,1989 The Quotable Founding Fathers Buckner F. Melton,2011-07 No group is quoted and misquoted more often than
America s founders When a political controversy heats up the nation s speechwriters politicians reporters editorial writers
and talking heads try to influence the debate by quoting their words Year in and year out teachers and political buffs look to
their wisdom to illuminate the issues How much easier it would be to find every key quote by the founders in a single source
The Quotable Founding Fathers edited by Buckner F Melton Jr provides just that source a compilation of some 2 500 quotes
summing up the wit and wisdom of the founders While some of these quotations can be found in general quotation
compilations such as Bartlett s these volumes offer only a fraction of what s available The Quotable Founding Fathers mines
deeper into the founders essays diaries letters speeches and sermons to extract all the nuggets that are significant to the
history of the country and to the ongoing debate about the meaning of democracy in America *Books In Print 2004-2005*

Janet L. Beery,Sarah J. Greenwald,Cathy Kessel,2022-04-21 The Association for Women in Mathematics AWM the oldest
organization in the world for women in mathematics had its fiftieth anniversary in 2021 This collection of refereed articles
illustrated by color photographs reflects on women in mathematics and the organization as a whole Some articles focus on
the situation for women in mathematics at various times and places including other countries Others describe how
individuals have shaped AWM and in turn how the organization has impacted individuals as well as the broader mathematical
community Some are personal stories about careers in mathematics Fifty Years of Women in Mathematics Reminiscences
History and Visions for the Future of AWM covers a span from AWM s beginnings through the following fifty years The
volume celebrates AWM and its successes but does not shy away from its challenges The book is designed for a general
audience It provides interesting and informative reading for people interested in mathematics gender equity or
organizational structures teachers of mathematics students at the high school college and graduate levels and members of
more recently established organizations for women in mathematics and related fields or prospective founders of such
organizations *Women's History Program Planning Guide* Mary Ruthsdotter,1986
