## **Quincentennial Essays On St Thomas More Selected Papers From The Thomas More College Conference:**

**Quincentennial Essays on St. Thomas More : Selected Papers from the Thomas More College Conference** m. j. editor. t Moore, *Quincentennial Essays on St. Thomas More* Thomas More College, 1978 **Quincentennial Essays on St. Thomas More** Michael J. Moore, Michael Jonathan Moore, 1978 The Routledge History of Monarchy Elena Woodacre, Lucinda H.S. Dean, Chris Jones, Zita Rohr, Russell Martin, 2019-06-12 The Routledge History of Monarchy draws together current research across the field of royal studies providing a rich understanding of the history of monarchy from a variety of geographical cultural and temporal contexts Divided into four parts this book presents a wide range of case studies relating to different aspects of monarchy throughout a variety of times and places and uses these case studies to highlight different perspectives of monarchy and enhance understanding of rulership and sovereignty in terms of both concept and practice Including case studies chosen by specialists in a diverse array of subjects such as history art literature and gender studies it offers an extensive global and interdisciplinary approach to the history of monarchy providing a thorough insight into the workings of monarchies within Europe and beyond and comparing different cultural concepts of monarchy within a variety of frameworks including social and religious contexts Opening up the discussion of important questions surrounding fundamental issues of monarchy and rulership The Routledge History of Monarchy is the ideal book for students and academics of royal studies monarchy or political history **The Essential Sir Thomas More** Michael D. Wentworth, 1995 Statesman humanist poet saint and author of the political romance Utopia Sir Thomas More 1478 1535 was one of the most gifted and versatile men of the Renaissance This guide to the 20th century scholarship on More s life and works covers the humanist polemical and devotional writings and provides detailed discussions of the key biographical studies *John Skelton and Poetic Authority* Jane Griffiths, 2006-02-23 John Skelton and Poetic Authority is the first book length study of Skelton for almost twenty years and the first to trace the roots of his poetic theory to his practice as a writer and translator It demonstrates that much of what has been found challenging in his work may be attributed to his attempt to reconcile existing views of the poet s role in society with discoveries about the writing process itself The result is a highly idiosyncratic poetics that locates the poet s authority decisively within his own person yet at the same time predicates his liberty to speak upon the existence of an engaged imaginative audience Skelton is frequently treated as a maverick but this book places his theory and practice firmly in the context of later sixteenth as well as fifteenth century traditions Focusing on his relations with both past and present readers it reassess his place in the English literary canon Thomas Elyot, 'The Image of Governance' and Other Dialogues of Counsel (1533-1541) David R. Carlson, 2018-11-12 Thomas Elyot s Image of Governance is an English language version of the matter of Thomas More s Utopia a tract de optimo statu reipublicae likewise replete with imagined dialogues of counsel but in an anti utopian monarchist perspective calculated to appeal to Henry VIII Moreover Image of Governance is not imaginary but historical translated from the late antique Latin Historia augusta The

present book provides critical editions of Elyot's political writings other than the *Governour* all of which are or incorporate extensive translations of ancient Greek and Latin writings like the *Image of Governance*. In these related *Dialogues of Counsel* Elyot takes ancient historical cases: Plato's sale into slavery by Dionysius the tyrant of Syracuse for example or the life of the West Asian emperor Zenobia a woman under patriarchy or the advice of the Attic orator Isocrates to King Nicocles of Salamis or the failed but ambitious late Roman imperator of Alexander Severus et cetera and dramatises them by means of the sort of Lucianic dialogue that Erasmus had used for the *Praise of Folly*. More too except in the vernacular for a relatively broader more popular English audience.

**The Artistic Links Between William Shakespeare and Sir Thomas More** C. Hallett, 2011-06-20 The Halletts investigation differs from anything that has been written about the relationship between Thomas More and William Shakespeare in that it approaches the subject from a dramaturgical point of view. This book defines in specific terms what Shakespeare learned from his study of More's *History* and how he learned it.

**Women of the English Renaissance and Reformation** Retha M. Warnicke, 1983-04-28 Warnicke has written an excellent monograph dealing with an inordinately neglected topic: the education of English women during the Tudor and early Stuart eras. Her approach a generational one is both perceptive and insightful. She carefully identifies the women and discusses the reasons and nature of their education as well as their accomplishments. Equally masterful is her successful integration of the subject with the major historical ecclesiastical political and social currents of the time.

*Counsel and Command in Early Modern English Thought* Joanne Paul, 2020-02-27 The first comprehensive study of early modern English political counsel and its association with the discourse of sovereignty.

*A Companion to Margaret More Roper Studies* Elizabeth McCutcheon, William Gentrup, 2022-08-05 This volume is an important contribution to the field of Margaret More Roper studies: early modern women's writing as well as Erasmian piety, Renaissance humanism and historical and cultural studies more generally. Margaret More Roper is the learned daughter of St Thomas More the Catholic martyr; their lives are closely linked to each other and to early sixteenth century changes in politics and religion and the social upheaval and crises of conscience that they brought. Specifically Roper's major works her translation of Erasmus's commentary on the Lord's Prayer and the long dialogue letter between More and Roper on conscience highlight two major preoccupations of the period: Erasmian humanism and More's last years which led to his death and martyrdom. Roper was one of the most learned women of her time and a prototype of the woman writer in England and this edited volume is a tribute to her life, writings and place among early women authors. It combines comprehensive and convenient joining of biographical, textual, historical and critical components within a single volume for the modern reader. There is no comparable study in print and it fills a significant gap in studies of early modern women writers.

**Ashgate Critical Essays on Women Writers in England, 1550-1700** Elaine V. Beilin, 2017-05-15 This volume includes leading scholarship on five writers active in the first half of the sixteenth century: Margaret More Roper, Katherine Parr, Anne Askew, Mildred Cooke Cecil and Anne Cooke Bacon. The essays represent a range

of theoretical approaches and provide valuable insights into the religious social economic and political contexts essential for understanding these writers texts Scholars examine the significance of Margaret More Roper s translations and letters in the contexts of humanism family relationships and changing cultural forces the contributions of Katherine Parr and Anne Askew to Reformation discourses and debates and the material presence of Mildred Cooke Cecil and Anne Cooke Bacon in the intellectual religious and political life of their time The introduction surveys the development of the field as an interdisciplinary project involving literature history classics religion and cultural studies

*Education and Women in the Early Modern Hispanic World* Elizabeth Teresa Howe,2016-04-29 Considering the presence and influence of educated women of letters in Spain and New Spain this study looks at the life and work of early modern women who advocated by word or example for the education of women The subjects of the book include not only such familiar figures as Sor Juana and Santa Teresa de Jes s but also of less well known women of their time The author uses primary documents published works artwork and critical sources drawn from history literature theatre philosophy women s studies education and science Her analysis juxtaposes theories espoused by men and women of the period concerning the aptitude and appropriateness of educating women with the actual practices to be found in convents schools court theaters and homes What emerges is a fuller picture of women s learning in the early modern period

**Diverting Authorities** Jane Griffiths,2014 *Diverting Authorities* examines literary experimentation in the fifteenth and sixteenth centuries It looks at marginal annotations or glosses provided by authors in a wide range of texts and argues that they provide important evidence for evolving ideas of authorship and literary authority

**Theorizing Legal Personhood in Late Medieval England** ,2015-06-24 *Theorizing Legal Personhood in Late Medieval England* is a collection of eleven essays that explore what might be distinctly medieval and particularly English about legal personhood vis vis the jurisdictional pluralism of late medieval England Spanning the mid thirteenth to the mid sixteenth centuries the essays in this volume draw on common law statute law canon law and natural law in order to investigate emerging and shifting definitions of personhood at the confluence of legal and literary imaginations These essays contribute new insights into the workings of specific literary texts and provide us with a better grasp of the cultural work of legal argument within the histories of ethics of the self and of Eurocentrism Contributors are Valerie Allen Candace Barrington Conrad van Dijk Toy Fung Tung Helen Hickey Andrew Hope Jana Mathews Anthony Musson Eve Salisbury Jamie Taylor and R F Yeager

**The Family and Descendants of St. Thomas More** Martin Wood,2008 This book weaving together the history and genealogy of the More family and of the other families to which they allied themselves by marriage provides an illuminating sequel to the various lives that have been written of St Thomas More It tells the story of what happened to his family in the wake of his heroic witness against the tyranny of Henry VIII and how his descendents inspired by his faith were affected by their refusal to conform to the Church of England as under successive monarchs England was forcibly transformed from a Catholic into a Protestant country This is a story of a line of laymen and

women and of priests and nuns all of whom had a deep faith and a firm resolve that makes them worthy of being listed among the Confessors of the Faith minor Confessors maybe but Confessors nonetheless BOOK JACKET *Political Advice*

,2021-01-28 The continuing churn of political advisers in Donald Trump's White House serve as a reminder of the salience and relevance of political advice *Political Advice Past Present and Future* brings several very different voices to bear on the problem of advice and influence the distinction in so far as it is valid between political and policy advice the two way parasitism of adviser and advised the nature and idioms of political advice literature the changing and sometimes unchanging nature of expertise the ever pressing issue of access and exclusion and how that is controlled This volume of essays feeds into a contemporary concern set in a wider historical context Moreover the volume treats political advice in an interdisciplinary fashion with contributions from classics and literature as well as from history and politics The unique practitioners perspective to the problem of political advice is brought by the contributions of politicians political advisers and senior civil servants *Henry VIII's Divorce* James Christopher Warner,1998 A close examination of the rivalry between two printing presses at the time of the divorce crisis shows how the new learning could be employed to influence even the king himself Recueil d'articles sur Thomas More Pierre Allard,2011-11 Juriste historien philosophe th ologien homme politique La personnalit  de Thomas More est si riche et si attrayante qu'elle marqua son temps Condamn  mort en 1535 canonis  quatre si cles plus tard l'humaniste britannique auteur de l'incontournable *Utopie* ne cesse d'intriguer et de passionner de par ses convictions profondes De sa conception du mariage de la famille et de l'education des enfants l'amiti  qui occupait une place de tout premier plan dans sa vie en passant par l'homme d'Etat et l'homme de loi qu'il fut le professeur Pierre Allard nous emm ne la rencontre de Thomas More et d voile les multiples facettes d'un personnage fascinant Ashgate Critical Essays on Women Writers in England, 1550-1700: Early Tudor women writers Mary Ellen Lamb,Elaine V. Beilin,2009 This volume includes leading scholarship on five writers active in the first half of the sixteenth century Margaret More Roper Katherine Parr Anne Askew Mildred Cooke Cecil and Anne Cooke Bacon The essays represent a range of theoretical approaches and provide valuable insights into the religious social economic and political contexts essential for understanding these writers texts The introduction surveys the development of the field as an interdisciplinary project involving literature history classics religion and cultural studies
