratch God has already begun it We just need to plug into the conversation that is already going on Questions God Asks Us offers a fresh approach for personal devotions and a unique discussion tool for small group Bible studies It s sure to bless anyone longing for a meaningful growing relationship with God
