A New Witness for the Articles of Faith Bruce R. McConkie, 2007-09-01 **A New Witness for the Articles of Faith** Bruce McConkie, 1993-01-01 *New Witnesses for God ...* Brigham Henry Roberts, 1911 *New Witnesses for God: Joseph Smith, the prophet* Brigham Henry Roberts, 1911 *The Articles of Faith* James Edward Talmage, 1899

Understanding Covenants and Communities Mark Diamond, Andrew Reed, 2020-08-01 A joint publication between CCAR Press and Brigham Young University Interfaith dialogues of understanding are valuable both for challenging individuals to articulate their beliefs and practices in a careful way and for deepening connections between people of different faiths The Jewish and Latter day Saint communities have at times been at odds yet they share a number of significant historical and communal bonds *Understanding Covenants and Communities* comes out of the Jewish Latter day Saint Academic Dialogue Project a groundbreaking interfaith encounter between these two religious communities The fruit of five conferences held semiannually since 2016 the volume addresses such themes as theological foundations sacred scriptures lived experience and worship and culture and politics Readers will emerge with a deeper understanding of the Jewish and Latter day Saint traditions and how the two faith communities can engage in a meaningful dialogue *Old Testament Study Guide, Pt. 1* Randal S. Chase, 2010-12-01 *Genesis to Numbers* This volume is the first of three on the Old Testament It begins with a discussion of the importance of studying the Old Testament and the role of Jesus Christ in the Plan of Salvation and His selection as our Savior in the premortal council in heaven We read concerning the process of creation the placing of Adam and Eve in the Garden of Eden and their fall into mortality We learn briefly about Cain and Abel followed by brief discussions of all the patriarchs from Adam to Abraham Isaac and Jacob We follow the story of Joseph in Egypt followed by the migration of Jacob s family to that land for survival We read of the rise of Moses the Exodus and the events at Mt Sinai Then we study the rebellion of the children of Israel and their wandering in the wilderness for 40 years The cover features a beautiful image of Abraham s Journey from Ur to Canaan painted by Jozsef Molnar in 1880 *"This Is My Doctrine": The Development of Mormon Theology* Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In

the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions

In Heaven as It Is on Earth Samuel Morris Brown,2012-01-02 A groundbreaking interpretation of earliest Mormonism that frames this distinctive religious movement in terms of founder Joseph Smith s struggle to conquer death
