Norman Holmes, 2020-12-07 Rev Norman Holmes shows us how Christ gave prophetic Scriptures to explain church history The reader will see the awesome parallels between the seven parables in Matthew 13 and the seven letters to the churches in the book of Revelation to the history of the church Within these passages of Scripture can be seen the planting of the church by the preaching of Christ and the apostles as well as the growth and mixture that ensued followed by the restoration of the church and the great harvest at the end of the age Among the topics studied are The growth battles and triumph of the Church How mixture and division entered Christianity The lives and exploits of mighty men of God How revivals started movements and denominations The Church's completion of the Great Commission Preparing to reign with Christ in the Millennium

A Bride in Exile Gordon W. Court Jr., 2019-08-18 The Owner of the vineyard is coming to gather in His harvest The Rich Man is returning to His estate The Landowner is coming to distribute our wages In all these prophetic parables His arrival brings mixed results Everything depends on whether or not the Master is loved There is coming a time when He will be returning That He has assured For some it will be a time of great joy for others great woe When He does much like what was done at the Temple our God is going to clean house on a very imposing scale Jesus did a little Father's house dusting with some hastily braided cord but that's only a sneak preview of what needs to be done and upon His return will be Part of that refurbishment is going to require the correction of false practices and errant theologies to get the stench of worthless sacrifices out and the graffiti of friendly bloodshed off the walls It is the end result that will have the most significance We will end up with only one religion one truth and one faith The question for you to contemplate is Will it be yours
