Charlton-Trujillo, 2019-03-05 More trouble at school and at home and the discovery of a missive from her late soldier sister send Angie and a long ago friend on an RV road trip across Ohio Sophomore year has just begun and Angie is miserable Her girlfriend KC has moved away her good friend Jake is keeping his distance and the resident bully has ramped up an

increasingly vicious and targeted campaign to humiliate her. An over the top statue dedication planned for her sister who died in Iraq is almost too much to bear and it doesn't help that her mother has placed a symbolic empty urn on their mantel. At the ceremony a soldier hands Angie a final letter from her sister including a list of places she wanted the two of them to visit when she got home from the war. With her mother threatening to send Angie to a treatment center and the situation at school becoming violent, Angie enlists the help of her estranged childhood friend Jamboree. Along with a few other outsiders they pack into an RV and head across the state on the road trip. Angie's sister did not live to take it. It might be just what Angie needs to find a way to let her sister go and find herself in the process.

Freedom Choice Carla Worley, 2010-04 Sabrina simply wanted a normal life. Raised by an emotionally unstable mother and a father who was an angry and violent drunk, Sabrina spent most of her young life feeling alone and scared. Her older brother Brad was her only ally as the two endured this difficult life together. When her family moved to a small town in Oklahoma, Sabrina lost the safety she felt with her old friends. However, she and Brad soon became close with Samantha and Joe, two local kids that gave them the support they so desperately needed. After a while, Sabrina and Brad faced their parents and discussed the ways in which they hurt them. Their parents eventually recognized the error of their ways and vowed to be more responsible and loving parents.

Freedom Choice: A Book That Allows You to Consider Your Options is ideal for middle school aged children who suffer similar emotional turmoil. Through witnessing the healing of Sabrina, children are able to begin their own healing process and overcome any obstacles they face. Carla Worley sees the affects of abuse on a daily basis through her work as a counselor. Her desire to help people cope with abuse inspired her to reach out to children all over the world through this unique combination of fiction and therapy. She is currently working on her next book which tackles another emotional issue that children face today.

The Painted Rose Alejandra O. Reed, 2010-12-23 Dotti Sets a Trap for Mildred. Dotti Miller is having a problem convincing her father that she is being abused by his wife, the mother of his five children. So since she is not able to convince their father of Mildred's meanness and hatefulness, Dotti will seek Robin's help to set out a trap for her to catch her behavior on tape and thereby build a case against her with this damaging evidence against her screaming, cursing, and being abusive toward all of them while Tommy is not around, and also of the beatings all of them get. They are sure once he gets the evidence of his beloved Mildred, he will finally believe what he's refused to accept. He will see through her deceitfulness once and for all. He will see her for who she really is: a mean and dreadful woman, not the charming, loving, or caring woman he believes her to be.

The Sequel Superior Edward K. Eckhart-Zinn, 2020-10-01 The Sequel Superior By Edward K. Eckhart Zinn. Edward K. Eckhart Zinn believes strongly that the age of internet criticism has led to a new path of viewing film and television, or by the encompassing terminology screen work. A healthy array of screen work subjects are covered in The Sequel Superior, from the serialization of film through franchises like Star Wars or the MCU to the overlooked impact your personal life has on any constructed artworks, exploring just how massive and engaged that link is. This book is equally for creators and critics alike.

bringing new light to conceptually finding objective factors in subjective artistry Screen works of all kinds are heavily dissected on this figurative operating table such as Rick and Morty Breaking Bad The Simpsons and the Star Wars sequel trilogy The modern screen work climate is anatomically deconstructed to render an almost scientific schematic breaking down elements such as tropes hype plot threads plot holes the fairly new presence of the internet fandom fan fiction fanfare the benefits of an animated medium rosy retrospection nostalgia and all of their respective effects to generate the take o the current day media environment Instead of retreading the continued deconstruction of such antique masterpieces like Casablanca or The Shining we instead immerse ourselves in the less respected yet extremely popular popcorn movie and attempt to understand why the highest grossing films for the last ten years have all been sequel installments This book posits that there truly are right ways and wrong ways of making this artwork and the consumer critic and creator can all benefit greatly from its perspectives

Out Of Sight, Out Of Mind Yvonne Vissing, 2014-07-11 Because they're small they're easy to overlook Because their voices don't carry far it's hard to hear them We'd rather not look too closely or listen too carefully And if we don't see them maybe they'll just go away But the invisible homeless cannot simply fly away to never never land or pull themselves up by their bootstraps or make a wish upon

a star These homeless people are children and they are not always in the inner cities as Yvonne Vissing shows in this poignant study of families housing and poverty As many as a third of our nation s homeless are found in rural and small town America They are all too commonly out of sight and out of mind Homelessness in small towns and rural areas is on the rise Drawing on interviews with and case studies of three hundred children and their families with supporting statistics from federal state and private agencies Vissing illustrates the impact this social problem has upon education health and the economy Families vividly describe the ways they have fallen through cracks in the social structure from home ownership into homelessness Looking toward the future Vissing asks if homeless children are destined to become dysfunctional adults and provides a sixteen year old girl s moving testimony of the vagabond life her homeless family led While the economy and the very nature of the family have changed over past decades housing education and human service industries have failed to adapt Vissing provides a planning model for improving support networks within communities and challenges Americans with a fundamental philosophical question Do homeless children merit fullscale social intervention Ultimately Out of Sight Out of Mind compels us not merely to voice concerns for family and community values but also to assert this commitment consciously through improved essential services
