(Light Novel) Vol. 3* Teren Mikami,Eku Takeshima,2023-11-02 Absolute angel Ajisai san has an awful argument with her family and decides to decamp to the seaside for the summer In other words she s running away from home Renako Amaori can t let this innocent ingenue wander the big bad world alone She s coming along too Will their high school hearts and minds be healed by bouts of ping pong and wholesome spells in the hot springs or will romantic drama find them no matter where they go *Japanese Aesthetics and Anime* Dani Cavallaro,2013-01-01 This study addresses the relationship between Japanese aesthetics a field steeped in philosophy and traditional knowledge and anime a prominent part of contemporary popular culture There are three premises 1 the abstract concepts promoted by Japanese aesthetics find concrete expression at the most disparate levels of everyday life 2 the abstract and the concrete coalesce in the visual domain attesting to the visual nature of Japanese culture at large and 3 anime can help us appreciate many aspects of Japan s aesthetic legacy in terms of both its theoretical propositions and its visual even tangible aspects *Japan* G.B. Sansom,2015-12-08 Originally published in 1931 this classic work of interpretative Japanese scholarship was revised in 1946 and again in 1952 Although termed a short history the book the only distinguished general survey of Japanese history in English before World War II covers the economic social and religious changes in Japan from the fourth through to the nineteenth century and the breakdown of feudalism Based on both primary and secondary sources in Japan Sansom makes plain the way Japanese have come and shows why they are what they are enabling the reader to get some grip on the situation in the Far East Fine plates line drawings a map and an excellent index complement this instructive and fascinating Japanese history book *East* ,1994-03 **"Fashion, Interior Design and the Contours of Modern Identity "** Alla Myzelev,2017-07-05 Challenging the notion that fashion and furniture were or are separate enterprises and distinct material aesthetic traditions this collection focuses on three material and conceptual links central to understanding the relationship between interior design and fashion the body fabric and space The volume considers the changing visual material and spatial character methodological challenges posed by and formal political and historiographical significance of a wide range of British European and North American case studies since the eighteenth century The volume s eleven case studies allow the reader to understand connecting notions behind the formation of interiors and fashionable clothing The essays combine a wide range of significant and challenging new examples alongside powerful revisionary analyses of the various periods artists designers and their best and significant objects Fashion Interior Design and the Contours of Modern Identity is
