Finally available a high quality book of the original classic edition of Rebecca of Sunnybrook Farm It was previously published by other bona fide publishers and is now after many years back in print This is a new and freshly published edition of this culturally important work by Kate Douglas Wiggin which is now at last again available to you Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside Rebecca of Sunnybrook Farm Whenever the wheels sank farther than usual into a rut or jolted suddenly over a stone she bounded involuntarily into the air came down again pushed back her funny little straw hat and picked up or settled more firmly a small pink sun shade which seemed to be her chief responsibility unless we except a bead purse into which she looked whenever the condition of the roads would permit finding great apparent satisfaction in that its precious contents neither disappeared nor grew less The school teacher and the minister at Temperance had tried and failed the young artist who came for the summer to sketch the red barn the ruined mill and the bridge ended by giving up all these local beauties and devoting herself to the face of a child a small plain face illuminated by a pair of eyes carrying such messages such suggestions such hints of sleeping power and insight that one never tired of looking into their shining depths nor of fancying that what one saw there was the reflection of one's own thought Mother named half of us and father the other half but we didn't come out even so they both thought it would be nice to name Mira after aunt Miranda in Riverboro they hoped it might do some good but it didn't and now we call her Mira The field for the exhibition of her creative instinct was painfully small and the only use she had made of it as yet was to leave eggs out of the corn bread one day and milk another to see how it would turn out to part Fanny's hair sometimes in the middle sometimes on the right and sometimes on the left side and to play all sorts of fantastic pranks with the children occasionally bringing them to the table as fictitious or historical characters found in her favorite books Rebecca's own black locks were commonly pushed smoothly off her forehead but on this occasion she formed what I must perforce call by its only name a spit curl directly in the centre of her brow an ornament which she was allowed to wear a very short time only in fact till Hannah was able to call her mother's attention to it when she was sent into the next room to remove it and to come back looking like a Christian
