Receiving God's Love, 2005 **Receiving God's Love** Robert Schnase, 2014-07-15 Since the publication of *Five Practices of Fruitful Congregations* these five practices have helped hundreds of congregations understand their mission renew ministries and stretch toward fruitfulness and excellence for the purpose of Christ Now each of the five practices has been broken out into 4 week small group studies that provide an honest practical and winsome guide to the spiritual journey In *Receiving God's Love The Practice of Radical Hospitality* we learn that our personal walk with Christ begins with an extraordinary receptivity to the grace of God Within the congregation hospitality focuses on inviting and making room for newcomers In our personal walk in distinctive ways we first invite God into our hearts and make space for God in our lives We receive God's love and then offer it to others *Qabalistic Doctrines On Sexual Polarity* Ann Davies, 2021-02-19 There is a fundamental impulse within you to seek understanding wisdom true knowledge of yourself nature and the universe The Mystery Schools are and always have been the repositories of special knowledge that is the key to the realization of all that you seek It is our objective to place this key in the hands of those who are ready to receive and act upon it This special knowledge enables you to know yourself and your creative powers and to make for yourself the kind of world you want to live in The problems that you face in life are not really obstacles but like a closed door to a room that holds special knowledge B O T A gives you the key that will unlock the problem doors of your life and in their opening your health prosperity and the mastery of your life and environment will increase **Love Disconsoled** Timothy P. Jackson, 1999-11-25 Few concepts are more central to ethics than love but none is more subject to false consolation This 1999 book explores several theological philosophical and literary accounts of love focusing on how it relates to matters such as self interest and self sacrifice and invulnerability and immortality Timothy Jackson first considers key aspects of what the Bible says about love then he further examines the meaning of love and sacrifice through a close reading of novels by Fitzgerald and Hemingway Lastly he evaluates how love constrains and is constrained by other traditional moral concepts Throughout Jackson defends the moral priority of what the Christian tradition calls agape He argues that a proper understanding of agapic love rejects both moral relativism and the comfort of believing that good people cannot be harmed or that God causally necessitates every historical action and event When love is thus disconsoled it neither fears death nor despises life **Divine Impassibility** Robert J. Matz, A. Chadwick Thornhill, 2019-08-13 Does God suffer Does God experience emotions Does God change This Spectrum Multiview volume brings together four theologians who make a case for their own view ranging from a traditional affirmation of divine impassibility the idea that God does not suffer to the position that God is necessarily and intimately affected by creation and then each contributor responds to the others views **Humility and Human Flourishing** Michael W. Austin, 2018 Grounded in the canonical gospels and other New Testament passages especially Philippians 2:1-11 this study offers an account of humility from a Christian perspective *An Explanation of the ...
