5 Marks of a Biblical Disciple C. Matthew McMahon, 2018-12-28 A biblical disciple is not merely aware of the teachings of Jesus Christ or God's prescription for being a follower of his word It is one who holds certain distinguishable marks who has been supernaturally changed by God's grace and submits to the will of Jesus Christ in the power of the Spirit A disciple is implanted with a new spiritual principle in the heart demonstrating a life of self denial yielding to the Lord Jesus Christ who bought them with his own blood In the midst of the body of Christ the church a disciple has 5 non negotiable qualities as outlined in the word of God Gospel Love which is the badge of the Christian Gospel Interest which glorifies God through Christ in truth and the power of the Spirit to be used to expand the kingdom of God Gospel Consolation which exercises a consoling spirit between believers Gospel Encouragement which is to encourage one another in the faith while it is still called today And Gospel Fellowship which brings together disciples under the commonness of covenanted blessings both with God and with other believers in a local church People devoid of these biblical disciplines who do not hold and exemplify these five marks as Scripture outlines them are spiritually destitute of supernatural grace and the basic Spirit filled function of walking with Jesus Christ in newness of life

The Disciple Maker's Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each

section to help you think through how to apply the material to your disciple making efforts Revolutionary Churches in Revolutionary Seasons: Dagmawi M. Wube, 2018-01-20 Since the downfall of the Derge and the establishment of the decree for religious freedom there have been types of problems related to the size and type of groups that have greatly affected the Ethiopian evangelical church The first category of problem is due to the attraction that many contemporary church leaders have for reaching multitudes and building mega church ministries at the expense of small group ministries Because of the priority on the large group environment small group ministries have been neglected resulting in a whole generation of students and people who have never experience the vibrant spiritual benefits of a small group As a result believers are inclined to attend only Sunday Worship Services and the rest of the week live disconnected from vital relational community and involvement Too many churches in Ethiopia today have chosen to focus on the quantity of the people rather than the quality of the disciple resulting in the spiritual diseases of nominalism and carnality Discipleship and biblical Koinonia are being ignored therefore many people are not experiencing the richness of biblical Christianity in many practical ways This has resulted in the loss of Ethiopian Evangelicals identity as well as an influence on all aspects of Ethiopian culture including her institutions and government **Disciple Gate** Tim Sutton, 2024-05-17 Jesus invites people to a life pulsing with love purpose and the promise of unending joy He calls this narrow road journey discipleship and says Follow me The first generations to believe in Jesus knew that following him and his ways was an essential part of their faith They self identified as disciples Today many people are disconnected from this journey or unsure of where to start Disciple Gate is a thoughtful practical and down to earth guide to discipleship that can help change that Through Scripture story and personal testimony readers explore five key moments in this adventure with Jesus Stepping through seasons of beauty and struggle they learn to develop a resilient and reproductive faith They move into life with Jesus and friendship with God Enter through the narrow gate For wide is the gate and broad is the road that leads to destruction and many enter through it But small is the gate and narrow the road that leads to life and only a few find it Jesus Matt 7 13 14 **The Making of a Disciple** Edward W. Watson, Martin M. Culy, 2021-09-02 Modern readers sometimes view the Gospels and other biblical narratives as mere historical accounts of events that occurred long ago Biblical narratives however are intended to do far more than teach us history They are intended to change how we think and how we live In The Making of a Disciple Watson and Culy use insights from narrative criticism to show that the message of the Gospel of John is communicated not only through the teachings and deeds of Jesus but also through the actions of the other main characters and the consequences of their actions As readers observe characters interacting with Jesus they are implicitly encouraged to either emulate or avoid their behavior Coupled with the teachings and acts of Jesus these characters serve as potent tools in the Gospel of John to showcase what it looks like not only to become a disciple of Jesus but also to grow to maturity and experience the fullness of joy that Jesus offers Why Men Go Back Charles W. Conn, 2008-01-29 This book presents an honest and penetrating look at the defection of the

church members The author shows how all men are in danger of defection when their lives are not firmly founded in the solid rock Jesus Christ

Steps of a Disciple Steve Husting, 2018-01-20 Throughout the Gospel of Mark we find Jesus teaching His disciples how to live for Him Those teachings are ours as well that we too may learn to walk in the steps of Jesus I've applied my experience in writing hundreds of devotionals to draw out of this precious gospel over 220 lessons on how to live a life that pleases God I hold up my failures and difficulties to the light of the Word of God and show you how to rise above your own weaknesses by the love and power of God Let Jesus teach you how to surrender to Him for His victory in life is yours as well Chances are you have yet to experience a richly featured God who can handle the complexities that life throws our way Step by step let the gospel of Mark add more pieces of the puzzle to form a picture of Jesus that is rich and satisfying It's time to go beyond platitudes to a richly featured faith in the living God and Savior

Disciple Beyond Mediocrity Brian Byrne, 2020-08-27 Disciple Beyond Mediocrity addresses the problem of mediocrity found in many churches that are locked into the status quo In this book Dr Byrne portrays the life of a disciple in strict accordance with what the scriptures teach and as an essential element in the renewal of our faith before the Lord returns At the heart of Dr Byrne s examination is the question of mediocrity as it has plagued churches and Christians without number Dr Byrne exposes the nature of mediocrity and on that foundation builds his study of a disciple whose life can be beyond mediocrity Dr Byrne explores the seven characteristics of being a disciple based on the Lord s own words Denying oneself taking up his cross following the Lord forsaking attachments to all he has abiding in His word bearing much fruit and loving one another Central to his study of the life of a disciple are the twin spiritual skills living by faith and living in the Spirit with the subject that is central to both being able to hear what the Spirit is saying to the churches Dr Byrne then presents his readers with a step by step instruction on how to live by faith and includes a memorable parable that reflects his own relationship with the Lord the Garden of My Heart The final part of the book takes a leap into the future with Dr Byrne exploring four events in the life of a disciple in the end of days being caught up to meet the Lord in the air and being transformed in a brief moment of time into His immortal image giving account at the judgment seat the marriage of the bride of Christ with the Lord and the return of the Lord to the earth with His transfigured disciples to reign with Him for a thousand years The book concludes with an examination of the destiny of the Lord s disciples in the New Jerusalem that descends to the earth at the end of time There can be no doubt that Dr Byrne knows what he is writing about Each chapter bears the distinctive stamp of personal knowledge and experience This book should be required reading for all Christians for those who lead churches and for those who train leaders in colleges and universities round the world
