Taking a Chance on Love George Harwood Phillips, 2019-09-19 When his friend George Gershwin persuaded Vladimir Dukelsky to change his name to Vernon Duke what the music world already knew became apparent to the public at large the man had two musical personas one as a composer the other as a tunesmith One wrote highbrow music the other lowbrow Yet the two sides complemented each other Neither could function without the other Born and classically trained in imperial Russia Vladimir Dukelsky 1903 1969 fled the Bolshevik Revolution with his family discovered American popular music in cosmopolitan Constantinople and pursued his budding interest to New York before his passion for classical music drew him to Paris where the impresario Serge Diaghilev hired him to compose a ballet for the Ballets Russes *Taking a Chance on Love* immerses us in Duke's dizzying globe hopping and genre swapping as financial concerns and musical passions drive him from composing symphonies to writing songs from brilliant successes to Broadway flops and from performing with classical performers to writing books and articles Throughout as he crisscrosses the landscape of American music collaborating with lyricists such as Howard Dietz Ira Gershwin and Sammy Cohn the incomparable Vernon Duke emerges clearly from these pages sometimes charming sometimes infuriating always entertaining Although Vernon Duke has entered the canon of American standards with such songs as *Taking a Chance on Love* *I Can't Get Started* and *April in Paris* little is known about the composer with two personas *Taking a Chance on Love* brings the intriguing double life of Dukelsky Duke back into the spotlight restoring a chapter to the history of the Great American Songbook and to the story of twentieth century music

The Publishers Weekly, 1972

Focus On: 100 Most Popular Vaudeville Performers Wikipedia contributors,

Kurt Weill: The Threepenny Opera Stephen Hinton, 1990-07-26 This is the first book on the best known of the Weill

Brecht collaborations to explore the extent and significance of the composer's contribution. Described as the weightiest possible lowbrow opera for highbrows and the most full-blooded highbrow musical for lowbrows, Hans Keller's enduringly popular Threepenny Opera has given rise not only to interpretations as numerous as they are diverse but also to new adaptations. One such is Brecht's hitherto unpublished concert version, which is included here in English translation. Even the stage work generally known today departs significantly from what was performed at the premiere in 1928. After a detailed reconstruction of the work's genesis and continued revision over three decades, the editor examines the spin-offs in which the authors participated: the instrumental suite, the film, the law suit, the novel, and the musical and textual revisions of songs. In a brisk survey of the stage history, the editor pays particular attention to pioneering productions in Germany and Britain. Kim Kowalke provides an exhaustive account of the history of The Threepenny Opera in America. Geoffrey Abbott addresses questions concerning authentic performance practice, and David Drew analyzes large-scale motivic relationships in the music. Among the earlier writings on the work reprinted here, those by Theodor W. Adorno, Ernst Bloch, and Walter Benjamin appear for the first time in English translation. A concluding chapter by the editor considers whether The Threepenny Opera's popularity rests as frequently maintained on a misunderstanding. The book contains numerous illustrations, a discography, and music examples.

New York Times Gershwin Years In Song Introduction

In today's digital age, the availability of New York Times Gershwin Years In Song books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New York Times Gershwin Years In Song books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New York Times Gershwin Years In Song books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New York Times Gershwin Years In Song versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New York Times Gershwin Years In Song books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New York Times Gershwin Years In Song books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New York Times Gershwin Years In Song books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New York Times

Gershwin Years In Song books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New York Times Gershwin Years In Song books and manuals for download and embark on your journey of knowledge?
