## **Reason Enough A Case For The Christian Faith:**

*Reason Enough* Clark H. Pinnock, 1980      *Faith Has Its Reasons* Kenneth Boa, Robert M. Bowman Jr., 2012-01-05 A most accessible but thoroughly practical primer on apologetics      **John Dewey and the Ethics of Historical Belief** Curtis Hutt, 2013-04-15 John Dewey and the Ethics of Historical Belief addresses the ethics of the representation of the past with a focus on the justification of historical belief within religious and critical historiographical traditions What makes a belief about the past justified What makes one historical belief preferable to another A great deal rides on how these questions are answered History textbook wars take place across the globe from California to India Cultural heritage protection is politicized and historical research is commonly deployed in support of partisan agendas This book explores not only John Dewey s relatively unknown contribution to this topic but also the leading alternatives to his approach Author Curtis Hutt focuses attention on the debate among those most influenced by Dewey s thought including Richard Rorty Richard Bernstein James Kloppenberg Wayne Proudfoot and Jeffrey Stout He also reviews the seminal work of Van Harvey on the relationship between historians and religious believers Dewey is cast as a vigorous opponent of those who argue that justified historical belief depends upon one s religious tradition Strongly resisted is the idea that historical belief can be justified simply on account of acculturation Instead Dewey s view that beliefs are justified as a result of theorized historical inquiry is emphasized In order to prevent moral blindness the responsible historian and theologian alike are advised to attend to witnesses to the past that arise from outside of their own traditions      **Why Good Arguments Often Fail** James W. Sire, 2006-02-22 Why is it that solid rational arguments for the Christian faith often fail James Sire public defender of the Christian faith has asked himself that question Sometimes the arguments themselves just aren t that good How can we make them better Sire offers insights on making a persuasive case for Christ      **Evangelical Review of Theology, Volume 46, Number 4, November 2022** Thomas Schirrmacher, 2022-11-21 ERT publishes quality articles and book reviews from around the world both original and reprinted from an evangelical perspective reflecting global evangelical scholarship for the purpose of discerning the obedience of faith and of relevance and importance to its international readership of theologians educators church leaders missionaries administrators and students The journal is published as a ministry rather than as a commercial project seeking to be of service to the worldwide spread of the gospel and the building up of the church and its leadership in co ordination with the World Evangelical Alliance s broader mission and activities      *The Doctrine of the Twelve Apostles* , 2022-11-17 Excerpt from The Doctrine of the Twelve Apostles Translated Into English With Introduction and Notes The Doctrine of the Twelve Apostles or the Doctrine of the Lord s charge to the Twelve Apostles to the Gentiles exists in a single ms written in 1056 ad By one Leon notary and sinner It was first published in 1883 by Philotheus Bryennius Metropolitan at that time of Serrae in Macedonia and afterwards of Nicomedia who had discovered the precious volume in the library of the Jerusalem Monastery of the Most Holy Sepulchre at Constantinople About the Publisher Forgotten Books

Propp,2010-12-21 Its 1971 and Silas Baker is a high school senior in California whose main interests are basketball and weekend parties But his life takes a dramatic turn when he encounters a group of committed Christians who soberly inform him that Jesus is coming soon They enroll at Riverstent Bible College Its an exciting time as leading Bible teachers have predicted that Jesus will return to Rapture his Church within one generation of the 1948 formation of the State of Israel Popular movies further inflame this passion as the eager students study Apologetics and Biblical Archaeology aberrant theologies such as the Death of God movement and even conflicting interpretations of the End Times An activist spirit develops within evangelicalism culminating in the so called Christian Right as the evangelical world is rocked in the aftermath of the televangelist scandals Confronted by world views such as Calvinism and Christian Reconstruction the characters passionately debate controversies such as Biblical Inerrancy and the age of the cosmos in addition to challenging evangelicals who deny traditional doctrines such as that of endless punishment in Hell or who promote an Open yet limited concept of God himself As society evolves so does evangelicalism seeker sensitive megachurches appear while Postmodernism and the Emergent Church become realities Theologians wrestle with the question of divorce and remarriage and the role of women in the church as well as the divisive issue of homosexuality As they struggle with lifes realities they ultimately must also respond to nonchristians who are alienated indifferent or engaged in active opposition to Christianity while searching for the meaning of Christian faith in the modern world *Evangelical Review of Theology, Volume 47, Number 1* Thomas Schirrmacher,2023-03-06 ERT publishes quality articles and book reviews from around the world both original and reprinted from an evangelical perspective reflecting global evangelical scholarship for the purpose of discerning the obedience of faith and of relevance and importance to its international readership of theologians educators church leaders missionaries administrators and students The journal is published as a ministry rather than as a commercial project seeking to be of service to the worldwide spread of the gospel and the building up of the church and its leadership in co ordination with the World Evangelical Alliance s broader mission and activities Biblical Apologetics Clifford B. McManis,2013-07-26 The book you are holding in your hands is perhaps the simplest most straightforward summary and how to guide for presuppositional apologetics now in print It is both informative and practically helpful I believe you will find it an extremely useful tool whether you are an professor at the seminary level seeking supplemental reading material or just a simple lay person looking for practical answers Pastor McManis writes with

crisp clarity in a way that is certain to give you fresh insight into what Scripture teaches about the defense of the Christian faith I wish this book had been available when I was studying apologetics in seminary John MacArthur Pastor Teacher Grace Community Church President of The Masters College and Seminary Cliff has rescued the discipline from the elite circle of the intelligentsia and returned it as a biblical theology of truth communication to the common people i e to all believers This volume will be of great help in the restoration of the practicality of biblical apologetics as it was exemplified in the early Church Hopefully todays readers will be able to understand and put into practice the true nature of Peters command in 1 Peter 3 15 as it is strategically situated in its defining context George J Zemek Academic Dean The Expositors Seminary Jupiter Florida

*Religious Ambiguity and Religious Diversity* Robert McKim, 2015 The religious ambiguity of the world has many aspects one of which is the hiddenness of God Theists have proposed a number of explanations of God s hiddenness Some putative explanations contend that the advantages of God s hiddenness goods of mystery outweigh whatever benefits would result if God s existence and nature were clear to us goods of clarity Goods of mystery that have received a lot of discussion include human moral autonomy and the ability on our part to exercise control over whether we believe in the existence of God The extent of the ambiguity that surrounds God s existence and indeed all important religious matters combined with our lack of an obviously correct and adequate explanation of this lack suggest that even if God exists it is not important that people believe in God Another central theme in the book is the significance of religious diversity for religious belief The character of this diversity is such that it provides people who take a position on religious matters with reason to adopt the Critical Stance which requires people in all the religious traditions to subject their religious beliefs to critical scrutiny and hold those beliefs in a tentative way Some contend that religious faith requires complete confidence in what is believed but tentative belief actually is sufficient to sustain many forms of religious commitment

**DEALING WITH DOUBT** Gary R. Habermas, 2022-12-21 Dealing with Doubt is a book written by Gary Habermas a Christian apologist and philosopher In the book Habermas addresses the issue of doubt and how it can affect one s Christian faith He has written extensively on issues related to faith and belief Herein he discusses the various causes of doubt including intellectual and emotional challenges and offers guidance and strategies on how to navigate and overcome doubt while rebuilding one s faith The book is aimed at readers who are struggling with doubts about their faith or who are seeking to strengthen their faith and better understand how to respond to doubt Habermas seeks to help readers understand the nature of doubt identify its sources and find ways to overcome it through a more in depth understanding of Christian teachings and practices Dealing with Doubt is likely to be of interest to those who are struggling with doubt in their own faith or who are seeking to help others who may be dealing with doubt It is written from a Christian perspective and offers a defense of Christian beliefs

**A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly

challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc., agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

**Grace for All** Clark H. Pinnock, John D. Wagner, 2015-03-31. Did Christ atone for the sins of humanity on the cross? Does God desire all people to be saved and direct his grace toward all people for that purpose? There are some Christians following a deterministic paradigm who believe this is not true. They believe God has predestined some people for heaven and many or even most for hell. The rising tide of Calvinism and its TULIP theology needs to be respectfully answered. *Grace for All: The Arminian Dynamics of Salvation* features a distinguished international panel of scholars to examine this controversy. These writers address issues such as election, free will, grace, and assurance. They make compelling scriptural arguments for the universality of God's grace, contending that Christ atoned for the sins of all people and that God sincerely offers forgiveness for all through Christ. This book strives to uncover the biblical position on salvation. We hope the reader will enjoy this stimulating series of articles on the Arminian perspective and that it will spur further writing and discussion. *Grace for All: The Arminian Dynamics of Salvation* is an updated and revised version of *Grace Unlimited*, a 1975 collection of scholarly articles assembled by the late Clark H. Pinnock of McMaster Divinity College.

**The Reality of Christian Learning** Harold Heie, David L. Wolfe, 2004-01-20. Building on foundational studies on the relationship of faith and learning, this book presents concrete examples of ways in which a Christian perspective can be brought to bear on scholarship in various academic disciplines. The editors present a typology of various strategies for faith-discipline integration which are then exemplified by two essays in each of seven disciplines: political science, sociology, psychology, biology, mathematics, the arts, and philosophy. In each discipline, a principal essayist addresses a significant issue from a Christian perspective; a respondent then analyzes that essay, suggesting at least one alternative approach.

**S Lewis vs the New Atheists** Peter S. Williams, 2013-02-01. The book will counter the new atheist movement using the arguments of C. S. Lewis, thereby appealing to readers interested in both loci and showing that there is nothing especially new about the new atheism. How might C. S. Lewis, the greatest Christian apologist of the twentieth century, respond to the twenty-first century new

atheism of Richard Dawkins Christopher Hitchens and company Might Lewis own journey from atheism to Christian belief illuminate and undercut the objections of the new atheists Christian philosopher Peter S Williams takes us on an intellectual journey through Lewis conversion in conversation with today s anti theists This book shows the breadth depth and durability of Lewis s Christian apologetics Michael Ward chaplain at St Peter s College Oxford     **Not Sure** John D. Suk,2011-09-02 In 2002 while touring North America with his wife in an RV John Suk lifelong Christian longtime pastor and noted leader in the Christian Reformed Church experienced a crippling crisis of faith He emerged from that dark time with a strange new gift doubt In Not Sure Suk takes readers on an eyes wide open deeply personal voyage through the past and present of Christian belief reexamining Christian faith in his own life and in fifteen centuries of Christian history through a skeptic s eyes He exposes major pitfalls of modern Christian movements and questions what he considers to be faulty paradigms the personal relationship with Jesus the health and wealth gospel and traditional ethnicity based belief systems In the end he is left clinging to what is for him a truer wiser kind of faith in Jesus Christ faith that struggles and lives with doubt     **The Spirit Unfettered** Edward Rybarczyk,2011-02-01 This clear guide will help you understand what is distinctive about Protestant perspectives on who the Holy Spirit is and what the Holy Spirit does in our lives After an introduction that broadly compares Protestant views on the Holy Spirit with Roman Catholic and Eastern Orthodox models the understandings of important theologians and figures in Protestant tradition are explored Martin Luther The Anabaptists Meno Simons Balthasar Hubmaier Conrad Grebe Jacob Hutter John Wesley Friedrich Schleiermacher Abraham Kuyper Karl Barth And then living theologians such as Jurgen Moltmann Wolfhart Pannenberg Clark Pinnock and Michael Welker     The Use of the Bible in Theology/Evangelical Options Robert K.
