Quilts And Other Bed Coverings In The Canadian Tradition:

Quilts and Other Bed Coverings in the Canadian Tradition Ruth McKendry, Blake McKendry, 1979 **The Natural History of the Traditional Quilt** John Forrest, Deborah Blincoe, 2011-01-19 Traditional quilts serve many purposes over the course of a useful life Beginning as a beautiful bed covering a quilt may later function as a ground cover at picnics until years of wear relegate it to someone's ragbag for scrap uses Observing this life cycle led authors John Forrest and Deborah Blincoe to the idea that quilts like living things have a natural history that can be studied scientifically They explore that natural history through an examination of the taxonomy morphology behavior and ecology of quilts in their native environment the homes of humans who make use keep and bestow them The taxonomy proposed by Forrest and Blincoe is rooted in the mechanics of replicating quilts so that it can be used to understand evolutionary and genetic relationships between quilt types The morphology section anatomizes normal and abnormal physical features of quilts while the section on conception and birth in the life cycle discusses how the underlying processes of replication intersect with environmental factors to produce tangible objects This methodology is applicable to many kinds of crafts and will be of wide interest to students of folklore anthropology and art history Case studies of traditional quilts and their makers in the Catskills and Appalachia add a warm human dimension to the book **Canadian Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers **Quilts in the Attic** Karen Musgrave, 2012-02-15 For generations quilts have both preserved history and furthered artistic innovation leading to personal and creative discoveries that have changed lives In *Quilts in the Attic* author and quiltmaker Karen Musgrave presents 30 stories of great quilt discoveries including hidden masterpieces fascinating finds and treasured family heirlooms The tales in this book are both heartwarming and thrilling whether about unearthing breathtaking pieces at summer flea markets or finding Grandma's priceless antique quilt hidden away in a box By sharing stories from all over the world Musgrave uses these wonderful works

of art to explore the complex patchwork of human history from 19th century Jewish life in Southern California to the Sears National Quilt Contest at the 1933 World's Fair in Chicago to a 12th century castle in France Each memory embodies the inherent human drive to craft something of purpose and meaning while shedding light on the works of well known quiltmakers like Mary Lee Bendolph from Gee's Bend Marie Webster and Ruby Short McKim Featuring stories from unknown and famous quilters alike *Quilts in the Attic* uncovers the mystery and significance of the quilts we love Art Et Architecture Au Canada Loren Ruth Lerner, Mary F.
