Quilts And Quiltmakers Covering Connecticut:

Quilts and Quiltmakers Connecticut Quilt Search Project, 2001-10 As one of the thirteen original colonies Connecticut made unique contributions to the development of America's textile industry. Until now, however, quilts from this historic state have only been viewed in bits and pieces through other states' documentation projects and museum collections. This beautifully illustrated book is the culmination of ten years of documentation and research and shows more than 145 outstanding and diverse quilts from Connecticut. They range from a signed and dated pre-Revolutionary War Medallion quilt to a Grandmother's Flower Garden made by one of Connecticut's most prolific twentieth-century quiltmakers. Beyond the wonderful colors and shapes of the quilts are the fascinating stories of their makers, women and men whose lives were interwoven in Connecticut's rich history. This book is a must for students of quilt history, women's studies, textile enthusiasts, and devotees of American history.

Connecticut Needlework Susan P. Schoelwer, 2012-01-01 Winner of the Connecticut Book Award 2011, Winner of the Connecticut League of History Organizations Award of Merit 2012. Connecticut women have long been noted for their creation of colorful and distinctive needlework, including samplers and family registers, bed rugs, and memorial pictures, crewel embroidered bed hangings and garments, silk embroidered pictures of classical or religious scenes, quilted petticoats and bedcovers, and whitework dresses and linens. This volume offers the first regional study encompassing the full range of needle arts produced prior to 1840. Seventy entries showcase more than one hundred fascinating examples, many never before published, from the Connecticut Historical Society's extensive collection of this early American art form. Produced almost exclusively by women and girls, the needle arts provide an illuminating vantage point for exploring early American women's history and education, including family-based traditions predating the establishment of formal academies. After the American Revolution, extensive genealogical research reveals unseen family connections linking various types of needlework similar to the multi-generational male workshops documented for other artisan trades, such as woodworking or metalsmithing. Photographs of stitches, reverse sides, sketches, design sources, and related works enhance our understanding and appreciation of this fragile art form and the talented women who created it. An exhibition of needlework in this book will be held at the Connecticut Historical Society in late fall 2010. Funding for this project has been provided by the Coby Foundation Ltd and the National Endowment for the Arts.

Quilts of the Ohio Western Reserve Ricky Clark, 2005 The Western Reserve of Ohio was once part of Connecticut. In some areas, rivers and streams still bear the original New England names, and subtle reminders of early Connecticut's culture and values are still to be found. This book is a tribute to the quilts and quilters from the past and the present who have made the Western Reserve their home. In Quilts of the Ohio Western Reserve, Ricky Clark, one of America's foremost quilt historians, has assembled exquisite examples of calamanco, T-shaped, and borderless pieced quilts to show the influence of Connecticut aesthetics and history on the making of early quilts in this region.

during the antebellum period and the tensions that arose from the increased mechanization of textile production and how gift needlework functioned among friends and family members Far from being solely decorative ornaments or functional household textiles these samplers and quilts served their own ends They offered aging women a means of coping of sharing and of expressing themselves These threads of time provide a valuable and revealing source for the lives of mature antebellum women Publication of this book was made possible in part through generous funding from the Coby Foundation Ltd and from the Quilters Guild of Dallas Helena Hibbs Endowment Fund **Uncoverings 2008** Laurel Horton, 2008
