**Dennis C. Washburn**

## **Reality And Fiction In Modern Japanese Literature:**

*Revival: Reality and Fiction in Modern Japanese Literature* (1980) Noriko Mizuta Lippit, 2017-07-28 This title was first published in 1980 In twentieth century Japanese literature the opposition and interaction of realism and romanticism on the level of literary concepts and of Marxism and aestheticism including in part modernism on the level of literary ideology supplies a most vital basis for writers searching for new methods of literary expression fostering debates among the writers and creating the setting for active experimentation with style form and language This study is a result of an extended stay in the United States by the author who turned increasingly toward questioning and evaluating my own relation to Japan s literary heritage For Japanese who have witnessed at least intellectually the violent attraction to and rejection of foreign cultures of many of their predecessors in the Meiji Taisho and Showa eras and their final often sentimental and abstract glorification of the Japanese cultural heritage nihon kaiki return to Japan still presents enormously complex intellectual as well as emotional problems

**The Columbia Anthology of Modern Japanese Literature** J. Thomas Rimer, 2007-04-24 In Volume 2 of Columbia s comprehensive anthology of modern Japanese literature thoughtfully selected and carefully translated readings portray the vast changes that have transformed Japanese culture since the end of the Pacific War Beginning with the Allied Occupation in 1945 and concluding with the early twenty first century these stories poems plays and essays reflect Japan s heady transition from poverty to prosperity its struggle with conflicting ideologies and political beliefs and the growing influence of popular culture on the country s artistic and intellectual traditions Organized chronologically and by genre within each period readings include fiction by Hayashi Fumiko and Oe Kenzaburo poems by Ayukawa Nobuo Katsura Nobuko and Saito Fumi plays by Mishima Yukio and Shimizu Kunio and a number of essays among them Eto Jun on Natsume Soseki and his brilliant novel *Kokoro* The Heart of Things and Kawabata Yasunari on the shape of his literary career and the enduring influence of classical Japanese literature Some authors train a keen eye on the contemporary world while others address the historical past and its relationship to modern culture Some adopt an even broader scope and turn to European models for inspiration while others look inward exploring psychological and sexual terrain in new often daring ways Spanning almost six decades this anthology provides a thorough introduction to a profound period of creative activity

*Routledge Handbook of Modern Japanese Literature* Rachael Hutchinson, Leith Douglas Morton, 2016-06-03 The Routledge Handbook of Modern Japanese Literature provides a comprehensive overview of how we study Japanese literature today Rather than taking a purely chronological approach to the content the chapters survey the state of the field through a number of pressing issues and themes examining the ways in which it is possible to read modern Japanese literature and situate it in relation to critical theory The Handbook examines various modes of literary production such as fiction poetry and critical essays as distinct forms of expression that nonetheless are closely interrelated Attention is drawn to the idea of the bunjin as a person of letters and a more realistic assessment is provided of how writers have

engaged with ideas not labelled a novelist or poet but a writer who may at one time or another choose to write in various forms The book provides an overview of major authors and genres by situating them within broader themes that have defined the way writers have produced literature in modern Japan as well as how those works have been read and understood by different readers in different time periods The Routledge Handbook of Modern Japanese Literature draws from an international array of established experts in the field as well as promising young researchers It represents a wide variety of critical approaches giving the study a broad range of perspectives This handbook will be of interest to students and scholars of Asian Studies Literature Sociology Critical Theory and History

### **Teaching Postwar Japanese Fiction Alex**

Bates,2023-01-17 As Japan moved from the devastation of 1945 to the economic security that survived even the boom and bust of the 1980s and 1990s its literature came to embrace new subjects and styles and to reflect on the nation's changing relationship to other Asian countries and to the West This volume will help instructors introduce students to novels short stories and manga that confront postwar Japanese experiences including the suffering caused by the atomic bombings of Hiroshima and Nagasaki the echoes of Japan's colonialism and imperialism new ways of thinking about Japanese identity and about minorities such as the zainichi Koreans changes in family structures and environmental disasters Essays provide context for understanding the particularity of postwar Japanese literature its place in world literature and its connections to the Japanese past

### **Imagining Prostitution in Modern Japan, 1850-1913**

Ann Marie L. Davis,2019-03-13 In the winter of 1913 a small crowd gathered on the streets of a famous red light district on the outskirts of Tokyo Curious patrons journalists and onlookers formed a steady procession to see the prostitute Wada Yoshiko and celebrate the release of her new book A Prostitute's Tale divulged inner secrets about her co-workers patrons and difficult confinement in a government-run syphilis hospital According to the press the author was a literary prostitute a new expert and a compelling version of Japan's new woman Soon widely acclaimed her literary work heralded a growing public desire for inside knowledge about the lived experiences of pleasure workers Wada's success was the product of more than half a century of high stakes conversations about the future of Japan Her fame as an author simultaneously challenged and complemented previous discussions about the role of the female prostitute in the modern nation-state However while her perspective was new the information she shared invoked key themes that had proliferated about her in prior decades Since the 1850s when Japan was forced to sign the unequal commercial treaties with the Western imperial powers wide-ranging debates had taken place that linked the prostitute to national security and international prestige in imperative new ways Imagining Prostitution in Modern Japan traces the symbol of the prostitute as a project of nation and empire building from the 1850s to 1913 ending one year after the death of the Meiji emperor and coincidentally the year of Wada's publication It untangles how ideas about pleasure work intersected with Japan's transformation into a modern nation according to Western models It asserts that the figure of the prostitute was a powerful symbolic resource that wide-ranging interest groups deployed variously to negotiate and define

shifting distinctions of status identity and power Each of the debates about the prostitute was in turn central to and mutually constitutive of the emergent social order in Meiji Japan *The Rise and Fall of Modern Japanese Literature* John Whittier Treat, 2018-04-03 The Rise and Fall of Modern Japanese Literature tells the story of Japanese literature from its start in the 1870s against the backdrop of a rapidly coalescing modern nation to the present John Whittier Treat takes up both canonical and forgotten works the non literary as well as the literary and pays special attention to the Japanese state's hand in shaping literature throughout the country's nineteenth century industrialization a half century of empire and war its post 1945 reconstruction and the challenges of the twenty first century to modern nationhood Beginning with journalistic accounts of female criminals in the aftermath of the Meiji civil war Treat moves on to explore how woman novelist Higuchi Ichiyo's stories engaged with modern liberal economics sex work and marriage credits Natsume Soseki's satire I Am a Cat with the triumph of print over orality in the early twentieth century and links narcissism in the visual arts with that of the Japanese I novel on the eve of the country's turn to militarism in the 1930s From imperialism to Americanization and the new media of television and manga from boogie woogie music to Yoshimoto Banana and Murakami Haruki Treat traces the stories Japanese audiences expected literature to tell and those they did not The book concludes with a classic of Japanese science fiction a description of present day crises writers face in a Japan hobbled by a changing economy and unprecedented natural and manmade catastrophes The Rise and Fall of Japanese Literature reinterprets the end of literature a phrase heard often in Japan as a clarion call to understand how literary culture worldwide now teeters on a historic precipice one at which Japan's writers may have arrived just a moment before the rest of us **Japanese History & Culture from Ancient to Modern**

**Times** John W. Dower, 1986 **Imaginary Worlds and Real Ethics in Japanese Fiction** Christopher Weinberger, 2024-01-25 Can novels contribute to the ethical lives of readers What responsibilities might they bear in representing others Are we ethically accountable for how we read fiction This study takes up modern Japanese fiction and metafiction subjects overwhelmingly ignored by Anglophone scholarship on novel ethics to discover pioneering answers to these and other questions Each chapter offers new readings of major works of modern Japanese literature 1880s through 1920s that experiment with the capacity of novel narration to involve readers in ethically freighted encounters Christopher Weinberger shows that Mori Ogai and Akutagawa Ryunosuke help to address key issues in new ethical theories today debates about the roles that identification and empathy play in novel ethics concerns about the representation of otherness and alterity in novels divergence between cognitive and affective theories of ethics widespread disagreement about what novel ethics obtain in the experience of reading the effects of reading or the form or content of novel representation and finally concerns with bias and appropriation in the study of world literature Concluding with a jump to the present Imaginary Worlds and Real Ethics in Japanese Fiction puts on display a startling continuity between the methods of Japan's modern novel progenitors and those of novelists at the forefront of global literature today especially Haruki Murakami Ultimately this

book models an original approach to ethical criticism while demonstrating the relevance of modern Japanese fiction for rethinking contemporary theories of the novel      *The Fantastic in Modern Japanese Literature* Susan Napier, 2005-07-22 An exploration of the dark side to Japanese literature and Japanese society A wide range of fantasists form the basis for a groundbreaking analysis of the fantastic      **The Marginal World of Oe Kenzaburo: A Study of Themes and Techniques** Michiko N. Wilson, 2016-09-16 The first full length book devoted to Japan's 1994 Nobel Laureate The Marginal World of Kenzaburo e introduces the literary universe bursting with the explosive energies of Bakhtinian grotesque realism In its center stands the idiot son a trickster and soulful healer unknowingly thrown into the world of myth making and history The diverse voices of e's characters resonate with one another within and between reinvented texts as the book's analysis flows into the very pores and veins of his masterful writing      **Japanese Women Novelists in the 20th Century** Sachiko Shibata Schierbeck, 1994 It was not until Kawabata Yasunari won the 1968 Nobel Prize for literature that the average Western reader became aware of contemporary Japanese literature A few translations of writings by Japanese women have appeared lately yet the West remains largely ignorant of this wide field In this book Sachiko Schierbeck profiles the 104 female winners of prestigious literary prizes in Japan since the beginning of the century It contains summaries of their selected works and a bibliography of works translated into Western languages from 1900 to 1993 These works give insight into the minds and hearts of Japanese women and draw a truer picture of the conditions of Japanese community life than any sociological study would present Schierbeck's 104 biographies constitute a useful reference work not only to students of literature but to anyone with an interest in women's studies history or sociology      The Postwar Developments of Japanese Studies in the United States Helen Hardacre, 1998 This volume of twelve essays with useful bibliographies in the fields of history art religion literature anthropology political science and law documents the history of United States scholarship on Japan since 1945      *The Woman's Hand* Paul Gordon Schalow, Janet A. Walker, 1996 This volume has a dual purpose It aims to define the state of Japanese literary studies in the field of women's writing and to present cross cultural interpretations of Japanese material of relevance to contemporary work in gender studies and comparative literature      The Journal of Asian Studies, 1989      Suicidal Narrative in Modern Japan Alan Stephen Wolfe, 2014-07-14 Dazai Osamu 1909-1948 is one of Japan's most famous literary suicides known as the earliest postwar manifestation of the genuinely alienated writer in Japan In this first deconstructive reading of a modern Japanese novelist Alan Wolfe draws on contemporary Western literary and cultural theories and on a knowledge of Dazai's work in the context of Japanese literary history to provide a fresh view of major texts by this important literary figure In the process Wolfe revises Japanese as well as Western scholarship on Dazai and discovers new connections among suicide autobiography alienation and modernization As shown here Dazai's writings resist narrative and historical closure while he may be said to serve the Japanese literary establishment as both romantic decadent and representative scapegoat his texts reveal a deconstructive edge through which his posthumous status as a

monument of negativity is already perceived and undone Wolfe maintains that cultural modernization pits a Western concept of the individual as realized self and coherent subject against an Eastern absent self and that a felt need to overcome this tension inspires the autobiographical fiction so prevalent in Japanese novels Suicidal Narrative in Modern Japan shows that Dazai's texts also resist readings that would resolve the gaps East West self other modern premodern still prevalent in Japanese intellectual life Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*Poe and Women* Amy Branam Armiento, Travis Montgomery, 2023-02-15 Edgar Allan Poe notoriously identified the death of a beautiful woman as the most poetical topic in the world Despite this cringeworthy claim it is widely known that Poe drew creative inspiration from female authors and that women figure prominently among the artists and critics fascinated by the writer's creative legacy Filling a major gap in scholarship on Poe this volume investigates the varied ways that women have influenced perceptions of Poe through biography criticism editorial work and creative adaptation Covering a timeframe from the mid nineteenth century to the present *Poe and Women* addresses a range of topics including accounts of Poe written by female contemporaries the scholarly efforts of women in establishing Poe's worldwide reputation and the revision of antebellum gender constructs in popular adaptations of Poe's work This collection will appeal not only to Poe specialists but also to anyone interested in the writer's ongoing relevance to gender discussions inside and outside the academy

**The Dilemma of the Modern in Japanese Fiction** Dennis C. Washburn, 1995-03-11 This book looks at modernity in Japanese literary culture as a continuing historical dynamic rather than as merely the product of the intense Westernization of the nineteenth and early twentieth centuries The author links the modern in Japan to a sense of cultural discontinuity that may be located in fictional narratives before the encounter of Japan with the West and he argues that modernity in Meiji Japan can be understood in terms of cultural conflict not only Japan versus the West but also Japan's present versus its past Washburn compares readings from Meiji literature with readings from pre Meiji and post Meiji works He begins with *Genji monogatari* early eleventh century and the *Hojoki* 1212 continues with stories by Saikaku late seventeenth century and ends with a consideration of selected texts from the Meiji period 1868 1912 through the end of the Second World War Washburn focuses on common thematic elements that recur over time and on such formal considerations as voice and perspective that evolve historically to give expression to the sense of the modern Using this approach he is able to look at many individual authors in a new way and to present significant reevaluations of many important texts This book is also a study of the East Asian Institute Columbia University

**Woman Critiqued** Rebecca L. Copeland, 2006-01-01 *Women Critiqued* offers English

language readers access to some of the salient critiques that have been directed at women writers on the one hand and reactions to these by women writers on the other      *Treacherous Women of Imperial Japan* Helene Bowen Raddeker, 2014-04-08 An inspiring analysis of events surrounding two women's attempted assassination of the Emperor of Japan and the separate penalties faced by these women both in terms of their death sentences and the wider context surrounding their lives      **Perversion and Modern Japan** Nina Cornyetz, J. Keith Vincent, 2010-01-21 Perversion and modern Japan focuses on the psychoanalytic approach to the study of modern Japan Using a wide range of psychoanalytic approaches the contributors to this book have brought together chapters on everything from the Ajase complex to underpants from fascist modernism in literature to internet based suicide pacts

## The Enigmatic Realm of **Reality And Fiction In Modern Japanese Literature**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. ### **Reality And Fiction In Modern Japanese Literature Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Reality And Fiction In Modern Japanese Literature has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reality And Fiction In Modern Japanese Literature has opened up a world of possibilities. Downloading Reality And Fiction In Modern Japanese Literature provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reality And Fiction In Modern Japanese Literature has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reality And Fiction In Modern Japanese Literature. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reality And Fiction In Modern Japanese Literature. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reality And Fiction In Modern Japanese Literature, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reality And Fiction In Modern Japanese Literature has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
