Moral Hazard A Novel

Marina MacKay

Moral Hazard A Novel:

Moral Hazard Kate Jennings, 2003-05-27 Savage and heartbreaking *Moral Hazard* is a wry look at greed and alienation in the workplace a love story about the saddest way for love to end *Newsday* and a timely exquisitely written novel about failure and human resilience

The Cambridge Introduction to the Novel Marina MacKay, 2010-11-25 Beginning its life as the sensational entertainment of the eighteenth century the novel has become the major literary genre of modern times Drawing on hundreds of examples of famous novels from all over the world Marina MacKay explores the essential aspects of the novel and its history where novels came from and why we read them how we think about their styles and techniques their people plots places and politics Between the main chapters are longer readings of individual works from *Don Quixote* to *Midnight's Children* A glossary of key terms and a guide to further reading are included making this an ideal accompaniment to introductory courses on the novel

Intellectual Manhood Timothy J. Williams, 2015-03-09 In this in depth and detailed history Timothy J Williams reveals that antebellum southern higher education did more than train future secessionists and proslavery ideologues It also fostered a growing world of intellectualism flexible enough to marry the era's middle class value system to the honor bound worldview of the southern gentry By focusing on the students perspective and drawing from a rich trove of their letters diaries essays speeches and memoirs Williams narrates the under examined story of education and manhood at the University of North Carolina the nation's first public university Every aspect of student life is considered from the formal classroom and the vibrant curriculum of private literary societies to students personal relationships with each other their families young women and college slaves In each of these areas Williams sheds new light on the cultural and intellectual history of young southern men and in the process dispels commonly held misunderstandings of southern history Williams's fresh perspective reveals that students of this era produced a distinctly southern form of intellectual masculinity and maturity that laid the foundation for the formulation of the post Civil War South

Economics for Lawyers Richard A. Ippolito, 2012-01-12 Whether dealing with contracts tort actions or government regulations lawyers are more likely to be successful if they are conversant in economics *Economics for Lawyers* provides the essential tools to understand the economic basis of law Through rigorous analysis illustrated with simple graphs and a wide range of legal examples Richard Ippolito focuses on a few key concepts and shows how they play out in numerous applications There are everyday problems What is the social cost of legislation enforcing below market prices minimum wages milk regulation and noncompetitive pricing Why are matinee movies cheaper than nighttime showings And then there are broader questions What is the patent system's role in the market for intellectual property rights How does one think about externalities like airport noise Is the free market a regulated solution or tort law the best way to deliver the efficient amount of harm in the workplace What is the best approach to the question of economic compensation due to a person falsely imprisoned Along the way readers learn what economists mean when they talk about sorting signaling reputational assets lemons markets moral hazard and adverse

selection They will learn a new vocabulary and a whole new way of thinking about the world they live in and will be more productive in their professions

Plot, Story, and the Novel Robert L. Caserio, 2015-03-08 Giving a close critical reading to major texts by Dickens Poe Eliot Melville James Conrad Lawrence Joyce Woolf and Faulkner Professor Caserio provides an historical dimension to the developing fate of plot story and the novel In addition he challenges the major critical positions of Northrop Frye Roland Barthes and Edward Said with regard to the interpretation and evaluation of narrative trends Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Risk and the English Novel Julia Hoydis, 2019-09-23 Taking the cue from the currency of risk in popular and interdisciplinary academic discourse this book explores the development of the English novel in relation to the emergence and institutionalization of risk from its origins in probability theory in the late seventeenth century to the global risk society in the twenty first century Focussing on 29 novels from Defoe to McEwan this book argues for the contemporaneity of the rise of risk and the novel and suggests that there is much to gain from reading the risk society from a diachronic literary cultural perspective Tracing changes and continuities the fictional case studies reveal the human preoccupation with safety and control of the future They show the struggle with uncertainties and the construction of individual or collective logics of risk which oscillate between rational calculation and emotion helplessness and denial and an enabling or destructive sense of adventure and danger Advancing the study of risk in fiction beyond the confinement to dystopian disaster narratives this book shows how topical notions such as chance and probability uncertainty and responsibility fears of decline and transgression all cluster around risk

Civil Society in the Age of Monitorial Democracy Lars Trägårdh, Nina Witoszek, Bron Taylor, 2013-05-01 Since the emergence of the dissident parallel polis in Eastern Europe civil society has become a new superpower influencing democratic transformations human rights and international co operation co designing economic trends security and defense reshaping the information society and generating new ideas on the environment health and the good life This volume seeks to compare and reassess the role of civil society in the rich West the poorer South and the quickly expanding East in the context of the twenty first century s challenges It presents a novel perspective on civic movements testing John Keane s notion of monitorial democracy an emerging order of public scrutiny and monitoring of power

Ethics and Narrative in the English Novel, 1880-1914 Jil Larson, 2001-02-12 Drawing on interdisciplinary work in the field of ethics and literature by a diverse range of thinkers including Martha Nussbaum Emmanuel Levinas and Paul Ricoeur Jil Larson offers new readings of late Victorian and turn of the century British fiction she shows how ethical concepts can transform our understanding of narratives just as narratives

make possible a valuable contextualised moral deliberation Focusing on novels by Thomas Hardy Sarah Grand Olive Schreiner Oscar Wilde and Henry James Larson explores the conjunction of ethics and fin de siècle history and culture through a consideration of what narratives from this period tell us about emotion reason and gender aestheticism and such speech acts as promising and lying This book will be of interest to scholars of nineteenth century and modernism and all interested in the conjunction between narrative ethics and literary theory **The Challenges of Catastrophe Risk**

Management: Empirical Analyses in the CAT Bond Market Tobias Götze,2021-03-22 Due to the increasing relevance of natural catastrophes as a significant global source of risk and the capacity constraints in primary insurance and reinsurance markets CAT bonds have become an important instrument to manage catastrophe risks by transferring them to the capital market In three empirical studies this dissertation examines the challenges related to catastrophe risk management with CAT bonds First the factors that influence the substitution of traditional reinsurance by CAT bonds are identified These factors consist of the insured risk layer and the extends of reinsurer default risk basis risk and asymmetric information Second the accessibility of the CAT bond market for re insurance companies is analyzed and the results exhibit the existence of barriers to market entry in the form of higher premiums being paid by less reputable and financially weaker CAT bond sponsors The third empirical study shows that CAT bond sponsors are susceptible to moral hazard but also that moral hazard can be successfully prevented by sufficient loss retention or by the use of non indemnity CAT bonds Altogether this dissertation contributes to improving the understanding of the CAT bond market and the challenges of catastrophe risk management using CAT bonds **Contemporary Perspectives on Language, Culture and Identity in Anglo-American Contexts**

Éva Antal,Csaba Czeglédi,Eszter Krakkó,2019-09-23 This collection of essays highlights the great variety one finds in contemporary scholarly discourse in the fields of English and American studies and English linguistics in a broad and inclusive way It is divided into thematically structured sections the first two of which examine the motif of travelling and images of recollection in literary works while the third and the fourth parts deal with male and female voices in narratives Another chapter discusses visual and textual representations of history The last two subsections focus on the rhetorical and theoretical questions of language The pluralism of themes indicated in the book s title can thus be regarded not as a limitation but rather as evidence of its potential **A Journey** John S. Campbell, MD,2006-06-26 All of us repeatedly grieve heal and reinvent ourselves throughout our lives Being aware of and active in this inherent aspect of our existence I believe to be a less painful and more satisfying way of living than blindly struggling with or resisting these natural processes John S Campbell M D author of A Journey Creative Grieving and Healing We all die he seems to be telling us What is far more important is that we live a meaningful life before that time comes We all need to dig deep to find our own wisdom so we may understand what John is telling us Nikki DeFrain M S and John DeFrain Ph D from their Foreword **In Bad Faith** Forrest

Glen Robinson,1986 Something is not right in the world of Tom Sawyer and Huckleberry Finn The unease is less evident to

Tom the manipulator than to the socially marginal Huck The trouble is most dramatically revealed when Huck whose civilized Christian conscience is developing faces the choice between betraying his black friend Jim which he believes is his moral duty and letting him escape as his heart tells him to do Bad faith is Forrest Robinson s name for the dissonance between what we profess to believe how we act and how we interpret our own behavior There is bad faith in the small hypocrisies of daily living but Robinson has a much graver issue in mind namely slavery which persisted for nearly a century in a Christian republic founded on ideals of freedom equality and justice Huck living on the fringes of small town society recognizes Jim s humanity and understands the desperateness of his plight Yet Huck is white a member of the dominant class he is at once influenced and bewildered by the contradictions of bad faith in the minds of his fully acculturated contemporaries Robinson stresses that bad faith is more than a theme with Mark Twain his bleak view of man s social nature however humorously expressed his nostalgia his ambivalence about the South his complex relationship to his audience can all be traced back to an awareness of the deceptions at the core of his culture and he is not himself immune This deeply perceptive book will be of interest to students of American literature and history and to anyone concerned with moral issues **AMERICAN**
