The book explores six distinct yet connected policy domains: Boardroom Politics (decisions by business leaders and professionals), Bureaucratic Politics (rule making and adjudication by administrators), Cloakroom Politics (lawmaking by legislators), Chief Executive Politics (decision making by presidents, governors, mayors, and their advisers), Courtroom Politics (rulings by judges), and Living Room Politics (opinions expressed through the mass media, grassroots movements, political activists, and voters). The authors' unique framework prepares students to evaluate the strategies of various political actors within each domain.
