Polon Muzyki Muzy I Muki

Julie A. Buckler

Polon Muzyki Muzy I Muki:

The Literary Lorgnette Julie A. Buckler, 2000 This book uses a literary lens to examine the diverse practices and texts of opera going on in imperial Russia

Russian Literature and the Classics Peter I. Barta, David H. J. Larmour, Paul Allen Miller, 2013-12-02 Russian Literature and the Classics attempts to fill a gap. To date there has been no book-length systematic study of the impact of antiquity on Russian literature and culture. While by no means claiming to offer a comprehensive approach, the authors focus on various aspects of the influence which the Classics have had on Russian literature at particularly significant junctures: the beginning of the nineteenth century, the age of the great Russian realist novel, the Silver Age, Stalin's terror, the Thaw after 1956, and the period just before the collapse of Soviet society. In their introductory essay, the editors offer an overview of the Classical Tradition. In it, they provide an insight into the contrasting ways in which that tradition manifested itself in the literatures of Western Europe and of Russia.

Music in Russian Poetry Paul Friedrich, 1998 Surveys the Russian lyric scene from the mid 18th century through the Modern period in terms of poets' own ideas as well as the author's interpretations. Themes such as poetic craft, musicality, and sociopolitical context are interrelated through their variations in 21 of Russia's finest lyric poets and then integrated through two recapitulations. For students of Russian lyric poetry and for those interested in comparative structural, autobiographical, and musicological approaches to lyric poetry and poetic culture.
