Wedding Speeches - a Practical Guide for Delivering an Unforgettable Wedding Speech Sam Siv, 2014-09-02 A Practical Guide for Delivering an Unforgettable Wedding Speech Your wedding day should be the most important day of your life It is the day when all your friends and family as well as the friends and family of your husband to be gather together to celebrate your big day Unless you are lucky enough to be able to afford a wedding planner you will have so many things to think about and plan from the pre wedding parties to the wedding ceremony and reception and even the honeymoon As part of your wedding day it is expected that certain people in your wedding party give speeches to congratulate you on your newly married status and also to tell a few stories about you and the groom To a certain extent you don't need to worry about this aspect of the wedding unless you intend to make a speech yourself However you will want to have an input into who makes the speeches and how long they are because this will have a roll on effect on everything else that happens at your wedding reception Who gives the speeches and toasts at your wedding really depends on what you want It is traditional for the male side of the wedding party only to give speeches You may even want to cut this down further and just ask the best man and groom to give a speech Then again you may want to laugh in the face of tradition and make sure the female side of the wedding party including yourself have the chance to say something Of course you will need to check with everyone that they are happy to give a speech The groom and best man probably won't have much choice but others may prefer to stay quiet and simply listen to what the main members of the wedding party have to say Reviews By Author Natasja Hellenthal I bought this book on Amazon.co.uk This is THE BOOK to prepare and create your wedding speech I was searching for a book like this as one of my best friends is getting married so naturally my speech has to be perfect There are so many tips and ideas to start you off with that I will be telling other people about it too It has many chapters for different speeches best man bridesmaids grooms etc so take your pick By Vanessa D I bought this book along with the authors book on wedding planning as I am the upcoming maid of honor to my best friends wedding Never having given a speech before at a wedding I knew I needed to do my homework when it came to delivering one during the reception While this book provide information on what my speech could contain By Author Cliff Roberts No more freezing in public Wow a great guide that anyone can use to help make themselves look like a pro speaker You'll Learn Order of the Speeches and when to use them How to Deliver a Great Speech Tips for Father of the Bride
