Rebels in the Name of the Tsar

Daniel Field

Rebels In The Name Of Tsar

Katrin Zwirgmaier

Rebels In The Name Of Tsar:

Rebels in the Name of the Tsar Daniel Field,1976 Explores the phenomenon of peasant monarchism in nineteenth century Russia focusing on rebellions which tested popular faith in the tsar The author presents and discusses two specific case studies describing the events which took place in the village of Bezdna in Kazan Province in 1861 and Chigirin district in Kiev Province during the 1870 s Front flap

Pretenders and Popular Monarchism in Early Modern Russia Maureen Perrie,2002-04-11 The first western account of the role of pretenders and impostors in early seventeenth century Russia

Renegades, Rebels and Rogues Under the Tsars Peter Julicher,2003-08-25 In the Russia of the tsars people who criticized or questioned the autocratic prerogatives of the sovereign were brutally suppressed and sometimes actively persecuted So imbedded was this official hostility to anyone hoping to change or even influence government policy that even the most high minded reformers came to understand that the only way they could succeed was to overthrow the regime The author describes the activities of the most important dissidents and agitators from the reign of Ivan the Terrible to Nicholas II and the Communist Revolution in 1917 Many of these fascinating individuals were serious activists endeavoring to improve society others were opportunistic scoundrels and adventurers The author explores the causes that provoked them and the consequences they faced and explains how time and time again the tsars were goaded into mistakes and over reaction

Practicing Stalinism J. Arch Getty,2013-08-27 DIVIn old Russia patron client relations clan politics and a variety of other informal practices spanned the centuries Government was understood to be patrimonial and personal rather than legal and office holding was far less important than proximity to patrons Working from heretofore unused documents from the Communist archives J Arch Getty shows how these political

practices and traditions from old Russia have persisted throughout the twentieth century Soviet Union and down to the present day. Getty examines a number of case studies of political practices in the Stalin era and after. These include cults of personality, the transformation of Old Bolsheviks into noble grandees, the Communist Party's personnel selection system and the rise of political clans/family circles after the 1917 Revolution. Stalin's conflicts with these clans and his eventual destruction of them were key elements of the Great Purges of the 1930s. But although Stalin could destroy the competing clans, he could not destroy the historically embedded patron-client relationship. As a final chapter on political practice under Putin shows.

Short History of Russia's First Civil War Chester S. L. Dunning, 2010-11-01 This book is the first major post-Marxist reassessment of the Time of Troubles. The Russian Peasantry 1600-1930 David Moon, 2014-07-16 This impressive work set to become the standard history on the subject offers a definitive survey of peasant society in Russia from the consolidation of serfdom and tsarist autocracy in the 17th century through to the destruction of the peasant's traditional world under Stalin. Over three quarters of Russian society were peasants in these years and David Moon explores all aspects of their life, including the rural economy, peasant households, village communities and their political role, including protest against the landowning elites. In the process, he presents a fresh perspective on the history of Russia itself. A big book in every way and compellingly readable. *The Image of Ivan the Terrible in Russian Folklore*

Maureen Perrie, 2002-04-11 A study of Ivan the Terrible's depiction in Russian folklore and the controversies surrounding it.

Russia's First Civil War Chester S. L. Dunning, 2010-11-01 He shows that serfs did not actively participate in the civil war and that the abolition of serfdom was never a rebel goal. Instead, most rebels were petty gentry, professional soldiers, townsmen and Cossacks who were united in fierce opposition to tsars they believed to be illegitimate usurpers.

Domination and the Arts of Resistance James C. Scott, 2008-10-01 Play-fool-to-catch-wise proverb of Jamaican slaves. Confrontations between the powerless and powerful are laden with deception: the powerless feign deference and the powerful subtly assert their mastery. Peasants, serfs, untouchables, slaves, laborers and prisoners are not free to speak their minds in the presence of power. These subordinate groups instead create a secret discourse that represents a critique of power spoken behind the backs of the dominant. At the same time, the powerful also develop a private dialogue about practices and goals of their rule that cannot be openly avowed. In this book, renowned social scientist James C. Scott offers a penetrating discussion both of the public roles played by the powerful and powerless and the mocking, vengeful tone they display off stage, what he terms their public and hidden transcripts. Using examples from the literature, history and politics of cultures around the world, Scott examines the many guises this interaction has taken throughout history and the tensions and contradictions it reflects. Scott describes the ideological resistance of subordinate groups: their gossip, folktales, songs, jokes and theater; their use of anonymity and ambiguity. He also analyzes how ruling elites attempt to convey an impression of hegemony through such devices as parades, state ceremony and rituals of subordination and apology. Finally, he identifies with

quotations that range from the recollections of American slaves to those of Russian citizens during the beginnings of Gorbachev's glasnost campaign the political electricity generated among oppressed groups when for the first time the hidden transcript is spoken directly and publicly in the face of power His landmark work will revise our understanding of subordination resistance hegemony folk culture and the ideas behind revolt **Emancipation** Peter Kolchin, 2024-09-10 In this sequel to his landmark study historian Peter Kolchin compares the transition to freedom after American emancipation with the Russian Great Reforms The two largest transitions from unfree to free labor of the many that occurred in Europe and the Americas during the nineteenth century took place in the United States and in Russia Both occurred in the 1860s and in both the former slaves and serfs strove to maximize their autonomy and freedom while the former masters worked to preserve as many of their prerogatives as possible Both were partially but only partially successful In this magisterial and long awaited work historian Peter Kolchin shows that a more radical break with the past was possible in the United States than in Russia with the Southern freedpeople coming to enjoy republican citizenship whereas Russian peasants remained subjects rather than citizens Both countries saw conservative reactions triumph in the late nineteenth century While this conservatism was common in most emancipations it was especially strong in Russia and the American South in part as a reaction against the major efforts to restructure the social order that went by the name of Reconstruction in the United States and the Great Reforms in Russia *Scenarios of Power: From Alexander II to the abdication of Nicholas II* Richard Wortman, 1995 V 1 From Peter the Great to the death of Nicholas I Violence and Legitimacy Volker Sellin, 2017-12-18 Benjamin Constant distinguished two kinds of government unlawful government based on violence and legitimate government based on the general will In Europe monarchy was for over a thousand years considered the natural form of legitimate government The sources of its legitimacy were the dynastic principle religion and the ability to protect against foreign aggression At the end of the eighteenth century the revolutions in America and France called into question the traditional legitimacy of monarchy but Volker Sellin shows that in response to this challenge monarchy opened up new sources of legitimacy by concluding alliances with constitutionalism nationalism and social reform In some cases the age of revolution brought on a new type of leader basing his claim to power on charisma *From Mutual Observation to Propaganda War* Malte Griesse, 2014-03-15 The Arab spring protest movements in the EU Russia Turkey or elsewhere are often labeled as twitter revolutions A crucial role is attributed to the new media coverage of events abroad and ensuing mutual reactions With the dissemination of print revolts in early modern times faced the challenge of a similar media revolution This influenced the very face of the events that could become full fledged propaganda wars once the insurgents had won access to the printing press But it also had an impact on revolt narratives Governments severely persecuted dissident views in such delicate issues as revolts Observers abroad had no such divided loyalties and were freer to reflect upon the events Therefore the book focuses mainly on representations of revolts across borders *Bloody Saturday in the*

Soviet Union Samuel H. Baron, 2001 This is the first complete story long hidden by the Soviet Union of the attack by government forces on striking workers in 1962 resulting in 21 dead and hundreds of others wounded or imprisoned Only with the advent of glasnost in the 1980s did the tight lid of secrecy placed on the entire episode by the Soviets begin slowly to lift

Rebel Russia Anna Arutunyan, 2025-05-14 Navalny Lenin Pugachev The Russian rebel in his epic battle against the Leviathan of the Russian state has enthralled readers and writers for decades The rebel s story is almost always a sad one that ends in exile imprisonment or martyrdom leaving but a seed for the future reform of the Leviathan which he or she had taken on Why do revolts from the Decembrist uprising to the Snow Revolution that brought Alexei Navalny to the forefront of contemporary Russian politics seem to end up failing or producing an even worse form of despotism In reality the brave words and deeds of dissidents have shaped the course of Russian history more often than we might think Through the stories of prominent rebels from the time of Ivan the Terrible to the present day as well as her own experiences reporting on her country s descent into authoritarianism Russian American journalist Anna Arutunyan explores how the rebel and the Tsar defined each other through a centuries long dance of dissent and repression These characters and their lives not only reveal the true nature of the Russian state they also offer hope for a future Russian democracy

Unfree Labor Peter KOLCHIN, 2009-06-30 Two massive systems of unfree labor arose a world apart from each other in the late sixteenth and early seventeenth centuries The American enslavement of blacks and the Russian subjection of serfs flourished in different ways and varying degrees until they were legally abolished in the mid nineteenth century Historian Peter Kolchin compares and contrasts the two systems over time in this magisterial book which clarifies the organization structure and dynamics of both social entities highlighting their basic similarities while pointing out important differences discernible only in comparative perspective These differences involved both the masters and the bondsmen The independence and resident mentality of American slaveholders facilitated the emergence of a vigorous crusade to defend slavery from outside attack whereas an absentee orientation and dependence on the central government rendered serfholders unable successfully to defend serfdom Russian serfs who generally lived on larger holdings than American slaves and faced less immediate interference in their everyday lives found it easier to assert their communal autonomy but showed relatively little solidarity with peasants outside their own villages American slaves by contrast were both more individualistic and more able to identify with all other blacks both slave and free Kolchin has discovered apparently universal features in master bondsman relations a central focus of his study but he also shows their basic differences as he compares slave and serf life and chronicles patterns of resistance If the masters had the upper hand the slaves and serfs played major roles in shaping and setting limits to their own bondage This truly unprecedented comparative work will fascinate historians sociologists and all social scientists particularly those with an interest in comparative history and studies in slavery

Lenin Lives! Nina Tumarkin, 1997 Was the deification of Lenin a show of spontaneous affection or a planned political operation designed to solidify the revolution

with the masses This book aims to provide the answer Exploring the cults mystical historical and political aspects the book attempts to demonstrate the galvanizing power of ritual in the establishment of the postrevolutionary regime In a new section the author includes the fall of the Soviet Union and Russia s new democracy MIGRANT AGRICULTURAL LABORERS IN THE STEPPE GRAINBELT OF EUROPEAN RUSSIA, 1830-1913. (VOLUMES I-IV). Timothy Mixter, 1992 resistance particularly in hiring markets *Histoire Russe* ,1993

This is likewise one of the factors by obtaining the soft documents of this **Rebels In The Name Of Tsar** by online. You might not require more become old to spend to go to the ebook commencement as well as search for them. Rebels In The Name Of Tsar Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rebels In The Name Of Tsar PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency

saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rebels In The Name Of Tsar PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rebels In The Name Of Tsar free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rebels In The Name Of Tsar Books

What is a Rebels In The Name Of Tsar PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rebels In The Name Of Tsar PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rebels In The Name Of Tsar PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rebels In The Name Of Tsar PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rebels In The Name**

Of Tsar PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
