Reap The Bitter Winds:

Reap the Bitter Winds June L. Shiplett, 1979-10 **Reap the Bitter Winds** June Lund Shiplett, 1979 Reap the Bitter Wind June Lund Shiplett, 1979-10-01 **Reap the Bitter Wind** Jill DuBois, 1985 At first torn between gentle Jeffrey St John and his rugged father Ross on a New Mexico ranch threatened by range war lovely Jessica finally falls for a stranger Reno Hayden a notorious gunman **A Bitter Wind** Anita Merrick, 2015-03-17 Can time become stuck at NOW or does it just seem that way Can the past be changed without creating a paradox Does history repeat or is that something we tell ourselves to cover our poor choices When Alexander Ramses Smith is assigned to decipher the odd hieroglyphs of the Temple of Khnum all heka magic breaks loose As a teen his interest was in metaphysical and sharing psychic experiences with a beloved grandmother When she died things turned dark when an Ouija Board freed a terrifying entity with red eyes He thought he was free of it when he shut his psychic gifts down and began a study of Egyptology But Shezmu was waiting for him in Esna Lex found others trapped by the time loop afret djinni the ghost of a former archeologist Dr Broderick S Gillwood the Neteru Egyptian gods goddesses all conspiring against his scientific training and logical mind Lex soon realizes there is no choice but to obey the voices in his head and the mysterious ones of an outer sort He must rely on the intuitive gifts he fought so hard to quash Realizing he can see and sense what others cannot Lex runs headlong into a past life that puts him dangerously susceptible to the hidden secrets infused in the stone ruins He must quickly re define his understanding of the lines between imagination and reality or lose the battle for his mind with the darkness created by blood sorcery and a destiny shay he never expected **Gathering of the Winds** June L. Shiplett, 1988 Picking up where *Winds of Betrayal* ended this novel opens in 1830 s Texas in the center of a whirlwind where Americans Mexicans and Indians all battle for the untamed land Three determined women embark on three paths of desire and fulfillment in the compelling conclusion to the series Eighth in the Wind series **Total Insecurity** Carol Brightman, 2004-09-17 Brightman explores the myth of American omnipotence as she takes readers through the various stages of the war in Iraq A Leaf In The Bitter Wind Ting-Xing Ye, 2012-07-31 One of the best ways to understand history is through eye witness accounts Ting Xing Ye s riveting first book *A Leaf in the Bitter Wind* is a memoir of growing up in Maoist China It was an astonishing coming of age through the turbulent years of the Cultural Revolution 1966 1974 In the wave of revolutionary fervour peasants neglected their crops exacerbating the widespread hunger While Ting Xing was a young girl in Shanghai her father s rubber factory was expropriated by the state and he was demoted to a labourer A botched operation left him paralyzed from the waist down and his health deteriorated rapidly since a capitalist s well being was not a priority He died soon after and then Ting Xing watched her mother s struggle with poverty end in stomach cancer By the time she was thirteen Ting Xing Ye was an orphan entrusted with her brothers and sisters to her Great Aunt and on welfare Still the Red Guards punished the children for being born into the capitalist class Schools were being closed suicide was rampant factories were abandoned for ideology distrust

of friends and neighbours flourished Ting Xing was sent to work on a distant northern prison farm at sixteen and survived six years of backbreaking labour and severe conditions She was mentally tortured for weeks until she agreed to sign a false statement accusing friends of anti state activities Somehow finding the time to teach herself English often by listening to the radio she finally made it to Beijing University in 1974 as the Revolution was on the wane though the acquisition of knowledge was still frowned upon as a bourgeois desire and study was discouraged Readers have been stunned and moved by this simply narrated personal account of a 1984 style ideology gone mad where any behaviour deemed to be bourgeois was persecuted with the ferocity and illogic of a witch trial and where a change in politics could switch right to wrong in a moment The story of both a nation and an individual the book spans a heady 35 years of Ye s life in China until her eventual defection to Canada in 1987 and the wonderful beginning of a romance with Canadian author William Bell The book was published in 1997 The 1990s saw the publication of several memoirs by Chinese now settled in North America Ye s was not the first yet earned a distinguished place as one of the most powerful and the only such memoir written from Canada It is the inspiring story of a woman refusing to drift with the stream and fighting her way through an impossible unjust system This compelling heart wrenching story has been published in Germany Japan the US UK and Australia where it went straight to 1 on the bestseller list and has been reprinted several times Dutch French and Turkish editions will appear in 2001
