Girls from da Hood 14 Treasure Hernandez, Ms. Michel Moore, 2022-05-24 Two Essence bestselling Urban Books authors have teamed up to bring the Motor City drama in this latest installment of the popular Girls from da Hood Series All the Way In by Treasure Hernandez Born into the struggle Sonya and Melody are far from living the good life

They're missing meals, have no clean clothes to put on their backs and are forced to sleep in abandoned houses. There are zero possibilities in sight for a legal come-up for either young woman. The desperate teens have no choice but to beg, borrow, and steal if they hope to survive on the savage streets of Detroit. In a twist of fate, the pair link up, adapting a bloodthirsty anything-goes, what's yours is mine attitude that they inflict upon all with whom they come in contact. Sonya and Melody are made of no sugar, no spice, and definitely nothing nice. Escaping a Thug's Love by Ms. Michel Moore. The Dexter Linwood Area is one of the most notorious neighborhoods in Detroit. Sable and Mike Mike were both born into that pure madness. When they fall in love, the young couple soon becomes DLA royalty and they embrace all the chaos that comes along with it. Whenever he rocks, she rolls. If she hustles, he grinds. Their gangsta lifestyle is picture perfect until Mike Mike starts popping pills and getting high on the regular. Soon bills are not getting paid, vehicles are being repossessed, and shutoff notices become the norm. The last straw is when Sable's jewelry mysteriously comes up missing. Now the hood princess wants out of their toxic relationship. Will Mike Mike let her go? **Ghetto Girls Rule in Marseille** Toni B. Lane, 2018-06-15. THE GHETTO GIRLS have somehow won a free trip to Marsay, France, to perform our play *Ghetto Girls Rule*. Rose couldn't come because she is too little. So it was me and my other sister Evelyn. Our mama said we could go if Robin Ann took responsibility for us. And since our mama hardly ever home, she wouldn't miss us anyway. Robin Ann said it would be a good chance to get away from her brothers and house responsibilities and them girls up the way. When a senseless shooting ends the life of a dear friend in front of their very eyes, the Ghetto Girls struggle to come to terms with the grief and fear that remains. They need to get away from it all by any means necessary, so when the opportunity to go on an all-expenses-paid trip to Marseilles, France, comes about, the choice is simple for the twelve friends. And if the invitation wasn't exactly intended for them, well, no one need be the wiser. None of them: not gum-poppin' tough talkin' Beretta, not aspiring lawyer Deen, not even Leona with her fur coat and smattering of French, are prepared for what lies ahead. Will the young and hopeful Ghetto Girls return home triumphant, or will everything just continue to fall apart? By turns funny, tense, and deeply moving, this novel's grounding in Black inner-city teen culture rings all the more true when the girls find themselves in the strange and picturesque French city where they will have to depend on each other if they are to survive the adventure of a lifetime. *Healing Men's Pain Curriculum, Facilitator's Guide* Dan Griffin, Jonathan De Carlo, 2024-09-10. catalog of tangible lessons in bolstering the self and silencing the curse of the Good Girl At the core of Simmons's radical argument is her belief that the most critical freedom we can win for our daughters is the liberty not only to listen to their inner voice but also to act on it

The Starry-Eyed Cave Girl Vertis Nephew, 2009-08-21 Sometimes the journey can be all about the trip For Vanessa simply finding her way across town to school was more of a learning experience than she ever imagined Sometimes not

always being so sure about where you fit in can be frustrating especially when you don't have anyone to turn to. But everyday people that make our lives unique can often be overlooked and underappreciated. Vanessa's journey is a simple one that we all take every day. Whether we really understand the relationships with our own family or if we're curious about the guy sitting next to us on the bus or the girl in class, sometimes the journey is all about the way we see the world. Most children are believed to have their own set of beliefs and principles influenced by their parents, but their life experiences are the ones that will eventually shape their character and world views. Readers will witness the simple but lesson-filled saga of one family through the *Starry Eyed Cave Girl*, a book by Vertis Nephew. The *Starry Eyed Cave Girl* introduces readers to Juan Guzman and his family as they struggle to beat the odds of life and learn from their experiences. It explores the lives of each of the members of the Guzman household and highlights their unusual encounters and learning. The story focuses on Vanessa Guzman, Juan's only daughter, who goes to a magnet school across town. Traveling to school for almost two hours every day, Vanessa is exposed to a broad new world both on her journey and her scholastic activities. An enlightening story for the whole family, the *Starry Eyed Cave Girl* is a reflective read that not only infuses positive values but also shows how new experiences almost always change the way one feels about himself and the people around him. It explains how parents' examples greatly affect their children's judgment as they immerse into the lives of each of the characters. Readers will learn the importance of understanding one's family, appreciating others, and building hope and confidence within themselves as they follow this reality-based story. It further proves that self-discovery can be a long journey that starts and ends at home.

Not Your Mother's Rules Ellen Fein, Sherrie Schneider, 2013-01-08. The authors behind the ubiquitous dating bible that launched a worldwide movement are back accompanied by their daughters with brand new advice updated for the modern era. How long should I wait to respond to his text message? Can I friend him on Facebook? Why did he ask for my number but never call me? When *The Rules* was published in 1995, its message was straightforward: be mysterious. But for women looking for love today, it's not quite so simple. In a world of instant messaging, location check-ins, and status updates where hook-ups have become the norm and formal one-on-one dates seem a thing of the past, it's difficult to retain the air of mystery that keeps men interested. Now with help from their daughters, the original *Rules Girls*, Ellen Fein and Sherrie Schneider share their thoroughly modern, fresh take on dating that will help women in today's information age create the happy love lives they want and deserve. Whether you're a 20-something dating for the first time, a 30-something tired of being single, a 40-something giving advice to your daughter, or a 50-something getting back in the dating game, this book has the answers you've been waiting for. *The Rules* include: Stay Away from his Facebook Profile, Make Yourself Invisible, and Other Ways to Get Out of Instant Messaging; Stop Dating a Guy Who Cancels More than Once; Text Back Times Chart; Don't Just Hang Out or See Him 24/7; TTYL; Always End Everything First; Get Out of There. And much, much more. Providing the dos and don'ts you need to stop making mistakes and start finding romance, *Not Your Mother's Rules* will revolutionize dating today just as *The Rules* did nearly 20 years ago.
