**Screw the Fairytale - A Modern Girl's Guide to Sex and Love** Helen Croydon, 2014-02-03 In *Screw the Fairytale* Helen Croydon traces the history of relationships in an immersive first person account She shows how marriage was never supposed to be about love anyway She investigates the prevalence of mistresses across different eras and cultures to see what we can learn from infidelity and explores the science of falling in love Highlights of her mission take in a polyamorous commune in the Scottish Highlands where she has to carry out a sexual pact a wife finding tour to the Ukraine and infiltrating a network of single professional women who've chosen to give up on finding love and get a sperm donor instead Interviews with psychologists evolutionists asexuals swingers philanderers long term marrieds mistresses and 40 year old virgins all combine to break new ground in this humorous and insightful guide to sex and love for the modern girl

*What Women Want Next* Susan Maushart, 2008-12-17 With all the choices available to today's women why don't they more feel fulfilled *What Women Want Next* is Susan Maushart's meditation by turns profound and laugh out loud funny on that central dilemma of postfeminist life At one point she had it all so why wasn't she happy With *What Women Want Next* Maushart combines research with personal history in a dynamic attempt to answer this question Feminism may have led women to life's banquet table but the meal they make of it is up to them How to balance life and work sex and sleep child care and self care And why has women's guilt that glass ceiling of the soul become the biggest barrier they face *What Women Want Next* is the first book to look at the spectrum of a woman's life and attempt to demonstrate how she can shape her own destiny throughout all its stages

**Going Solo** Eric Klinenberg, 2013-01-29 With eye opening statistics original data and vivid portraits of people who live alone renowned sociologist Eric Klinenberg upends conventional wisdom to deliver the definitive take on how the rise of going solo is transforming the American experience Klinenberg shows that most single dwellers whether in their twenties or eighties are deeply engaged in social and civic life There's even evidence that people who live alone enjoy better mental health and have more environmentally sustainable lifestyles Drawing on more than three hundred in depth interviews Klinenberg presents a revelatory examination of the most significant demographic shift since the baby boom and offers surprising insights on the benefits of this epochal change

*Ghostbox* Walter R. Jacobs, 2007 Two years after Walter R. Jacobs was forced to call his new stepmother Mom she cancelled what would have been his 13th Christmas In the memoir *Ghostbox* Jacobs explores a life where family problems are blamed on disrespectful children who refused to accept Mom's authority His stepmother is a sociological ghost a force that limited his thoughts and decisions until he filled a special shoebox with objects that evoke significant memories good bad and ugly This ghostbox has rendered his stepmother's seething presence benign Jacobs

investigates how just a relatively short stay in his stepmother's house seven years with his stepmother father and younger brother led to almost twenty years of questions about multiple facets of his identity such as the proper rules and rhythms of life as an African American college professor. In the end he finds the key to finally and completely breaking away from the dysfunctions that threatened his self-esteem and ability to interact normally with others. Jacobs includes an appendix of guidelines readers may use to create their own ghostboxes. He invites readers into a world where they can reflect on troubling aspects of their lives and create strategies for making empowering changes. [Toward a Psychology of Singlehood](#) Katarzyna Adamczyk, 2023-07-10 The rising number of single adults in many countries enhances the need to integrate the previous findings on singlehood and the recent theoretical propositions of viewing adult singlehood. The present monograph is a unique theoretical elaboration on singlehood from a psychological perspective. It provides a review of the past research mainly investigating the reasons and outcomes of singlehood in connection with attempts to answer the question: How close are we on that way to the psychology of singlehood and indicate the potential ways of integrating various findings concerning singlehood. The current book is therefore intended to be an essential step on the way to build a theoretical model for singlehood from a psychological perspective in the nearest future. **Conscious Dating** David Steele, 2007-10 We want to be happy in relationships but don't know how. The old way of dating and mating simply doesn't work anymore. The rules have changed and most of us don't know what the new rules are. In searching for love, most singles are using trial and error, flying by the seat of their pants or following bad advice. Conscious Dating does not offer manipulative or deceptive practices that compromise who you are; in fact, it helps singles celebrate who they are and see being single as an opportunity and not a disease. This is not just another dating book filled with tired ideas about how to get a man or woman. Conscious Dating provides relationship information and strategies proven and tested with thousands of singles worldwide from a pioneering leader in the field of relationships. [Conscious Dating: Finding the Love of Your Life and the Life That You Love](#) David Steele, 2006 [The New Single Woman](#) E. Kay Trimberger, 2006-10-15 Drawing on stories from diverse women who have been single for many years, Trimberger explodes the idea that fulfillment comes only through coupling with a soulmate. Instead, she presents an exciting new identity for women in the twenty-first century: the new single woman, a woman who is content with her single life. These gripping personal accounts of how single women's lives evolve over time, combined with Trimberger's incisive analysis, blend to provide a much-needed cultural roadmap for every single woman who is striving to create a satisfying and meaningful life. Trimberger's all-inclusive paradigm-shifting notion is one that ultimately strengthens and enriches both single women and couples. [What Women Really Want](#) Kellyanne Conway, Celinda Lake, 2005-10-12 An invigorating and inspiring take on the new ways American women are changing and improving our culture and the way we live from Kellyanne Conway, counselor to president Donald Trump, and Celinda Lake, a leading political strategist for the Democratic party. Women are the most powerful force reshaping the future of America. There is a newly defined unified

power base among women that crosses all the usual lines of division politics race religion age and class heralding the most significant change in American culture in the past century Kellyanne Conway counselor to president Donald Trump and president and CEO of The Polling Company Inc and Celinda Lake a leading political strategist for the Democratic party two of the most prominent trend spotters and analysts in America demonstrate how women are rejecting outdated traditions in order to get what they want and need They are breaking the old rules about when and whether to marry and have children living fully and equally as singles and creating flexible inclusive workplaces that don't sacrifice family or sanity They are controlling 5 trillion annually as the primary purchasers of homes cars appliances and electronics They are making their mark at ages twenty forty sixty and beyond drawing strength inspiration and intellectual stimulation from other women Using the eye opening results of interviews focus groups and polls three of which were created especially for this book Conway and Lake who often fall on opposite sides of the country's most polarizing debates come together to seek out what women buy what they believe how they work how they live what they care about what they fear and what they really want By delving beneath the hot button issues Lake and Conway discovered common causes with which women are inventing a new age of opportunity doing it their way and in the process improving life for all Americans Finding Mr Right Annie

Harrison, 2013-08-01 Many women in their mid thirties and beyond find themselves reluctantly single and begin to panic believing that time is running out Will they never meet a life partner Will they miss out on having children Finally help is at hand Annie Harrison's unique text examines the topic of overcoming singledom without preaching or patronising and offers inspirational revelatory and soul searching true life tales of the tumultuous quest for love Finding Mr Right offers an expert guide as well as hope comfort and reassurance to the thousands of smart women who have been passed over in the love stakes and are still awaiting the one whose lives are accompanied by the background ticking of their biological clocks Perspectives are provided by widows of serial monogamists men and women who are now a happy part of a couple single parents divorcees those who are still waiting for something to happen and those who have decided to have children by themselves Frank revealing and sometimes surprising it provides an illuminating insight on the nature of love and happiness With articles from journalists including Mariella Frostrup Amanda Platell and Toby Young as well as dating agency owners fertility experts academics agony aunts relationship psychologists and even mistresses Finding Mr Right is essential reading for any single woman who wants to find happiness and move her life on Annie Harrison had a 20 year career in PR ghostwriting articles for clients For the last three years she has been writing for her own personal gratification and this is her first book She crossed the marriage line with inches to spare in her thirties and had two sons in her early forties after numerous unsuitable relationships and many errors along the way *Post-Nonmonogamy and Beyond* Andrea Zanin, 2024-08-09 Nonmonogamy has exploded in popularity over recent decades spawning dozens of how to guides and countless media articles But quietly in the wake of this wave of non traditional relationships a growing number of people

have moved away from the nonmonogamy they once practiced It s not about rejecting nonmonogamy as bad or wrong For some trauma or the stresses of everyday life got in the way of multiple committed relationships others lost their motivation to pursue new partners Some ended up monogamous by attrition and others are single by choice What s it like on the other side of nonmonogamy How did you get there How does your life reflect what you learned along the way Is nonmonogamy an identity or a practice And do you think you might ever jump back in Post Nonmonogamy and Beyond invites you to explore these questions in a spirit of self reflection self compassion and curiosity [To-Do List](#) Sasha Cagen,2008-06-30 What Do Your Lists Say About You More and more we are a nation of list makers from grocery lists New Year s resolutions and things to do before we die to DVDs to rent and people we ve kissed In To Do List based on the popular blog of the same name todolistblog com Sasha Cagen celebrates the humble to do list exploring the ways these scribbled agendas reflect our personalities and passions To Do List is both a celebration of lists and a peek at the lists that others create Broken down by subjects like Daily Lists to Sex Lists it s a fascinating collection of lists from everyday people to the well known Novelist Nick Hornby s list of desert island discs A therapist s secret fears I HATE having to think about clients in relation to my hair or clothes A shopping list from chef Alice Waters of Chez Panisse A woman s accomplishments before her thirtieth birthday Hot air ballooned over the Serengeti Danced on a table in Vegas Qualities one man is looking for in a future wife including Chews with her mouth shut and Will let me give my first son the middle name of Jacob With each list Cagen offers the story behind it and a prompt for readers to compare notes and take their own stab at a similar list Voyeuristic and interactive To Do List will show you just how much and what your lists say about you [A table for one](#) Kinneret Lahad,2017-08-11 This electronic version has been made available under a Creative Commons BY NC ND open access license Table for one A critical reading of singlehood gender and time is the first book to consider the profound relationship between singlehood and time Drawing on a wide range of cultural resources including web columns blogs advice columns popular clich s advertisements and references from television and cinema the author challenges the conventional meaning making processes of singlehood and time Lahad s analysis gives us the opportunity to explore and theorize singlehood through varied temporal concepts such as waiting wasting timeout age the life course linearity and commodification of time This unique analytical approach enables the fresh consideration of some of our dominant perceptions about collective clocks schedules time tables and the temporal organization of social life in general **Handbook of Divorce and Relationship Dissolution** Mark A. Fine,John H. Harvey,2013-12-19 This Handbook presents up to date scholarship on the causes and predictors processes and consequences of divorce and relationship dissolution Featuring contributions from multiple disciplines this Handbook reviews relationship termination including variations depending on legal status race ethnicity and sexual orientation The Handbook focuses on the often neglected processes involved as the relationship unfolds such as infidelity hurt and remarriage It also covers the legal and policy aspects the demographics and the historical aspects of divorce Intended for researchers practitioners counselors

clinicians and advanced students in psychology sociology family studies communication and nursing the book serves as a text in courses on divorce marriage and the family and close relationships      **Rejuvenile** Christopher Noxon, 2007-04-24 Once upon a time boys and girls grew up and set aside childish things Nowadays moms and dads skateboard alongside their kids and download the latest pop song ringtones Captains of industry pose for the cover of BusinessWeek holding Super Soakers The average age of video game players is twenty nine and rising Top chefs develop recipes for Easy Bake Ovens Disney World is the world's top adult vacation destination that's adults without kids And young people delay marriage and childbirth longer than ever in part to keep family obligations from interfering with their fun fun fun Christopher Noxon has coined a word for this new breed of grown up juveniles And as a self confessed rejuvenile he's a sympathetic yet critical guide to this bright and shiny world of people who see growing up as winding down exchanging a life of playful flexibility for anxious days tending lawns and mutual funds In Rejuvenile Noxon explores the historical roots of today's juveniles hint all roads lead to Peter Pan the toyification of practical devices car cuteness is at an all time high and the new gospel of play He talks to parents who love cartoons more than their children do twenty somethings who live happily with their parents and grown ups who evangelize on behalf of all ages tag and Legos And he takes on the Harrumphing Codgers who see the rejuvenile as a threat to the social order Noxon tempers stories of his and others rejuvenile tendencies with cautionary notes about lost souls whose taste for childish things is creepy at best Exhibit A Michael Jackson On balance though he sees juveniles as optimists and capital R Romantics people driven by a desire to hold on to the part of ourselves that feels the most genuinely human We believe in play in make believe in learning in naps And in a time of deep uncertainty we trust that this deeper more adaptable part of ourselves is our best tool of survival Fresh and delightfully contrarian Rejuvenile makes hilarious sense of this seismic culture change It's essential reading not only for grown ups who refuse to act their age but for those who wish they would just grow up      *Sexuality and Citizenship* Diane Richardson, 2017-09-18 Sexual citizenship has become a key concept in the social sciences It describes the rights and responsibilities of citizens in sexual and intimate life including debates over equal marriage and women's human rights as well as shaping thinking about citizenship more generally But what does it mean in a continually changing political landscape of gender and sexuality In this timely intervention Diane Richardson examines the normative underpinnings and varied critiques of sexual citizenship asking what they mean for its future conceptual and empirical development as well as for political activism Clearly written the book shows how the field of sexuality and citizenship connects to a range of important areas of debate including understandings of nationalism identity neoliberalism equality governmentality individualization colonialism human rights globalization and economic justice Ultimately this book calls for a critical rethink of sexual citizenship Illustrating her argument with examples drawn from across the globe Richardson contends that this is essential if scholars want to understand the sexual politics that made the field of sexuality and citizenship studies what it is today and to enable future analyses of the sexual inequalities that continue

to mark the global order      **Kiss Me, I'm Single** Amanda Ford,2007-07-01 Amanda Ford tells it like it is don't get lost in the pressure to be in a relationship and don't lose yourself in one either The bottom line is that the most important relationship is with yourself True love is an inside job and begins with you It is a basic fact of life that in order to be truly happy and fulfilled alone or with another person you must be satisfied on your own first P 4 of cover      Single and Psycho Caroline Young,2025-09-18 A lively sharp and thought provoking exploration of the enduring stereotype of the dangerous single woman in popular culture From the obsessive bunny boiler of Fatal Attraction to the tabloid frenzy over Taylor Swift's relationship status Caroline Young explores how single women have so often been portrayed as unstable dangerous or incomplete Blending cultural criticism with her own personal experience Young examines how these stereotypes have been shaped by broader social trends including the antifeminist backlash of the 1980s and the current renaissance of the trad wife Through her analysis of books movies and TV shows she reveals how these narratives reflect deeper anxieties about women's independence Engaging witty fun and feminist Single and Psycho is a timely critique of how society views single women and a celebration of their complexity and resilience      **Tracking the Wild Woman Archetype** Stacey Shelby,2018-01-22
