does the sagacious author after having sold his material to the magazines and been paid for it clap it into book covers and give it another squeeze But in the present case the author is of a nice conscience and anxious to place responsibility where it is due He therefore wishes to make all proper acknowledgments to the editors of Vanity Fair The American Magazine The Popular Magazine Life Puck The Century Methuen s Annual and all others who are in any way implicated in the making of this book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
