Deconstruction and Reconstruction in Yhwh's Universal Project Louismary Ocha,2022-01-27 Taking its bearing from the mission statement in prophet Jeremiah's vocation narrative Jer 1 10 the book examines YHWH's events of deconstruction and reconstruction in Israel of the Old Testament Through the analysis of the six verbs namely pluck up pull down demolish destroy build and plant the book gives a different dimension to the common impression that Jeremiah is a prophet of woes and laments thereby limiting his prophecies to only oracles of destruction hence total annihilation Rather it investigates Jeremiah s prophecies as flying with two wings oracles of judgement and oracles of salvation In other words the oracles are not only against the nations but also for the nations With the exile of the Israelites and their restoration to the land in view according to the book of Jeremiah YHWH continues His creative and restorative acts and depicts the divine full involvement and control of Israel's history In like manner the book portrays the abiding divine presence in the history of humankind in general Therefore Israel is only used to form a bridge of YHWH's concern for the nations hence the entire humanity As YHWH sets the history of Israel in motion so He performs for the rest of humanity The goal of which has always been for the good and salvation of humankind of which the culmination is in the person and advent of Jesus Christ The End Of Earth Philip N. Moore, 2024-11-01 In this eye opening exploration discover how Moses ancient prophecies on Israel the coming of

Bock, 2014-09-10 What does the Bible teach about the role of the Jewish people and the nation of Israel today What is God's plan for the future of Israel and the neighboring countries How can believers in Jesus be part of God's peace process in the Middle East The People the Land and the Future of Israel walks through the Bible's account of the role of Israel and the Jewish people both now and in the future Each contributor offers a profound insight into God's unfolding plan and purpose for the nation of Israel as the Scripture depicts them Readers will gain a deeper understanding of both current and future events in the Middle East as described in both the Hebrew Scriptures and the New Testament Features an extensive foreword by best selling author Joel Rosenberg who addresses the question Will there ever be peace for Israel and her neighbors Each chapter includes a scannable QR code that links to a short video introduction by the author of that chapter introducing its topic Discussion questions in each chapter aid book group and classroom discussion God's Heart for Israel (and Us) John Weldon, 2011-07-12 We read God's promises to Israel in the Old Testament where it is referred to as the apple of His eye but is God done with Israel since they rejected their Messiah Are we as Christians supposed to stand for the nation of Israel today Has the Church now replaced Israel so that God's promises and covenants given in the OT no longer apply to Israel What is Israel s global importance Is global anti Semitism on the rise What will be Israel s ultimate future According to an article in the Jerusalem Post of June 17 2011 Israel is at a do or die moment As was the case in May 1967 when the combined Arab armies gathered with the express purpose of wiping the Jewish state off the map today again Israel is alone in its hour of greatest peril John Weldon is able to answer these questions and address the important issues of our day because of the extensive research he has done on Middle East and America He shares what he has learned in this deeply thought provoking The Watchman of Israel ,1920 The Hebrew Lutheran ,1927 The Sermons, Epistles and Apocalypses of book Israel's Prophets Charles Foster Kent, 1910 The Dragon's Revelation: Israel, the Shadow of Resurrection, and the Final Days Unveiled Clara Boone, 2025-04-14 Hidden within ancient prophecies and veiled biblical texts lies a secret so profound it could reshape our understanding of history faith and the very destiny of humanity It speaks of a nation reborn a land steeped in ancient power and a chain of events leading to the culmination of time itself Israel This book unravels the enigma of Israel's existence exploring its pivotal role in the grand tapestry of biblical prophecy You ll journey through the corridors of history uncovering the threads that connect past present and future Ancient mysteries will be laid bare shedding

light on the intricate relationship between Israel the resurrection of the dead and the dramatic events signaling the end of the age For centuries believers and skeptics alike have grappled with the complexities of biblical prophecy This book serves as a guide a key to unlocking the hidden meanings within these ancient texts and grasping their significance in our modern world It provides clarity on the seemingly disparate pieces of the prophetic puzzle revealing how they coalesce to paint a stunning picture of the times we live in Covenant: G-D's plan for Israel in the last days Baruch Battelstein, 2005 Lo I will send you Elijah the prophet before the coming of the great and awesome day of the Lord that he may turn the heart of the fathers back through the children and the heart of the children back through their fathers Malachi 3 23 24 Are you ready for the great and awesome Day of the Lord Do you know and recognize with understanding how the horrendous events that will take place shortly on this earth are going to impact your life and those around you Perhaps you are one watching from afar thinking it will not come near me No one will be able to escape Are you ready Like a tsunami racing across the ocean events are taking place today that in our minds only a few short years ago we could not in fact would not even dare conceive yet they have come to pass Events and changes that are happening seemingly in the blink of an eye This book has been written with a pen of a ready writer The author has brought forth in clarity God s plan for the spiritual and physical redemption of His people His land and Jerusalem His plan as revealed in the Tanach Bible is unfolding right before our very eyes The time is very near when the God of Israel will bring His people into the bond of the covenant a new covenant into which the whole house of Israel will enter and they will be His people and He will be their God However there will be much tribulation during this time known as the Day of the Lord not only for the Jewish people themselves but also for all nations and peoples of the world Israel, the Church, and the Last Days Dan Juster, Keith Intrater, 2005 Covering relevant issues now transpiring in the Middle East Israel the Church and the Last Days examines questions on the Last Days and Israel s place in the end times among other topics and presents a new perspective on these issues Social Issues Salvation of the Remnant in Isaiah 11 Gerald Emem Umoren, 2007-10 As a response to this situation this dissertation which scored a summa grade on presentation to the Biblical section of the Faculty of Theology of the Pontifical University of St Thomas Rome is basically an exegetico theological inquiry into the meaning and possible implication of Is 11 11 12 which What Israel Means to Me Alan Dershowitz, 2008-04-21 Personal and Passionate proposes the salvation of the remnant Reflections on the Land and Its People The Mediterranean landscape the exuberance of the Israelis the way politics is a matter of life and death there all these things beguiled me Erica Jong author What does Israel mean to me Courage The Israelis have more courage in their pinky finger than I have in my whole life Tovah Feldshuh actress It is an unparalleled story of tenacity and determination of courage and renewal And it is ultimately a metaphor for the triumph and enduring hope over the temptation of despair David Harris Executive Director of the American Jewish Committee I have no desire to be like everyone else Something in me wants the entry of the Jewish people into world politics to be judged by the highest

conceivable measure Indeed that may be what is both so inspiring and confounding about the existence of Israel Rabbi Lawrence Kushner Israel isn t a symbol Israel is the practical manifestation of hope freedom and self determination Larry King television host
