

“Every gun that is made,  
every warship launched,  
every rocket fired signifies,  
in the final sense,

**a theft**

from those who hunger  
and are not fed,  
those who are cold  
and are not clothed.”

Dwight D. Eisenhower

# Quotable Dwight D Eisenhower

**Louis Galambos, Daun Van Ee**

## **Quotable Dwight D Eisenhower:**

*The Quotable Dwight D. Eisenhower* Dwight David Eisenhower, 1967 Quotations from Eisenhower's speeches remarks personal comments etc on varied subjects and issues of the day Dwight D. Eisenhower Elizabeth R. Snoke, U.S. Army Command and General Staff College, 1990 The Quotable Dwight D. Eisenhower. Comp. and Ed. by Elsie Gollagher, and the Staff of "Quote". Dwight D.. Eisenhower, Elsie Gollagher, 1967 **The Quotable Dwight D. Eisenhower** Dwight David Eisenhower (Pres. U. S.), 1967 Eisenhower in War and Peace Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full rich and revealing as anything ever written about America's thirty fourth president Here is Eisenhower the young dreamer charting a course from Abilene Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike's maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower's superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike's finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith's chronicle of Eisenhower's presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith's perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America's prestige in the Middle East and throughout the world Unmatched in insight *Eisenhower in War and Peace* at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for *Eisenhower in War and Peace* A fine new biography Eisenhower's White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower's ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year's *Eisenhower in War and Peace* by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America's greatest living biographer shows why now more than ever Americans should like Ike George F Will **Dwight D. Eisenhower** Martin Jay Medhurst, 1993-05-30 This first book length assessment of Ike's consummate skills as a communicator shows how contrary to popular belief he used language effectively as a weapon to achieve well

conceived strategic ends during the Cold War Medhurst demonstrates how Eisenhower chose his audiences and times deliberately This reference is an invaluable text and resource for students scholars and professionals in rhetorical studies mass communications public opinion presidential studies and Cold War history The critical analysis shows that despite caricatures of Eisenhower as fuzzy muddle headed and obscure in his public speeches he pondered over just the right words and employed half truths was ambiguous and indirect in a tactical manner He knew exactly what he was doing and why Texts of speeches exemplify how he served as a strategic communicator A selected chronology points to his most important speeches The bibliography is the most comprehensive to date on Eisenhower as a public speaker The study is based on extensive use of primary research materials from the Eisenhower Library      **The Quotable Warrior** Lamar

Underwood,2016-03-01 The Quotable Warrior is quite simply the best collection of quotes from military leaders ever put together and includes quotations from Thucydides Julius Caesar Napoleon Ulysses S Grant Robert E Lee Stonewall Jackson John Pershing Winston Churchill Dwight D Eisenhower Norman H Schwarzkopf from the Peloponnesian War to Afghanistan and Iraq and all wars in between This is the most compelling challenging and comprehensive collection of quotes about leadership and war ever assembled It is a rich and balanced collection of the best quotations about war and those who go to war Here are the reasons that men fight wars the challenges they face the tactics and strategies of great battles and campaigns the horrors of war the challenge of human courage and much more      **Dwight D. Eisenhower** ,1991 Not only the lives of this century s presidents but also the figures and events that surround them are covered by the works in this series This particular volume covers the lives and times of Warren G Harding and Calvin Coolidge Thousands of books articles and dissertations are cited and summarised in each of these detailed accessible bibliographies The contents are organised by topic to enable researchers to easily focus on broad or narrow areas of interest The volumes also contain introductions assessing the presidents places in history and detailed chronologies of their lives Each chapter begins with an overview of the relevant literature and points out the key sources in different subject areas All the volumes are indexed by author and subject      **The Quotable Dwight D. Eisenhower** Dwight D. Eisenhower,      Herbert Hoover and Dwight D. Eisenhower T. Walch,2013-07-17 Bringing together core selections from and analysis of material documenting the uneasy

collaboration between Herbert and Eisenhower this collection incisively uses primary sources to illuminate the 1952 Republican nomination fight the second Hoover Commission and other key episodes during the Eisenhower presidency      **Great Warrior Leaders/thinkers** ,1989      **Quotable Soldier** Lamar Underwood,2005-09-01 The book provides familiar and not so familiar sayings that capture the chaos challenges and sacrifices of war Army magazine The Quotable Soldier is a rich and balanced collection of the best quotations about war and those who go to war From Thucydides to General H Norman Schwarzkopf here are the reasons men go to war the challenge of human courage the strategy of great battles and campaigns the horrors of war and much more The Quotable Soldier includes comments about the battles of

ancient times through the Napoleonic and World Wars and on into the complicated conflicts of Korea Vietnam and Desert Storm This is one of the most compelling challenging and comprehensive collections of quotes about war and soldiering ever assembled The perfect gift for any soldier veteran or war buff The Quotable Soldier is a compulsively readable collection of some of the most illuminating observations ever made about war

**From Classroom to White House** James McMurtry Longo,2011-11-28 President Eisenhower who was not always the best student once wrote One cannot always read a man s future in the record of his younger days Indeed this review of the classroom experiences of presidents and first ladies from George and Martha Washington to Barack and Michelle Obama reveals that few made model students Teachers reported that John F Kennedy could seldom locate his possessions found George H W Bush somewhat eccentric and dubbed a sixth grade Bill Clinton a motormouth In addition to chronicling the school days of these historic figures this volume also relates their teaching experiences the educational issues they addressed during their White House years and intricacies of education at their time in history providing an informative overview of American schooling over time

**The Civil War Income Tax and the Republican Party, 1861-1872** Christopher Michael Shepard,2010 A flat tax Tax cuts Complete elimination of the income tax These ideas have most certainly been advocated by members of the Republican Party during the past few decades Party leaders such as George W Bush Ronald Reagan and Newt Gingrich expressed disdain for the income tax and utilized their power to remove it as a revenue source At the time of the Civil War many Republicans mainly in the Northeast were opposed to the new Federal Income Tax Initially used to finance that war the Federal income tax became a hotly debated issue at a time when America was trying to put back together a fractured nation The issue split the party with Midwestern and Southern Republicans wanting to continue the income tax and Northern and Western Republicans championing its demise In the end the anti income tax wing took control of the Republican Party and shaped its economic principles for the future The book is an in depth look into how the Republicans in Congress dealt with the creation of the United States first income tax and how it affected the party for the future The author argues that the anti income tax faction of the Republican Party won the debate and took over the party and to this day the Republican Party typically promotes either cutting taxes or eliminating them altogether The author gives a brief history of the formation of the Republican Party and how they developed their economic views in distinction from the declining Whig Party who mostly sought to fund the federal budget through tariffs and not by taxing the people directly The second half of the book looks at the different income tax legislations and how Republicans in Congress responded to them Each chapter begins with a brief historical context at the time when an income tax bill was being discussed in Congress The views of Republicans on the income tax were altered throughout the war and its aftermath In the beginning Republicans enthusiastically supported the income tax as a measure needed to sustain the fighting As the war came to a close however many Republicans began to change their view They originally backed progressive rates then they wanted just one flat tax rate and by 1870 many wanted the tax to be ended There was a divide in

the Republican Party though Western Republicans wanted to keep the income tax intact while Northern Republicans called for its repeal The last chapter of the book looks at the Republican Party and the income tax since 1872 Many of the arguments made by current and past Republicans e g George W Bush Eisenhower Elihu Root and even Earl Warren against the income tax are shown to be the same ones made by many Republicans in the debate over the Civil War income tax Apparently the Northern anti income tax wing won the debate and took over the party 140 years ago

**Defense's Nuclear Agency 1947-1997 (DTRA History Series)** Defense Threat Reduction Agency,2003-09 This official history was originally printed in very small numbers in 2002 Defense s Nuclear Agency 1947 1997 traces the development of the Armed Forces Special Weapons Project AFSWP and its descendant government organizations from its original founding in 1947 to 1997 After the disestablishment of the Manhattan Engineering District MED in 1947 AFSWP was formed to provide military training in nuclear weapons operations Over the years its sequential descendant organizations have been the Defense Atomic Support Agency DASA from 1959 to 1971 the Defense Nuclear Agency DNA from 1971 to 1996 and the Defense Special Weapons Agency DSWA from 1996 to 1998 In 1998 DSWA the On Site Inspection Agency the Defense Technology Security Administration and selected elements of the Office of Secretary of Defense were combined to form the Defense Threat Reduction Agency DTRA

**Defense's Nuclear Agency, 1947-1997** Christian Brahmstedt,2002 *God in Eisenhower's Life, Military Career, and Presidency* Jerry Bergman,2019-03-22 As the Supreme Allied Commander in the fight against the Nazis General Dwight Eisenhower was one of the most important leaders of the last century His position as a five star general was crucial in achieving a positive outcome in World War II Today he is considered one of the most respected US presidents but the critical role that his religious beliefs played in his life and work is widely ignored As one historian wrote Eisenhower was the most religious president in the twentieth century He was critical in influencing the nation s enlarged accommodation to faith specifically the Christian faith The central role Eisenhower s faith played in his life from growing up in Abilene Kansas to becoming the most powerful leader in the world is thoroughly documented for the first time in this book Indeed Eisenhower s belief in God made him who he was and allowed him to achieve the work that made him one of the most respected leaders of the free world This book sets the record straight about common erroneous beliefs concerning President Eisenhower and his family It is necessary to understand the forces that shaped him so we can put his life and many achievements into perspective

**Comparative Analysis Of The Military Leadership Styles Of George C. Marshall And Dwight D. Eisenhower** Major James R. Hill,2014-08-15 In a constantly changing world threatened by ever increasing terrorist acts American interests both at home and abroad require protection provided by great military leaders In order to produce military leaders who can successfully meet the future challenges America faces it is important to develop and refine them early and help them understand how to create and refine a successful leadership style The process of developing leadership styles however is not easy and it requires a prodigious amount of determination time planning training mentoring

and refinement One way to help develop leaders is to show them examples of previously successful leaders leaders such as George C Marshall and Dwight D Ike Eisenhower Marshall and Eisenhower were two talented and exceptional leaders and are great examples of American military leadership Their leadership styles were indispensable during World War II and it is important for leaders today to examine why their leadership styles were so successful The Papers of Dwight David Eisenhower Louis Galambos, Daun Van Ee, 2003-04-30 The final set of volumes Vol 18 21 sold separately of The Papers of Dwight David Eisenhower contain 1 783 documents drawn from Eisenhower s second term as president from 20 January 1957 to 20 January 1961 Completing a monumental project that began with publication of The War Years in 1970 this final set of volumes of The Papers of Dwight David Eisenhower contains 1 783 documents drawn from Eisenhower s second term as president from 20 January 1957 to 20 January 1961 In these years Eisenhower worked hard to hold the focus of American national politics on the two major objectives he had set for his presidency in 1952 to sustain the policy of containment without precipitating a war with the Soviet Union and to reduce the role of the federal government in U S domestic affairs In both cases events at home and abroad intruded diverting attention to immediate problems endangering the peace and forcing the White House to devote most of its leadership to the crises of the day As president during this tense period Eisenhower maintained an extensive and revealing correspondence with prominent individuals as well as with personal friends These letters together with the occasional entries made in his diary shed considerable light upon the major national concerns of the 1950s The volumes also include private and secret correspondence previously unavailable to scholars Some of these items have been only recently declassified and many appear here in print for the first time Taken as a whole the Eisenhower papers from 1957 61 provide firm documentary evidence of the manner in which Eisenhower dealt with the complex internal and external problems faced by all of our modern political leaders *Invisible Stars* Donna Halper, 2015-02-11 *Invisible Stars* was the first book to recognize that women have always played an important part in American electronic media The emphasis is on social history as the author skillfully explains how the changing role of women in different eras influenced their participation in broadcasting This is not just the story of radio stars or broadcast journalists but a social history of women both on and off the air Beginning in the early 1920s with the emergence of radio the book chronicles the ambivalence toward women in broadcasting during the 1930s and 1940s the gradual change in status of women in the 1950s and 1960s the increased presence of women in broadcasting in the 1970s and the successes of women in broadcasting in the 1980s and 1990s The second edition is expanded to include the social and political changes that occurred in the 2000s such as the growing number of women talk show hosts changing attitudes about women in leadership roles in business more about minority women in media and women in sports and women sports announcers The author addresses the question of whether women are in fact no longer invisible in electronic media She provides an assessment of where progress for women in society as well as broadcasting can be seen and where progress appears totally stalled
