canonical works of writers from Henry Adams and William James to Sinclair Lewis Nathanael West and William Faulkner The strategies of impassioned theorists and hands on practitioners affected the kinds of narratives produced in the controversy over the pros and cons of the management culture they bear an eerie resemblance to the means by which we today storytellers all keep trying to make sense of our own chaotic times This interdisciplinary work charts the development of a managerial culture from its start in the steel mills of Pennsylvania through its spread across the American experience in an interlocking series of social systems and everyday practices Banta scrutinizes narrative strategies employed by inscribers as diverse as Josephine Goldmark Theodore Roosevelt Charlotte Perkins Gilman Anzia Yezierska Richard Harding Davis Booker T Washington and Theodore Dreiser by Taylor himself as well as Veblen and Ford by women who toiled on the factory floor by writers of dream copy for ready made houses and by Buster Keaton in his silent treatment of the dysfunctional honeymoon home With its historical scope and its provocative readings of assorted narratives this richly illustrated book offers a complex and disturbing picture of a period as well as invaluable insights into the way theory making continually makes and breaks cultures A remarkable work Taylored Lives confirms Martha Banta's place as one of our leading cultural and literary critics

Real Soldiers Of Fortune Richard Harding Davis, 2020-05-22 Harden Hickey in our day was as incongruous a figure as was the American at the Court of King Arthur he was as unhappily out of the picture as would be Cyrano de Bergerac on the floor of the Board of Trade Judged as at the time he was judged by writers of comic paragraphs by presidents of railroads by amateur statesmen at Washington Harden Hickey was a joke To the vacant mind of the village idiot Rip Van Winkle returning to Falling Water also was a joke The people of our day had not the time to understand Harden Hickey they thought him a charlatan half a dangerous adventurer and half a fool and Harden Hickey certainly did not understand them His last words addressed to his wife showed this They were I would rather die a gentleman than live a blackguard like your father

Agent of Empire Brady Harrison, 2004 At the heart of our ongoing interest in Walker says Harrison is the need to understand the ever shifting ambitions and arguments that have driven American economic military and paramilitary ventures around the globe for the past 150 years *A Secret Order* H. Albarelli, Jr., 2013-04-01 Reporting new and never before published information about the assassination of John F Kennedy this investigation dives straight into the deep end and seeks to prove the CIA's involvement in one of the most controversial topics in American history Featuring intelligence gathered from CIA agents who reported their involvement in the assassination the case is broken wide open while covering unexplored ground Gritty details about the assassination are interlaced throughout while primary and secondary players to the murder are revealed in the in depth analysis Although a tremendous amount has been written in the nearly five decades since the assassination there has never been until now a publication to explore the aspects of the case that seemed to defy explanation or logic
