Rhapsody A Love Story:

Rhapsody Judith Gould,1999 **Rhapsody** Judith Gould,2000 In Vienna for a concert Misha Levin a Russian Jewish musician from New York runs into Serena Gibbons an old flame on a photographic assignment Love flares anew but will it last Misha is married **'She and I'**. John Conroy Hutcheson,1873 Mobilizing Music in Wartime British Film Heather Wiebe,Teaching Professor in Music and Liberal Studies Heather Wiebe,2024-10-11 Mobilizing Music in Wartime British Film examines the preoccupation with art music and total war that animated British films of the 1940s *Ming Erotic Novellas* Richard G Wang,2011-03-13 Richard Wang s *Ming Erotic Novellas* is path breaking in its attention to a virtually ignored body of literature that certainly influenced the writing of the Jin Ping Mei the Sanyan vernacular stories and most likely Li Yu s fiction Compared to other titles in the field this is the first scholarly monograph in any language to contextualize the erotic novellas of late imperial China Moreover existing studies in this area have tended to concentrate on a limited number of works of Chinese erotic fiction or have only brushed up against these works tangentially during more general discussion of Ming and Qing literature *Ming Erotic Novellas* adopts a provocative approach to fiction moving beyond the traditional textual analyses of gender politics and the qing cult and examining these erotic novellas as a new genre within the contexts of print culture readership consumption patterns as well as religious dimensions *Ming Erotic Novellas* focuses on a group of mid to late Ming literary wenyan novellas which are all stories of erotic romance These novellas include a profusion of poems mixed with prose narratives that are characterized by simple literary Chinese with a tendency toward the vernacular Their plots are complex with some running 20 000 characters or more allowing for nuanced character development rich dialogue and psychological description Circulated widely during the Ming the novellas had a significant impact on later erotic and scholarbeauty caizi jiaren novels This particular group of novellas was of great importance in the development of Chinese fiction functioning as a transitional link between the classical tale to the vernacular novel By approaching these works through the lens of a cultural study Wang is able to explore the social functions of the novellas as well as their significance in the development of Chinese fiction in the Ming cultural context The Gendered Score: Music in 1940s Melodrama and the Woman's Film Heather Laing,2017-07-05 Heather Laing examines for the first time the issues of gender and emotion that underpin the classical style of film scoring but that have until now remained unquestioned and untheorized thus providing a benchmark for thinking on more recent and alternative styles of scoring Many theorists have discussed this type of music in film as a signifier of emotion and the feminine a capacity in which it is frequently associated with female characters The full effect of such an association on either female or male characterization however has not been examined This book considers the effects of this association by progress through three stages cultural historical precedents the generic parameters of melodrama and the woman s film and the narrativization of music in film through diegetic performance and the presence of musicians as characters Case studies of specific films provide textual and musical analyses and the genres of melodrama and

the woman's film have been chosen as representative not only of the epitome of the Hollywood scoring style but also of the narrative association of women emotion and music Laing leads to the conclusion that music functions as more than merely a signifier of emotion Rather it takes a crucial role in both indicating and determining how emotion is actually understood as part of the construction of gender and its representation in film
