Reasonable Faith Responding To Secularism:

A Reasonable Faith Anthony Campolo, 1985-11

Reasonable Faith for a Post-secular Age William Greenway, 2020

Our global community desperately needs overt awakening to an age of reason and faith Reasonable Faith for a Post Secular Age meets this need by interpreting faith not in terms of belief in propositions but in terms of living surrender to having been seized by agape for every Face including one's own Virtually all faith traditions from Buddhism to Humanism to Wiccan are rooted in agape and therefore share considerable spiritual and ethical common ground a truth long veiled In contrast to ethically feckless secular rationality over which a devastating global social Darwinism currently runs roughshod faith qua living surrender to agape grounds moral realism awakens us to love for all creatures and inspires struggles for justice Inspired by the philosophy of Emmanuel Levinas and Christian spirituality Greenway engages on the one hand intellectuals like Stanley Hauerwas Richard Rorty Gayatri Chakravorty Spivak Jeffery Stout Charles Taylor and Bernard Williams and on the other contemporary debates over consciousness free will evil and metaethics He details the character of secular rationality's devastating scission from moral reality and clarifies the promise of understanding faith and spirituality in terms of agape

Contemporary Issues in Science & Christian Faith American Scientific Affiliation, 1992 *Scientism and Secularism* J. P. Moreland, 2018-09-20 Rigid adherence to scientism as opposed to a healthy respect for science is all too prevalent in our world today Rather than leading to a deeper understanding of our universe this worldview actually undermines real science and marginalizes morality and religion In this book celebrated philosopher J P Moreland exposes the selfdefeating nature of scientism and equips us to recognize scientism s harmful presence in different aspects of culture emboldening our witness to biblical Christianity and arming us with strategies for the integration of faith and science the only feasible path to genuine knowledge **Tough Questions, Thoughtful Responses: An Apologetics Journey** Dr. Octavian Caius Obeada, In a

Montgomery History and Christianity Weathering Storms Larry G. Warkentin, 2021-03-15 In the Crucible of Crisis Weathering Storms is a book born out of the author s personal experience and his witness of the crisis experiences of others Some have faced unimaginable stressors in life that seem meaningless and cruel Consequently one s psychology and theology may bend to the breaking point Further to this life s storms seem to amplify God s silence Yet there is never a time when the Master of the wind and waves is more attentive Weathering Storms probes these dynamics in depth Your crisis experience will end And when it does you will never be the same But the person you become after arriving on the other side of the storm is reborn with new strength insight and wisdom You will never want to go back to the person you once were that is if you walk the journey and weather the storm Voices of Yugoslav Jewry Paul Benjamin Gordiejew, 2012-02-01 Voices of Yugoslav Jewry emphasizes the role of history in shaping Yugoslav Jewish identity World War II imposed irreversible effects on this population of Jews leaving them with an acute sense of disjuncture and fragmentation This once unified Jewish community lost its secure place in the politico symbolic order of a single multiethnic state and the surviving local Jewish

communities which are now a part of new states face the task of refashioning their identities once again The process of creating the new Yugoslavia has allowed for the emergence of a new Jewish collective voice one that blended harmoniously with the emerging voice of Tito This collective voice manifested itself by using language material culture and dramaturgical performances in ways that exhibited high public integration with the symbolic order of the new state In searching for the voices of individuals and listening to them closely a wide range of diverse individual experiences and ways of constructing meaningful Jewish selves can be heard It is these voices that constitute the core of the book **Homeward Bound** Harold C. Warlick, Jr.,1991 **Through Death Into Life Everlasting** Dr. Wes Ellis, ThD,2022-06-02 In all likelihood most of us wonder about the end of life here how to be ready when it comes and what the future holds We hear all sorts of answers from many sources from wild to probable Many people believe that heaven is a place where all the good go after we die so You d better watch out you d better not cry and that heaven is everlasting and to be much preferred over the alternative hell Consider this question What seems to have been God s primary purpose for heaven One answer would be that He wants to populate it with human beings who are most like His Son Jesus Christ But how could that be accomplished My thoughts on the broad subject of death come from knowing Jesus and walking with Him for about seventy eight years I came to know Him as a child having heard His call upon my life Our conversations along the way led me to give Him my best in training my mind and heart in practical service through several open doors through marriage and family through struggles and accomplishments through many sorrows and sicknesses and through years of disability and retirement Like old Apostle John who learned so much from the Risen Lord in his long life I believe that He has laid some things upon my heart that must be shared Hence this book Here you will find insights that may correct things you ve always believed give help with understanding or learn approaches that you never considered pricks of conscience or just delightful affirmations Here are a few of the ideas you ll find here Where does it start and end The eternal now The Eternal One not three Let there be and there is but only if Creation and development When you became only a mortal God who keeps speaking Why don t you answer First death and resurrection and Second death and resurrection The sin that God can t forgive Through death into life everlasting He leads He leads and we follow Him there Heaven or hell or an alternative Sin s consequences before Abram Mansions Ritual or relationship The startling paradigm shift How the Word becomes personal Being at home in heaven What if there s a stalemate How to know for sure Here and now with me as though He is nowhere else He loves you intensely Always the victory habit and more Blessings Brother Wes *Faith Formation in a Secular Age : Volume 1 (Ministry in a Secular Age)* Andrew Root,2017-10-03 The loss or disaffiliation of young adults is a much discussed topic in churches today Many faith formation programs focus on keeping the young believing the youthful spirit will save the church But do these programs have more to do with an obsession with youthfulness than with helping young people encounter the living God Questioning the search for new or improved faith formation programs leading practical theologian Andrew Root offers an

alternative take on the issue of youth drifting away from the church and articulates how faith can be formed in our secular age He offers a theology of faith constructed from a rich cultural conversation providing a deeper understanding of the phenomena of the nones and moralistic therapeutic deism Root helps readers understand why forming faith is so hard in our context and shows that what we have lost is not the ability to keep people connected to our churches but an imagination for how and where God could be present in their lives He considers what faith is and what steps we can take to move into it exploring a Pauline concept of faith as encounter with divine action **Reasonable Faith** William Lane Craig,1994 An excellent choice for a rational and systematic defense of the Christian faith Written by one of the top Christian theologians in an easier to read style this expanded edition discusses the relationship between faith and reason covering important core beliefs This resource includes a new chapter on the validity of New Testament documents [Evangelism through the Local Church](#) Michael Green,2023-09-28 A comprehensive guide to practical evangelism its biblical basis theological backbone and current practice Michael Green draws from a lifetime s experience in this seminal work on the theory and practice of evangelism Green shows how the good news of Christ is communicated most effectively through the local church This comprehensive resource includes a primer on Christian apologetics and concrete suggestions for congregations and individuals sharing the gospel Green challenges the hang ups which so often accompany the very mention of evangelism His classic work will continue to inspire new generations of evangelists
