Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness

and discerning assessments of each work's value. The essays cover every aspect of the war from strategy, tactics, and battles to logistics, intelligence, supply, and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front. Some sections cover civilian leaders, the economy, and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war. Breadth of topics is matched by breadth of genres covered. Essays discuss surveys of the war, general reference works, published and unpublished papers, diaries, and letters as well as the vast body of monographic literature including books, dissertations, and articles. Genealogical sources, historical fiction, and video and audio recordings also receive attention. Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience.

Life in Jefferson Davis' Navy Barbara B

Tomblin, 2019-04-15 The Civil War is often considered a soldier's war but *Life in Jefferson Davis Navy* acknowledges the legacy of service of the officers and sailors of the Confederate States Navy. In this full-length study, Barbara Brooks Tomblin addresses every aspect of a Confederate seaman's life from the risks of combat to the everyday routines which sustained those sailing for the stars and bars. Drawing upon diaries, letters, newspaper accounts, and published works, Tomblin offers a fresh look at the wartime experiences of the officers and men in the Confederate Navy including those who served on gunboats, ironclads, and ships on western rivers and along the coast and at Mobile Bay as well as those who sailed on the high seas aboard the Confederate raiders *Sumter*, *Alabama*, *Florida*, and *Shenandoah*. The author also explores the daily lives, deprivations, and sufferings of the sailors who were captured and spent time in Union prisoner of war camps at Point Lookout, Elmira, Camp Chase, Johnson's Island, Ship Island, and Fort Delaware. Confederate prisoners' journals and letters give an intimate account of their struggle, helping modern audiences understand the ordeals of the defeated in the Civil War.

Biographical Register of the Confederate Congress Ezra J. Warner, Jr., 1975-09-01 Modeled after Ezra J. Warner's two earlier books *Generals in Gray* and *Generals in Blue*, the volume contains an introduction describing the makeup of the Confederate Congress, biographical sketches of the congressmen, and a substantial bibliography. Each biographical sketch includes the place and date of birth, family background, education, means of livelihood, politics, public service record, and degree of financial and political success of each congressman by 1860. The authors describe each individual's participation in or his opposition to secession and detail the circumstances of his election to the Confederate Congress. A prominent section of each sketch is devoted to each man's activities in the Congress, his position on the major issues before Congress, his chief interest, and the measures he sponsored, and the reason he left the Congress. Then the authors attempt to pick up the lives of each congressman after the Civil War. The sketches include the place and date of death of each man as well as the place of burial. Anyone interested in Civil War history will find *Biographical Register of the Confederate Congress* an indispensable reference.
