Something Funny Happened Elmer Mulhausen, 2009 Some of Elmer s poems were getting lost so family and friends urged him to write a book to preserve them Finally in 2007 Elmer decided to write the book But rather than just preserve the poems he decided to also include vignettes of memories as a child of the Great Depression World War II career second courtship and life as an innkeeper The memories reflect Elmer s strict Christian upbringing years of rebellion then a return to his spiritual roots The poems sandwiched between the vignettes run from the nearly risqué to spiritual Most of the old stories set to verse are meant to amuse you and Elmer s memories may remind you of your own **The Ungettable Joke** Dave Squires, Bill Dargen, Bill Dargen & Dave Squires, 2011-01-16 SThe Ungettable Joke is told in retrospect by two guys who were drawn into extraordinary circumstances Individually they are exposed to supernatural experiences which drive them to hit the road one to escape the other to seek the source of the experiences These experiences seem to confirm a theory about an ungettable Joke developed by Dave an engineer and NASA contractor At an apparent chance meeting at a roadside diner Dave explains his personal theories on humor and the ungettable joke to Bill a high school math teacher They wonder whether they have been pushed together by greater forces to discover the ultimate joke a joke so funny that everyone laughs but no one knows why The main characters don t have long to consider this question The greater forces at work evidently don t want them to discover the ungettable joke by sitting around and talking about it Supernatural events continue to force the characters into action and an adventure they might prefer to avoid They seek aid from an eccentric college professor an archeologist who tells the story of an ancient Indian tribe the Chimchuk whose culture revered humor above all else The

professor who seems to have an agenda of his own is interested in a Chimchuk symbolic inscription Dave and Bill obtained He is also obsessed with a certain Chimchuk artifact an amulet made in three pieces The professor possesses only one piece his enemy another and the third is missing The professor s enemy is a man who appears to be the leader of a cult that is based on Chimchuk culture He claims to have special powers drawn from his piece of the amulet and convinces his followers that he can channel the spirit of the original crafter of the amulet the great Chimchuk shaman and head joke teller Manash Underlying the main plot Dave is engaged to be married very soon and the FBI has become involved due to suspected illicit drug activity in the Chimchuk cult The interests of all concerned converge at a small town at the entrance to the Giant Sequoia National Park There the amulet the cult the FBI and the pursuit of the ungettable joke come together in a Chimchuk cultural festival The cult leaders at the festival intend to demonstrate the power of the amulet to the new Chimchuk nation The wild scene and conclusion that follows reveal the realities behind the events history and meaning of all that took place and points to a link between science and faith seen and unseen and what humor has to do with it Middle School Crazy Jillian Carmichael,2014-09-04 Teaching middle school is much like a carnival ride Each morning you get in the roller coaster car strap yourself in and hold on for dear life hoping you won t throw up or pass out At the end of the day a bell rings and the ride comes to a screeching halt You gingerly step out of the car go home and try to be a normal person But you know deep within yourself that the next morning you will get back in that roller coaster car strap yourself in again and hold on for dear life I love it It is both scary and exhilarating In my many years of teaching I have never had two days the same **NEXT GENERATION STUDENT'S BOOK, LEVEL 1** Eoin Higgins,2012-04-05 Student s Book 1 has eight units In each unit a Get started section helps students with strategies needed for effective language learning Grammar sections provide systematic practice and revision while the vocabulary syllabus covers a wide variety of lexical areas A focus on phrasal verbs provides support in this challenging area Authentic texts give practice in understanding real English while comprehension exercises focus on exam style practice A step by step approach to writing guides students towards effective process writing Exam strategies further prepare students for exam success Speaking and Listening sections offer the opportunity to develop these language skills beyond the Bachillerato syllabus **We Want You to Know** Deborah Ellis,2009-02-01 Through her association with a community anti bullying campaign launched in Haldimand Norfolk and neighboring communities in Southern Ontario children s author Deborah Ellis asked students from the ages of nine to nineteen to talk about their experiences with bullying The results are thoughtful candid and often harrowing accounts of business as usual in and around today s schools The kids in this book raise questions about the way parents teachers and school administrators cope with bullies They talk about which methods have helped and which ones with the best of intentions have failed to protect them And some kids reveal how they have been able to overcome their fear and anger to become strong advocates for the rights of others This is a book for reading and sharing Each interview is followed by questions that will encourage open discussion
